Swati Meena : I think your last name explains it all (Use Google for Hindi translation). What can I say about the multi-talented person, the only person rejecting companies during the placement period? The person with infinite PORs in his resume, were you confused or did not want to give anybody a chance to do things? Please apni company mein jaake baaki log ko bhi thoda chance dena kaam karne ka. Please don't forget to add Masters in B+ij in your resume. I also want to threaten you about finding out your birthday one day, and then I am going to track you down for revenge. I guess you are the reason why I survived my seminar, EE 786 and MTP. Thank you for being the person I can always count on.

Anuraag Tummanapally : Poetic WhatsApp statuses + weekend mumbai trips + workaholic + clinophile (in a positive way) + really really bad jokes (few are good though) = ~HK PS: at least now tell us your actual birthday. I wish you good luck with all ur future endeavours, ~hk

M Arun Kumar : If he is in the group, he will be our target. It had always been fun to pull your leg also had fun visiting places around Mumbai, watching movies, fighting for pizzas during placement season and many more activities together (exception being your secret ventures on weekends with aliens in Mumbai). keep up the strange habits you have. Work hard party hard buddy, will miss you.

Akhil Gakhar : Tu mera bhai hai :))) last month I am thinking about... Bhai teri english killer 🤩🤩 The bestest person I met in IIT, raat ko bahar matt niklo Andhere me gayab ho jata 🙌🙌 I wish I could track you 😊😊 sara mumbai ka map aa jayega.. Next time tere bdday pr milenge 😊😊😊 i mean neverr 😊 Chahe illogical argument ho.. Chahe koi project ho..Chahe koi faltu ka time waste..You're my best partner in crime 🤩🤩 teri chappal k paise udhaar rhe 🤩🤩 Bhola shareef tha jabb aya tha college.. Bigaad diya 😊😊 (appni baat kr rha hu mai..Teri nai) I feel you, me and abhi (waise faltu me aa gya beech me woh 🤩.. Waise bhi tere mere beech me koi nai aa saqqta 🤩) are best trio#DeepLearningGod#❤️

Alen Rujis : One of the most patient and helpful senior. Thank you for always be so supportive to your juniors and taking care of us as your younger brothers. All the best for your future, I know where ever you are, you will do well.

Sachin Tak : or Hitesh kase? agar kise company ko extra job offers ke leye bhe pitch karna ho to bol dena 🤔

Shashikant Devidas Khade : My mentor in CC, who always keep asking for my work updates. I thought if I take over your work in CC, it will be little chillax. How terribly wrong I was. 😅😅 (Abb ye kisko pata tha ki I am trying to take over tasks of some multi-talented workoholic figure in iitb). Truly inspirational, yet so humble and always helping. Busy person, loaded with to-dos yet calm always. Thanks for everything, specially for being supportive. #poetryKingOfCC #bombayWanderer
