Kriti Kamna : Mayanka, you have been the most fun girl , I have come across in insti. With your approachability and all-time drama , I can't believe how stupid yet smart you are. Thanks for bearing with my baking tantrums and endless dress trials. :P I, so, wish that we get to spend some more time in future and hope you have an amazing time abroad ♥ PS : For the umpteenth time, on you missing the fun on the Munnar Trip with us, here it is, 'I told you so!'

Pokkuluri Mohana Madhumita : Hey Mayankaa! It's hard to digest ki our hours of valfi photoshoot ideation is in vain (izzat bach gyi xD). The always happy aka dance enthu aka panipuri dost aka mummy aka fitness freak will be missed..Thanks for teaching me to chew more :P I hope you get all that you love and more <3 Take care bro!

Namya Bagree : Maydayyy! You're one of those few friends who I've somehow known through all the years xD Starting from Goa Gang to SMS BAND it's always a fun time with you around, the mafia! Will always remember Campus Hub and MI before Canada for these times! From your useless Marathi teaching skills to your weird Marathi life goals, you've helped us get through many situations 😊 Now that I think about it, you're the person I've been on maximum trips with 🤪 Wish we really went to that wax museum though, the only reason we're not as good friends 😊 From being the self proclaimed Queen of the Mess to chiMayo, you're always the funnest short person to be around! Be as cheerful as you are! PS - Being short really is as bad as it seems right

Rashmi Ravindranath : Freshie year se tere drama jhela hai :P. My only female-shunya-buddy 😊 . Though you were never in my wingie, I always felt you are one. Gonna miss you being around 😊.Keep visiting us next year too.

Maitrey Gramopadhye : Mafia! Mayday! Mayo! Over the years you have acquired many titles :P. It's always been fun to be around you, although I have to make sure not to get roped into your criminal plans :P. Starting from HiFi you've always been a great friend that I could rely on. I'll always remember the random conversations (sometimes absurdly random :P) conversations with you, and bohot zyada topics pe bat kari hai tujhse :P. BTW aache aache Japanese songs share karte rehna age bhi. Also, mai hat, wand and rabbit le aunga but tujhe public mai pehenna hoga vo :P. And tujhse peeche to kabhi bhi nahi hi chut raha, Mafia jo hai tu! XD. Also, another gentle reminder that Munnar ana chahiye tha :)

Nisha Brahmarkar : Mayankaaa! My permanent wingie (pseudo in recent times) :p The funniest yet cute thing we share is that wall-code, remember? Oh damn and those monkeys in your room 🐒 How crazy those days were!♥ You are my sweetest, trustworthy and caring friend since then. Majhi Marathi Maitrin, I still don't understand our weird & illogical language transitions XD. We are going to keep up our Marathi movie suggestion streak, right? I am gonna really really miss those wonderful and detailed gossip sessions after all of your abroad trips, (especially the semex one with a cute secret) ;p Love you for your Japanese recommendations and I will always be sorry for the Pikachu gift (though you informed me at the eleventh-hour :/). Meri pyaari bitiya, please khana kha lia karo and drink lots of water... Mummy ki baatein suna karo :p Aur apne expectation level ko niche lao thoda.. haha xD I will miss you drama queen, your dance enthu, your flexible stunts and your eating habits (the permanent love for carrots 🥕). All the very best for your future Mayanka, I know you will achieve great success in life.. maa ka ashirwaad jo sath hai ;p. And and iss baar don't you dare go without meeting me. Love you loads my bacchi 🥰 We will be in touch ofcourse! ♥ P.S. Arigatogozaimashita for letting me know how many times I chew my food. 🤤
