Patel Sayan : Scenes one day before the gc. Me: sun bhai, gc hai. Ek chota sa role krna hai. Please aaja. Bahut important hai. Main gand phatti me hun

Pujan Biswas : Kya hai na zindagi mai thoda sa chill le le XD Baaki toh sab sorted hi hai. Mumbai will always be better than Delhi bro, aur woh golgappe nahi pani-puri hai. Aero '20 will always remember the only CR we deserved. Tere Yerra ke saath standoffs to bhai maashallah, woh khud kabhi Mohr circle nahi bana paaya fir. H4 mai teri kahaniyaan toh famous hai hi, woh H7 tak bhi pohoch gayi :P But mujhe jo sabse important lagta hai woh teri andar ki curiosity. kaafi dur le ja sakti hai ek insaan ko aisa lagta hai mujhe. Bas mujhe bhul mat jaana, kya hai na tujhe miss karenge sachmein. Aur teri MS capabilities pe shak nahi karta mai, theek hai na :'(Yours, Bisso!

Abhinav Jain : So Arjun, we first met in front basketball court jab Krishna ne apan dono ko milwaya tha right xD... from that day to chilling out in Krishna's room while doing group studies, to sleeping in first-year classes together (apni apni seat pe) then to making fun of Shubhanshu then to your birthday treats, being co-TAs and Inter IIT Tech, I don't think I had a friendship with anyone with so many dimensions as yours in the past 4 years(yes I can say 4 coz insti band hona doesn't impact out friendship). We still have an year, let's increase the dimensions of our friendship Rahar ki Dal :p

Krishna Wadhwani : From Krishna to Arjun. Apni first meeting yaad hai Convo mein jab Shubhanshu tujhe bula k thak gaya but tu aage nahi aa raha tha😂. I will always remember us studying together before the exams, sitting together in most of the classes, partaking in some of the pranks, outings, getting lost in some corner of IIT in search of Maddu mess in first year, your reign of terror as CR, your epic quarrel in Solid Mechanics class (I had never seen a prof more shook up) and many more. You have been one of my closest friends and I am really glad to have shared this journey with you♥ I am really proud of your tremendous growth as a person over the years and hope that you continue along the same path♥♥

I feel I was little harsh on u man in later years, sry for tha bro. I do feel guilty bcz u were always nice to me. I wish chije complicated nahi hoti apne bich. And thanks buddy for the small speech u gave to me before placement if u can remember, that srsly boosted my confidence and yup will obviously miss u bro..

Abhay Jindal : Duryodhan... yeh naam rakhle change karke. In the last 4 years, we have had so many fights for the most senseless reasons but . we made up after each one. You are one of the closest friend I made in this insti. Shevare ke courses mein kya gand machaya tha humne. Infi memories hai bhai saath mein but you waking me up and forcing me to go to JLR interview is a memory I will always cherish. Touch mein rehna and milte rehna ...

Varun Sule : Yo Rahar, tere saath ke random late night interactions hamesha yaad rahenge. It's always been fun and interesting to pick up any conversation with you, since you're always so enthu to get to the bottom of everything. Tere saare GPLs have been quite memorable, especially the one in 3rd year (dekh main involved nahi tha though). Hope you are able to get some good night's sleep at least now, games khelna kam kar diya ho toh XD. Aage Mumbai mein toh milte hi rahenge, 5th year plans (you know what I am talking about) ke liye help chahiye hogi toh bata dena :)

Kumar Saurav : CR 🤖♂️ 🤖♂️

Atharva Khandait : Yo Arjunn! SchoolBoys ka na peene wala aur chakna khane wala member. My earliest memory of us is 16C ke niche dhun mai mai tujhe chutti karane ko bol raha tha aur tune kara bhi thi :p. Teen saal se neighbors rahe hai apan, apne beech beech ke zagde bhi yaad hai, par wo jyada teeke hi nahi :D. MI mai saath mai ghume the, Naman ka wo crazy bday yaad rahega. Bhai teri GPL dekhke jo aatma trupt hoti hai kya batau :p :D. Wo controls ka assignment karane ke liye thanks! Tera sleeping cycle is a mystery to me. Kabhi 24 ghanta sota hai to kabhi exam ke pehle 24 ghante jag ke padhta hai. Kabhi Tennis seekhane aya nahi tu hum log ko :p. DD mai macha aur life mai bhi, milte rahenge!

Sriganesh N : Arjun, u were the only guy who was my wingie all 4 years (Ankit cannot be counted ofc) and we started talking right from day 1. Tu ek hi banda hai jisko me GPL mara hu, sorry for that xD (Engla ko bhi mara tha, but he asked for it). Tera sleep schedule se me shock hua tha, but tab pata nhi tha me bhi slowly thoda aisa hi ho jaunga. You take friendships seriously aur unko maintain karne ke liye effort lagata hai. Majority of exams ke liye sath me prep kiye hai; last hour me tujhe sab chamakne lagta hai. Tujhe kuch chahiye toh bohot kuch try karta hai uske liye, but at the same time u are happy being simple in many ways. Tujhe DGSec banane k liye polt machana tha mujhe :D Stay confident & atb!

Gurparkash Singh : Arey baii!! Remember how we met for the first time? During NSO cricket trials, you were humming the song Carry On Jatta and I asked you if you're a Punjabi lol. You said that you have a lot of Punjabi friends so is liye Punjabi songs aate hai hahaha. Haan bhai, jab bhi tum se milta to ek dum happy mood me dikhta ta tu. You're a very jolly person and your happiness is very infectious. Keep smiling! :D

Devank Rajvanshi : Arjun jaldi neeche aao, flight ke liye late ho raha hai, cab waale chilla raha hai!!! Haan bhaiya chalo, bass TL hote hue chalna, laptop uthaana xD. Who knew itni crazy starting aage bahut acha bond banne waali hai <3 From that journey to roorkee mai backchodi, its always a great time with you. remember our expressions jab Liza story suna rahi thi. What a great time it was. phir insti ke re-unions. You are a great man bro. Bina mile alumni to bann gaye, but aise jaane nahi dunga. Jaldi milenge aur aapki kisi na kisi cheez ki to treat lenge.
