

MOHAMMAD ANZER

Civil Engineering
PT Cell

Aman Srivastava : Anzer, appeared to me as a personality, to be specific, as a guardian, who never let me see in depression, who motivates me to keep moving despite difficulties, and who always asked me to join for a movie at HUMA/BHANDUP which later became our routine :)

Roshan Jha : Anzer bhai..matured man of WRE. Tumhe dekh k lagta tha...kaise kar leta hai itna maintainance personality ka...phir hamari mulakat saloon me hua aur raaz pata chala..DPC election k bhi kisse yaad rahenge! Wish you all the best for future.

Sarosh Alam Ghausi : Bhai, I have seen ur hard work and that have always motivated me so much. Today or tomorrow, immense success is going to come on ur feet. There might be good and bad days but i will always share a deep lasting bond with u. I knew if any situation ever come to me u will be there to help, no matter how much we talk. I was, am and will always be your well wisher and will always pray that u get all success u want.
