Nilesh Vadgave : Hehe!! I am witness of all your decisions and confusions for last four years!!! We struggled together and also succeed together. I dont know what kept us together for so long without any fight but I must say ki you are very 'dildar' person. I remember how you managed my part of work when I was busy in drama ! I never listened to your advice but being a true friend you kept on telling me things !!!!! I know you dont like my unrealistic dreams and weird patience for people.....But trust me,these are the only things keep me alive! you all are gems for me and will remain forever....So I request you to let me continue being 'Day-dreamer' !! I wish to see you achieving everything you dreamed of!

Satish Dulla : Swappu! thank you so much for ur guidance in our common problem. Sach me bol raha hu.. bach gaya. We had a good time under our beloved guide. Vankudothu Surya Prakash Nayak : Ur affection towards CTARA is very much appreciable. Ur most of projects are my favourite one's. whenever I met you. You welcomed me with one gentle smile. If God allows us then definitely, we will go together gym. Mera favourite quote is "Health is wealth". I may not there to share happiness but I will there to share your any sorrows. May ur goodness flourish and bring a smile on many faces. May all your dreams comes true.

Gaurav Kishore Dubey : Bhai aisi aisi pakau film dikhaunga agar time mila, ki tuzhe bhi wo pasand aane lagengi Apart from that don't forget I will like to be sleeper investor in your future business endeavor.

Rohit Kumar Prince : Jitna humlog 1st year me baat karte the second year me utna hi kam...mainly due to different floors and different labs. Buying the bicycle together of same design and getting confused ki kiska kaun sa hai, hamesha yaad rahega. Even more memorable part is how we all initiated the different dialogue for our department. All the best for future. Achieve great heights. :)
