Sourabh Surage : Yrr Sachit... I still remember our press conference.. kya machaya tha apn ne.. and thanks for always helping me out with all the things that I asked you ... (intern se leke credit card tak .. haha) Always stay as cool as you are... keep in touch

Kushal Agarwal : Sachit! Placements ke time toh yaad rahenge 😊 jab har jagah log tension mein hote the tab 7th floor pe hi relief milti thi 😊. Thanks for all the tips before placements. Also, apke sath poker khelne mein bhi bahut maza aya. Agar Morgan Stanley apko chill karne ka time de toh zaroor milenge!

Ganesh Chelluboyina : Yo Sachit! Been quite a while but the memories of two great TFs with you are still fresh. You helped me realize I was capable of doing quite a lot more than I thought I could. I recall how you got me to moderate a press conference in spite of my protestations! As a senior, you were always ready to give great fundae and advice. All the best and keep in touch!

Aniket Ranade : Hello Sachit yaar, aapko dekhke darr hi jyada lagta hai abhi bhi, tarnished memories maanlo :P. Thanks for being the voice of reason. Treat to aapne hi plan karna seekhaya. uss din aapne ek baat kahi thi mujhe abhi bhi gussa hai thoda uska matlab itne kam standards hai hum sabke aisa kaise laga aapko? well aapka intuition sort of sahi hi tha (AA ko gaali infi) Catan khelte hai Kala ko harana baki hai yaar.

Vedarth Choksi : Yo Sachit! Aap mere manager the aur rahoge. Aap ke liye bas respect hai dil me 😊. I am really happy how things panned out eventually and grateful for your behind the scene support! Thanks!

Adarsh Rathi : Sachit, thanks for being a motivating senior and a supportive TF baap(yes, you were). Kala aur mere team wale apan dono mei similarities batate hai(gusse ka and baap ch**n ke liye), achhi chiz hai to me :p, placement time mei help karne ke liye thanks and I have already said, aapko dekh ke bahut motivation aata tha placement ke liye. Bahut khushi mili thi jab aapke dream mei selection ho gaya tha. CFA ke fundaes dene ke liye shukriya. All the best for ahead and keep in touch and keep motivating.

Sarthak Nijhawan : Mr. Sanchit! Damn, Fin Eco was fun man! Trust me, the day you get your degree and graduate unscathed from EE, boy! I'd be relieved. The perfect mix of a passive aggressive personality and sheer genuineness at heart. Here's to those non-stop elec (& DDP) rants, MATLAB (tut) sessions, lefwing-rightwing debates, that 1st-yr ITSP fiasco, you persistently pinging for help with ur py-code, u becoming Sanchit, finance wale discussions and obviously, that ONE bowling match (we were still better than our noob counterparts :)). Always stay that calm and composed smiling chap free of all ur repressed pains from EE:-P. I am sure u'll nail it at MS. Investment advice de dena. See u around dude. So long..
