Drish Mahnot : Bhai kidhar gaayab ho gaya tha 2nd and 3rd year me? Freshie I had my route, pehle midwing, fir 9th floor midwing, everyday xD Remember when we had 4 days to prep for Bio and we ended up trying to making bottle flip videos until we had half a day ? MI was fun (the ditching and chilling in hostel with Samarth, not MI 😊). Before shifting to H6 jab we spent a week with Rath and all in H15 was amazing. Rediscovered you in final sem, and as I always say, best conversations man 😊 Itna depth kidhar se aata hai? Waves. I honestly wish we had more time because final sem was amazing :(Honestly one of the rare ones I've loved right from Pace. PS: Kaash Civil aa jata tu, bohot hope kiya tha freshie year me :P

Harshita Khurana : Yo Vijay!! You are certainly an inseparable part of my BS family at IITB. I remember our first interaction, I had a sprain in my feet and you asked me about it and rest is history. Thankyou for being one of the few persons who are able to tolerate my non stop chattering. Walks from LHC to H11 were always such fun with you guys around. I am glad that I shared moments with you that I will cherish forever in my life (Lonavala being the best). I wish that you all the happiness in your life. I don't need to say this, but yes stay in touch 💜💜. Goa trip pending hai!! Milenge, fir challenge aur scoot ride karenge ♥

Siddham Jain : One of the special friends bhai, insti tere aur Bhaskar Bina adhoora he mera. Sahi connect he apna. Jab bhi ye 4 Saal yaad aayenge, sabse pehle apan ke h6 ki Yaad aayegi, specially tere room ki jisme mene aur Bhaskar ne kabza kar liya tha, lol. I'll really really miss our late night Nashe wale sessions. Bhaskar tune aur Mene bhai kitni sahi trips Kari hei, bestest. Next time jab bhi mil rahe apna fix THE BOX lag Raha he. Apni exam preparation bhi Yaad rahegi bhai, bc alag level gan*u he Tu, exam ke 3-4 ghante pehle padhna start karta he. Alag level discussions hote hein harr exam ke pehle apne 😂😂. Bombay hi hein apan. Milte hein soon. (Beef burger Ka bhi Karo Yaar)

Mukul Jangid : EEJJJJ boyy tujhe gande jokes sunake bohot pakaya hai meine. But I don't think anyone can match your sense of humor (shyd taarak mehta ka asar hai😄). Match the following bhi yaad hai na tujhe🤔. Mere specs woh kambakt senior le gye warna toh tere se accha unhe koi pull off nahi kar paata. Agle ek saal jab bhi insti aaunga tere room pe hi crash karunga, ready rehna for more TT sessions and bad jokes❤️.

Nithin Kumar : Vijay bro! Can't thank you enough for saving my degree times tad too many. Always up for an ice cream treat man. I love your social media shares and work. Please please keep posting stuff. I will definitely follow them wherever I travel in this new journey. Love you brother, to good things ahead. Cheers!🔥❤️

Kumar Saunack : I thought you were graduating in 2021 :p You missed out on staying in my wing, although I'm sure that you'd have preferred living with your old friends. Btw, your ability to defend your stance with confidence and logic is commendable. But I'm still not going to read the facebook articles that you put up so often. Too tiring; I'd prefer a face-to-face conversation with you.
