Naman Chindaliya : Rish Bish! You were my atm for the most part of the insti life. We had deep conversations about what life is and how the matrix is controlling us. Sorry, but you'll have to wait 35 more years for the invitation to the island. Also, you're like Naruto, struggling but never giving up. I hope you will be Hokage someday :p. Thanks a lot for having my back during the tough times. You're very selfless and kind. Let's meet again (at the island).

Shubham Punjabi : Bhai tere baare mein kya hi likhun, you are like the roomie I never had, apan har saal next door neighbours hi rahe hai! You are like the Michael Scott of the group, holding together the whole wing and making lazy puns and sarcastic humour 😂. Terse zyada 4 saal mein kisi se nahi sikha mikky bhai! Sarcasm, paise deke bhul jaana, treat pe treat dena, and room ka darwaja band rakhna. You have been the guy I could laugh the most with and at the same time cry with. Fataft UPSC clear kar le phir terse sign karwayenge har jagah XD. Tere imitations and voice notes forever kaan mein gunjenge mere 😂. And as Jim says to Michael -" We will have a proper goodbye at Lunch tomorrow"

Aayushi Baheti : Rawat! You're such a sweet and jolly person. I am so glad that we got a chance to know each other. We couldn't interact much but jitna bhi mile h bahut mazaa aaya h <3. Chemical mein toh tum machaaye hi ho (iyykwim :P). All the best for the future and bhulna mat :P

Yash Samriya : Rawat bro! Dank jokes king! Yaar yere jokes hi Jogwar aur Shatri ke lecture me kisi tarah jagake rakhte the! Your ability to mimic every prof in the department is amazing! Stay in touch! :)

Prathamesh Patil : Rawat. Group ka bhola bhala insan par dosto ke liye logo se panga lene ke liye tayar. Saale tere wajah se 3-4 rikhsa walo ka ghar chalta hai. Group ka prime member. Room pe infi khana rakhne ke liye thanks. Bahut yaad ayegi be tum logo ki. Jo bhi teresath masti ki, agar bura laga hoga to maaf kar dena. Aur kya, milne aa jana IAS banane ke baad. PS: Password change mat karna ek saal

Veerupaksh Singla : Bhai Rawat, I thought tu yearbook pe nahi aayega cause it's too cool for ya 😊, par yaha tu pighal gaya. Yaad hai apan first year me mile the jab tu room pe aaya tha 😂. Us Rawat me aur current Rawat me kitna difference hai 😂😂. Mai bohot lucky hu jo tujhse dosti hui bhai, kyuki har moment ko light karna tereko hi aata hai 🙏. Chindi ki lene me to jo fun tha wo miss karunga yaar. Gonna remember you forever, because I know you won't give me a chance to forget you. ♥

Syed Zakiuddin : RAAAWAT!! Darwaza khol. Our entertainer, Notes Collector, Money bank, Foodbank, and whatnot. you are a nice, cut and joyful guy. You always help others and bring smiles on faces but never shy of teasing someone to limit. Your jokes and imitations can bring laugh to anyone. All the time ya to tum kisi ke maze le rahe hote ho ya koi tumhare maze le raha hota hai. And in all scenarios standing at one corner, I just smile. yaar jaldi se insti khul jaye phir aur maze karte hai. Lots of love yaar!

Omkar Ingale : The richest of the rich, associate at Berkshire, the Maint Co of H4, these are just a few of your achievements. Every one us has got that one guy that just defies logic and pisses you off by making bets and not honoring them. Insti life wouldn't have been the same without you whining about getting a FR in every damn course which made me analyse my own situation and get myself to pass just to prove you wrong. The picture of you walking in the corridor with your yellow banyan will haunt me for the rest of my life. Milte hai is corona chutiya ke baad and Yes I'll pay this time around!! P.S - Paise dede yaar Rawat P.P.S - The thing about Ram is true, ask him one last time

Dhwaj Singhal : I don't even know where to start with you man. Our journey together started wayy back in 9th grade, and i know for a fact its not ending anytime soon. Its always been so fucking hilarious man, sabotaging each other in minecraft, you begging me to let you play super mario on my laptop, our famous elevator rides in our first year :P, and all the ridiculous fucked up shit we've been up to, you've always had my back man, and i'm super grateful that i had you around this entire time. Youre one goofy motherfucker, and never fail to get me laughing when you really try (sometimes too hard). I hope one day you wear a tshirt over that pathetic ripped vest youre always in :P Still waiting on that drink!

Tanmay Garg : Rawat meri jaaneman, subah uthke main gaali kisko dunga yaar ab :p we only got to know each other in our final year but it truly was mind boggling experience knowing you bro. So so many people advised me against a friendship with you because they were probably scared about the fact that i would fuck the life out of you for your behavior at certain times, but thanks so much bro for putting up with me. I know it wasn't one bit easy and i respect you immensely for that :p you are a very special person and you better understand that bitch! Also, stay connected as no matter what, i will always look out for you and support you with everything you want to do :)

Mudita Rana : Rawat!! Sabka dost kaisa hai yaar tu?? 😂😂 I wish hum aur baat karte in these 4 years. Jitna jaana hai, bohot chill hai tu. Aur best sense of humor 😂😂 Humari insta conversations humesha hi chalengi. After all, mutual love for money heist, doggos and football 🐶♂️🐶♂️

Akshay Bhamare : Rawat bhau!! aapke jokes aur mimicry ki wajah se hi S1 survive kar paye. CL118 me to apana fixed adda rehta tha baithne ka. bahut hi chilled out, mast, funny, friendly, smart aadmi hain tu, aise hi rehna!! Bade officer ban jaoge to bhulna mat.

