Aryan Aryan : Brooo! You are the most energetic guy of our group! Har cheez me enthu dikhane wala, sports me bhi pro, tp me expert, caring, etc etc. Kitna achha hai be tu! Hamesha logo ki help k liye ready rhta hai. I've never confessed this, but you've always inspired me. I'll truly miss those good times. Remember those prank calls😂? Stay the same and mujhe bhoolna mat😁! Bohot miss karega main tereko😭😭

Deep Karkhanis : GD!!! Proper all-rounder hai tu. Bakchodiyen bhi bahot ki hai aur acads bhi phoda hai. Apne woh course project ke nightouts main kaafi sikhne mila tujh se. Kitna bhi kaam ho you never seemed stressed-out. Main toh give up maarke report bana ne lag jaata tha but tu dedication ke saath kitna bhi time lage code chala hi deta tha. DLD, Archi, Networks yeh saare hi projects latak jaate tu nai hota toh. Aur itne sab ke baad bhi roz cricket aur baddy ke liye pata nai kaha se time nikal leta tha. Hostel council main bhi bahot maze aaye tere saath. Tere time-management skills kaafi inspiring hai. Bas final year main jyaada baatein nai ki. Sincerely hoping we don't drift apart.

Yash Shah : GD brooo!!! Will be missing your heated debates the most, apart from playing CODM and watching random TV series' in your room. Third year intern me teri wajah se hi mazaa aana shuru hua tha, thanks for that. FILA ka course project aur Linguistics ki classes humesha yaad rahegi 😊. Aur haan, ab to sleep schedule sahi karle 😂

Harshwardhan Mourya : Gaurav boi, Wing ka cool Dude. I still can't get over this fact ki tum COD mai itne pro ho gaye ho 🤩, Khatru ekdum. But I guess ab sacchai maanani hi padegi 😊 Also those movie and Tv series suggestion, it was like koi critic de rhaa ho, you precisely know why you liked a tv series and whats wrong with it. Not just with cinema, actually with other things too. And wo kaafi baar discussions mai pata chalta hai. I think ye boht sahi hai. Aage milte rehna, and wait for me, apun bhi COD pro banega ek din 😊
