Anmol Gupta : Hi Butterfly Bhutani :P We've been together at a number of times in insti - as co-coordies, as council heads, even as co-interns. But perhaps finally came closer to each other at the end of 4th year. Butter Chicken 101 was just so many revelations and realizations :P Your passion for what you love and how far you're willing to go/work for it had always amazed and inspired me - be it movies or aviation! Too bad the Chandigarh plan didn't work out, but I'll definitely come there some day! Also, I love our chats XP I hope we get to meet soon, take care and stay strong! :))

Mookund Sureka : Yo Sakshay, I really admire your openness and how well you come forward and share stuff. I hope to visit your place, that has been long due now :p . We have gone out multiple times and hope to go out again soon. Cheers to the amazing 5 years :)

Pramey Singh : Hey Sakshay! Had some really nice conversations and outings with you. Hope to see you again soon.

Raghav Goyal : brolos! the first nickname you ever gave me! Its funny how we used to sit across the same table at the library, but we never got to know each up until my 2nd yr! We started texting in summers and just ended up becoming so close isn't it? I have cherished all the movies we've watched together, the walks, sameer hill at 3 am! boat house outings, and all the other things! <3 you are like a brother to me! and will always be! sorry for arguing over movies with you, but i guess those conversations are fun! I miss you bro! stay in touch! looking forward to more movies at your home theatre after this lockdown thing! love you <3

Saksham Khandelwal : No hoppi before you graduate :/ That's the saddest thing in the year XD. Hope to meet you soon. Get back on instagram plis :/
