Sahiram Inkhiya : Ye ladka bahut hi imandar tha padhai ko lekar. Or hmesha faltu ki gupp se dur rahta tha. Mtlb ki bahut achchha ladka hai ye ,ese ladke milte nhi h aajkal

Syed Shehbaz Ali : The library guy, most studious person i have seen, mashallah. Lot of memories with less space to describe. Breakfast meeting at 8.00 am in H1 was a good day to start. The night walk in the ground after having food. Joint discussion with sajjad bhai, sohel bhai and you on lot of topics. And not to forget the memorable cycle trip to juhu beach. Had more things to do in bucket list but unfortunately lockdown destroyed the plan. Learning Tamil(little bit) and visiting Chennai are on my wish list. Hope we continue to meet in future. All the best.
