**Sushree Smita Pradhan :** Hi Prasad..Although we have not interacted so much, but still it was a pleasure knowing you. It's your simplicity which I really feel is your strength. Keep in touch 😊😊 and have a successful life ahead .And i wish to really visit you hometown oneday 🙏

**Sumit Jain :** Hii Raju, I like your Simplicity and I miss your morning songs which you daily sung in the hostel 16. You are a wonderful person , I wish we had some more interactions but Jaldi hi Milenge aur phr Masti karenge.... :-) All the best bro :)

**Masarul Islam :** Raju bro....U r my first roommate. U r kind-heart, open minded ....I will miss ur teaching which u taught us before geophysics paper , ur moring song which u sung in the H16. I will cherish that chicken party moments which U cooked for us . Don't change ur self .....this ur Identity .Keep in touch bro...I will definitely visit ur hometown ...I also like ur photography. May wish a successful life ahead.

**Akansha Keshariya :** Raju,You are one of my favorite person. Your best thing is your calm nature and good heart, in which there is no hatred for anyone. I'm glad to have a friend like you. The place where you live, I like it the most and really want to see. Be happy, good luck for you bright future and always keep in touch. 😊

**Mohd Abid Khan :** I dont know how to start, but you are one of the best roommate I had in my college life, although I was quite messy but you never complaint for this.You are the only friend I have from south India. You have a good heart and always be ike this.It was good time that we had spent in insti but it is not going to stop there.

**Vikash Kumar :** Raju....mere dost...pyaar na kariyo, dil tut jata hai. Bro, you are really a simple, pure heart and innocent guy. I remember when I was unable to call you by your full name, you gave a smile and told me to call you RAJU. I love you bro. I will miss your self-cooked chicken in the hostel, briyani party and your songs. you really got a good voice. Though I didn't understand the meaning of your lyrics but that connected to me. Rest, you are good man. keep growing, stay happy and all the best for your future.

**NANDINI BISWAS :** Hiii Raju! I really appreciate how you handled every hurdle in IIT politely with your sense of humor.I will remember our first marine drive and Hyderabad trip forever.Thanks for the long walk, because of that I will always remember the road around Charminar and some best food corners there.Thanks for all the help in understanding seismic.I remember how you used to remember litholog by the no. of sivlingas in it. haha..I loved that trick and told everyone about it that day. I dont understand the lyrics of your music always but I love listening to your voice. 'Gobhire jao' was good.I know you will make a good career & also take care of your music & photography.Will always be in touch with you

**David Rajkhowa :** Raju, We spend almost 1 month as a roommate in hostel 12, from that point our friendship begins. I used to love your company, we discuss various issues from politics of A.P to tollywood movies , desh ki problems everything...you also helped me to pass the geophysics paper..thanks for that..Raju you are a very humble person and a good friend ..last but not least , I really appreciate your photography skills ...even I annoyed you several times to click my pic..keep shining Raju and be in touch always... gonna miss youuuu....
