

## RUSHIKESH WANKHADE

Mechanical Engineering  
Hostel Council | Kho-Kho | SARC

Yearbook  
2020

**Ankit Raj :** Rushi my bro !! Tu hmesa mera bhai rahega, tere jitna is year ki HGSC me knowledge kisika nhi dekha. Worked with full dedication and hostel senti, ultimate level. Although we are rivals of each other, still we have strong bond. Bas afsos hai ki hm last year acche se nhi mile, thoda late mile. anyways we had good time during insti election, maza aa gya tha. Late night discussion, chats and bhakchodi maxx. Above that GC ki comm meet discussion. Placement treat to baki reh gyi, koi naah be in touch, will come tou your place :p

**Amarjyoti Nayak :** Well, you were one of the fittest guys I came across in IITB. By fitness, I don't mean body building, but your style of working. A kho-kho player. Even, your walk and oily and nicely combed hair reminded me of discipline. And, during your tenure in the PORs, your work and sincerity is something I would admire. Whenever, I felt something about the issue, you were the first ones I go to. Because, I like your understanding of the situation and quick response and solving. Rushikesh, I wish you the best life ahead.

**Pallav Banka :** Hey Rushi, you are one of the few people, who's work I respect the most, your dedication towards work and your senti towards H3 is second to none. At the I would like to thank you for providing me and my wingies with the rooms of our preference :p. Please stay in touch!

**Viren Haldwania :** Yo Rushi! Aap jaisa Gsec H3 ko kam hi mile honge. Aapse boht seekha hai pichle ek saal me. Apne itne council ke plans baaki reh gaye :( Dedication aur sincerity towards work aapki kabhi nahi bhulenge hum sab. Stay in touch always! For one last time.....Insti ka baap kaun H3 H3! :)