Sriganesh N : Yo Obhishek! Tu bohot caring and motherly type banda hai, you are always ready to help someone. Tu sahi me funny hai, stand-up comedy gigs karna continue kar xD. Tera roast karne ka style yaad rahega. Happy ho ya sad, dono case me thoda extreme ho jata hai, which is nice in a way. Early mornings me milte the, pata nhi chalta tha kon so raha hai kon uth raha hai. Naman ko aur tujhe roast karne me maza aaya :P . Tera pas pure hostel ke water filters ka info rehta hai. Aur soft drinks peena kam kar :D Aur tu Kannada gaaliya internet pe padhke yaad karta tha XD. All the best for ur future bro and stay in touch.. Waiting for u to clear upsc and get hounded by politicians xD

Rushabh Vora : Rawat bhai!! You can mimic literally any prof from our department perfectly, plz ek video banale ispe, amar ho jayega tu bc! Tere se jyada chill and funny banda mene kahi nhi dekha 😊. Tere se baat karke mood sahi ho jata tha ♥️. Tera humour and sarcasm is on a completely different level 😊. Probably isi liye you always get the better of me in psych 😊. Safety ka fatti me padna, namun ke infi roasts (Damn!!!!), tera hamare match me umpire banna 😊 was great! I hope ki UPSC me bhi machade and stay in touch bhai, infi more roasts to come ♥️

Chinmay Kalra : Rawat bhaiya!! It is only in our third year that we got to know each other well...jab hum H4 canteen mein milte the or at H4 gate where you would be waiting for your order to arrive 😊. Tu bohot mast aadmi hai bhai...I wish I had known u better from first year itself. And of course, H18 mein wing mein cricket khelne ka toh alag hi feel thaa. Thanks for all those memories bhai!! Will surely stay in touch.

Rishika Gupta : Thanks for letting me win in the roast game where I knew I stood no chance. XD It was fun sitting beside you guys in chemical classes. I couldn't sleep in those classes no matter how bad I wanted to. All thanks to your shitty jokes 🤡 WWE will still remain our first love even after knowing it's scripted. 🙏 I have watched Death Note for god's sake! Stop cracking jokes on that. I'll step up my humour level and then have them! roast battle. Soon! And Pictionary bhi to khelni hai. Log jugado jaldi 🤡

Piyush Gupta : Rawat yar kya mast and cute banda hai tu aur bohot helpful bhi <3. Tere saath humesa baat krke maza aata hai. NSO vocals mai kya backchodi kari hai apan ko hi pata hai xD. Yes Diptish ke room pr PS sessions were so much fun. Really looking forward to catch-up and stay in touch. :D

Vipul Ramtekkar : Rawat yaar, first year mein tujhe Yojit ke room mein dekha tha and roz jab mein sone jaata tha tab tere brush ka time hota tha. Saare projects tere saath kiye hai chemical mein xD. Aata nahi tha yaar tu bahar but jab bhi aaya it was soo much fun! Teri mimicry next level hai and sabki ekdum perfect karta hai. Har chemical ka group saath banaya and it has always been fun. Tera panic dekhna is something after all. Zyada jaagne laga baadh baadh mein toh atleast apna interaction toh baadh gaya. Auto mein plan banana to explain is bar kyu delay hai report mein. Tu IAS aaram se kar lega and all the best uske preparation ke liye. Video calls mein aise hi strange strange locations se connect karte re

Pushan Bal : Yaar jabse h4 choda, canteen talks to band hi ho gaye. You have an amazing (and dark) sense of humour and I love it. Cricket khelne me bohot maja aaya tha yaar. Stay in touch! Cheers.

Itna punctual bhai aur infi paisa...thanks for all those auto rides, will miss them! Chindu ke lene me alag hi anand aata tha...DAM(N)P! "Kya be Rawat, sab padh ke aaya hai! Hume bhi padha do kabhi" xD I really liked the way you'd come to my room and ask "So raha hai kya?" every damn time! xD But those conversations are gold! Bohot mazaa aata tha! Chemical & Profs ki bitching being done by the 'God of mimicry' himself! "Bhai bade officer ban jao to hume bhul mat jaana!" Here's hoping that we stay in touch & milke aur baate karenge! Bhatt Maulik Chunilal : Rawat sirrr, yaar aap IITian galti se banke yaar, you should have directly gone for Stand-up comedy. 😊 Your sense of humor is beyond this world. Rohit Engla : Bc ye 700words bhi koi limit hoti hai kya????? I don't think hamne bina mile jyada din gujare honge matlab har roj kisi na kisi jagah tu c*****a dikh hi jata tha. Yaar I really don't know kya likhu because the bond we share can not be written. The journey at IITB is incomplete without you. Adarsh Rathi : Rawat bhai, it was great being your wingie, you added an everyday laughter dose. Before meeting you, I knew you were a humble person, would have been able to add more fun to my insti journey if we would have been in the same lab group. Our memories consist of bitching about the profs and your onspot punchlines for their cruelty. I really think you are very mature(except sometimes :p), and a good friend who is helpful. I like when you unknowingly increased my confidence. Thanks for being there, good friend. Keep in touch. IAS ban ke bhaw mat khana, waise tu nahi khaega pata hai mujhe. -Rathi

Aniket Bhatia : Yo Rawat!! You're a really really nice person! And your jokes are 'epic'!! The way you can turn any grave situation into a funny one is so amazing!!
