Ayan Choudhary : Singhal bhai Ghaziabadi aka mote chashme vala elec ka BCB jo sbki marta hai(ye me nhi duniya bolti hai). Mast maze kiye yar 1st year se hi be it at MAC or infinite Chicken Bros trip(including Md Ali road too :P) Tera mera aur Pangu ka jo group chal rha hai kasam se shayad hi koi esa group hoga jisme roz message aate hain xD Ek bar to tune mujhe chill rehne k liye bola tha 6th sem me jo ki sahi me kafi help kiya tha :D Baki B'lore<->Mumbai krte rhenge apan log xD

Rahul Manglik : CR- the name says it all. Coined by the great "me" in the only TSC session we attended. Tough and ugly on the outside but soft and ugly deep within, you are the most amazing person jisse aadha batch darta tha. You will be remembered for Sunny and "xD". Will always be there agar tujhe phirse rona ho (placements are coming). PS - haan main VMC se hoon aur smart bhi xD

Pranav Sankhe : Arey Singhal *****, bhai terese toh mujhe ab bhi dar lagta hai. Mast aadmi hai tu. Mazaa aata hai hangout karne mein tere saath. I think pehli baar I met you during XLR8 jab Dhruvil tumhara mentor tha. Uske baad elec club ke events mein kaafi maza aaya tumhare saath. And ITSP bhai. Kya mast time tha. Stay in touch always! Best wishes,

Riya Singh : Hi Anirudh! It has been 2 years since last I talked to you. I know you through elec subsystem, IITBSSP. I remember at that time, you could not speak even one sentence without "gaali". And when I said that, you were determined to prove that I am not "sareef". I remember you as a very interesting person and it was due to you people that my experience in elec subsystem was memorable. All the best for your future!!

Sushil Khyalia : cr konoriwa. apni kfc streaks, chicken bros night and tere fb posts kaafi yaad aayenge. isiliye jab bhi pata chale ki john us din school kyu nahi aaya tha bata dena

Pranil Joshi : Duuuude, best roomie ever xD xD. I legit love you. Mere sab friends mein tune mujhe sabse zyaada influence kiya hai. You took an introverted weirdo and awakened the social animal in him. You taught me to LIVE. I honestly haven't seen a more selfless friend. Thank you for turning off the lights at 12.15 am every night xD (and thank me for letting you sleep in the afty while I literally was having to study in my phone's flashlight xD). Your socializing skills are GOD level, you were the glue holding our friends together. Friends might come and go, but roomies are for life! Jab milenge tab ek long-overdue pic toh banti hai. Ek do gaaliyaa suna dena, kaano ko sukoon milega xD xD xD xD

Aniket Prajapati : Singhal!!! tu insti ka radio hai yaar. Mere baato ko tere se jyada misinterpret kisine ne nahi kiya hoga xD. But tune har event/ gathering ko apne baato se memorable bana diya. Jammu trip was lit, will not forget how well we planned to miss the humsafar express xD. Bass frwad thoda kam macha and bully kam kiya kar random logo ko.

Aman Mishra : CR mere bhai! Kya mast insaan hai yaar tu, jis room me bhi baithta hai vaha mehfil ban jaati hai. Teri storytelling/storymaking skills gajab hai. Tujhe dekhkar to sab dar jaate hai par asliyat to hame hi pata hai XD. Teri buland awaaz aur chappal ghaseetne se 5 room door se hi pata chal jaata tha CR aa raha hai. Coding god _^_, infi baar codes chalwaye hai yaar tune. Sabse pehle mere alawa Sualin lene vaala tu hi mila tha aur fir apna Naruto dekhna shuru hua<3. Every moment spent with you was immensely entertaining! P.S. Teri orange bottle ka kya scene hai? Bohat baar mujhe mere room me mili hai aur fir kuch din baad gayab.

Drish Mahnot : Mujhe 3 saal tak lagta tha tu elec ka CR tha despite knowing the full form. CR FIFA tournament and Sunny waale days are some of the best memories I have. The great "Panel" night was when I first started, pakke se yaad rahega wo to xD

Yash Shrivardhankar : Chicken bros for life! But wait, 4th year revealed the common interests are more than chicken xD Bhai tu mech mein hi aa jata! Sala poore 4 saal kuch aur hi hote! Best storyteller of all time! Thank me for all the MAC adventures you had, kyuki mai tere side hi hai re xD Lifeline of the dining table! BCBzz will treasure you! Bangalore aa jaiyo yaar job ke liye... poore last sem ki kasar poori karenge!

Pragun Badhan : "max 700 characters" can't possibly be enough to illustrate how fun college was with and because of you, and that's when you were away at Bangalore for one summer and in Europe for a whole semester xD. The memories are uncountable, from how the very first day you made yourself at home in 502 to the Sunny nights, from Chicken Bros outings to just any meal in mess. Bullying others and putting the blame on you xD. Thanks for the memories and I hope there are much more of them. World Cup final dekhne bhi toh jana hai, paisa bacha liyo xoxo

Kratvish Pandey : Singhal bhai hai tuuu! That's what I have said to you almost everyday. You're the biggest example ki dost bhale hi kitne hi kameene ho Still bhai hote hein. Pehle din se tune jo 502 mein li thi meri, usse better apan charo ka introduction ho hi nhi sakta tha xD You made me politically correct, gave me all sorts of last minute exam preps and last but not the least made me a better person. I might not have said but jab tu sem ex par gaya tha and we were shifted to H18 badi yaad aati thi yr teri :) I will forever miss the awesome 231-232 connection between us. Now that our beloved Pranil is going it's never going to be same again. PS: Ramjas connection is strong af bro. Keep it that way onlyyyy, I am having a great time, I hope same for you.

Bade aadmi banke bhul mat jana lab assistant ko :p.
