**Krishna Wadhvani :** King of Amloh.. Abhay Amloh Jindal!!! From your wild antics (Aerodynamics quiz, your 1st Goa trip antics, paying fine in Sunny multiple times, slap bet, your 2nd Goa trip antics), people (Naman) making those antics 10 times more while telling the stories and your "convenient" drinking rules for not getting drunk and then eventually ending up heavily drunk while exactly following those rules, you have been one of the more interesting characters in the institute for me. I will definitely miss our innumerable outings and hangouts♥. #DuaLipaCrazies #TennisBois #CS748 #SchoolBoys.

**Naman Aggarwal :** Prince of Amloh, Abhay Amloh Jindal 😂Now that I look in hindsight, my IIT life would have been very different without you. There was this instant Punjabi connection with you! You are one of my closest and best friends, I will not forget the innumerable drinks we've had together, 2nd year main H4 main kya tamaashe karte the hum log tere room pe bhand hoke. Booking that Dua Lipa concert at 3 in the night jab next day subah 9 baje HS/ES ka endsem tha and kucch bhi nahin parha tha will remain one of my most cherished memories of college life. That night out and heading straight to the concert after the exam! That one-way roadtrip to Goa ♥♥Brothers for life man!

**Bhatt Maulik Chunilal :** Jindal sirr, The to go person for literally every problem in my laptop. Bhai kya gajab smart aadmi hain tu. Tere jitne kam efforts lagake itna machane vale bande bahot kam dekhe hain. Har situation mai ek dum chill. Tereko infi gussa hote hue bhi dekha hain, sirf time-table mitane ke liye I-card kaun todta hain bhai XDD, a lifetime memory! Be it ordering food or going outside for dinner or movie tu hamesha ready rehta hain<3. Tereko Sameer hill pe le gaya vo resume point bana rahega mera:P. Also, 1 week aur mil jata toh pakka sikha deta swimming ;) Will miss our discussions and seeing you sleeping on my bed after drinking too much. Tereko pareshan karna infi miss karunga. Stay in touch bro!

**Yash Kothari :** Yo Jindal boi. Aalas ke chakkar me ek sandal aur ek chappal kaun pehntaa hai :p. Bhai apni ye chaar cheezein to nahi bhul raha me. 1) Khandu ne kaise hume Foundations of ML course pass karvaaya tha. 2) That discussion between you and CP which ended up making each of our room wet. 3) Imagica waala kaand jisme binaa bataaye bag leke nikal liyaa wahaa se jisme sabke phones aur chasme the. 4) Codejam me do baar participate karnaa aur 2nd round me giveup maar denaa :p . Baaki coding me to kaafi machaata hi hai. Contact me rehnaa.

**Arjun Rahar :** Jindal boi, we have so much in common and still so much uncommon 😊. first yr mastiya kaafi lit thi apni( specially xlr8). 2nd, 3rd or 4th yr aaya or hum neighbours hi rahe, i think I am lucky I always had my close friends in my neighborhood. Teri optiver ke lie prep was worthy Of praise , isilie kaafi lagi thi dil pe uss din. But jlr came as saviour 😊. Obviously tere se to milte rahunga bhai. Last me ek baat khaunga. I don't think anyone can stop that Abhay who have decided to focus on a task. He just becomes unstoppable that time. Keep that force in you forever 😊😊

**Pujan Biswas :** "Arre abhi nahi...chodd yaar pi hi leta hoon" Yaad hai woh CORONA ka pehela sip mere aur Khandu ke saath hi liya tha. Galti kardi kya? 😂 Tonsils ne tujhe 8th se 6th floor tak kettle maangne ke liye utha laaya tha and that is the last time you left your room 😊NSS ka presidential project toh accha hi jaa raha tha nahi? Aur Khandu ki gaaliyaan churana bandh karde bhai. Subtly Sule ki RG karne waale mai se tu hi tha, yeh Kothari ko galat inzaam jaata tha humesha. Ab jahan bhi jaana, atleast kaam pe chale jaana, waise WFH ka mahaul hai hi 🤔Baaki bhai tu kaafi chill & smart hai yaar. Startup ka idea jalaye rakhna. Deadline ke jaise mujhe bhulna mat bhai. Yours, Bisso!

**Ayush Dubey :** Kya joyous the humare outings! Highlight kar deta tha tu by going the extra mile :-p. Bhagwan nahi chahta main treats du isliye sab band kara diya jab tumlog force karne lagte. I wish we could have gone out on far more parties and outings and trips, especially Imagica vala. Hopefully future me ban jaye baat luck se. Nahi hua toh billionaires banke Netherlands chal lenge for research purposes of course. Your legendary slap to Naman shall always be remembered, future me try to replicate it again :-p. Tere extra mile ke bahut fun memories hain. Aage bhi milte rehne hasne dete rehna. This is just the beginning of a long journey! All the best!

**Atharva Khandait :** Aur #\$\$#&@\$%&#@ :D. First year mai almost har raat canteen khane jaate the, teri har baarki cheese maggi aur franky. Saala tabse hi pareshan karna shuru kar diya tune mujhe. Tujhe Sunny mai pehli baar pilaya uske liye you're welcome :D. Uske baad to 2 saal tujhe room pe jhela maine. Puri raat raat bhar koi kaise phone chala sakta hai merko to nahi chamka :p. Aur to infi harkate ki hai 4 saal mai peeke/na peeke, including vomit/not including vomit. Aur bhi karte rahenge. Aalsi to tu infi hai par jab kaam karta hai to bohot efficient bhi hai. I hope tereko mil jae koi kaam jo karne mai tereko maja aye. Daaru peene mai itne natak mat kiya kar. Aur to akhri Red Room session abhi baaki hai :D.

**Rohan Kaushik :** Jindal sir, gzb banda hai tu bhai. From you new year sunny shenanigans to going sober for God knows how many months, extremes pe khelta hai lol. Baaki teri stories toh Naman sunaata hi rehta hai, albeit with some mirch-masaala added. Tum dono ki mess vaali slap bet was the best! All that aside, respect infi hai bhai tere liye, jis field mei interest usme toh insane machata hai. ITSP bhi dono ne hi khatam kiya tha, baaki members toh dheele pad gaye the :P. All the best for Jaguar man, I know tu udhar bhi machayega.

I'm sure each consecutive time you'll read this in the future, you'll have achieved greater and greater things. Mujhe tere secret cash stash mein se treats dete rehna.
