You were the only person achieved a lot of college memories, activities and friends compare to others in our batch. Yes study hour was the weakness but that's your choice. Thanks for selected me into the street play. That i remember in my whole life. Finally you helped me financially also. Thanks for that and always keep some money with you. Anytime i will call and ask some loan....

**Sethu Prasanth Shanmugam :** Saurabh - You are one of the good friends I had. Our first year at C003 is one of the best memories at insti..Though our room had an unsteady temperature gradient (Hahaha..) we shared a steady friendship. I always wondered with your talent on acting and drama. Particularly nana patekar voice. I would like to tell you not to leave this skill. Try to be in touch after joining work. The main thing I wanted to learn from you is how to prioritize things and do work. I wish you to see in greater heights. All the best !!

**Himali Mhatre :** A firm believer of theatre as a reflection of society ! Thanks and all the best ! 😊
