**Varun Sule :** Hey PK. I'm so glad we met during our time in insti. I always have, and I always will strive to be as hardworking and passionate as you have been. It's been fun working with you and knowing you. Please stay in touch!

**Suman Mondal :** You're the 'nice guy' as we all have known Purushottam. Our time in insight had many positives, but one of the brightest positive is that I came to know you. You're the most reliable person I know in this Institute and I am sure you will do amazing things in your life and touch lives as you did here. I'll remember all those arrows of words we framed together sparing no one xD. All said and done please point me towards one negative of yours atleast because I sure as hell couldn't find one, basically tu toh dew manush nikla re pk 😊

**Lovesh Gupta :** Are senti passing out seniors k liye likhte h, but thanks , so sweet of you to write for me. You always see the good in people. Who would have supported me in every backchod idea throughout the year. Will miss those nights in sunny and those long walks on the road. Wish the time could go on forever like our never ending rants.

**Akash Deo :** Bhai tuhi to tha ek 1st year mai course related help k liye. We did projects together. Mood I mai larkiya tarna aur haan mera swimming card tere pass hai, samal k rakhiyo. And dont worry chand humesa bewafa nahi rahega, tera din v aayega. Tere liye ek ghar Nepal mai v hai. Kavi bhi aajana
