

SUDHANSHU MEENA

Electrical Engineering

Yearbook
2020

Sharath Chandra Ale : Bhai, kya aadmi hai tu. Insti me aise koi exist karta koi bola to manunga nahi. Tere timings and habits ke liye parnam xD. Kitna bhi bolu, hamara viru project the best hai. Raate raate jag kar machaya hamne with too much help of our TF manager. Enjoy that one more year you'll have in Insti !!

Unmesh Raskar : Bollybhai! Abhi likhke fayda nahi aur ek saal baaki hai..You have a thorough understanding of politics and social sciences and you emotionally relate to sufferings of this country. Go into civil services and make a difference. I don't think you have any interest in elec, but still you have been a pretty sincere student overall. You were my suttu partner who never smoked one LOL. Also my Bank, my Mess partner, my jasoos, my cribs partner, walking buddy, movie recommendation, dept senior, HSS dude and what not. Tera supt hawas sirf muze pata hai, hope you find someone soon; mera toh prom kat gaya. Hope your hairfsl stopped after washing with yogurt. All the best for placements and kabhi H18 m
