Yash Shah : Khatru gaane banate bhi ho, speaker pe bajate bhi ho aur unpe naachte bhi ho — wing k all-in-one entertainment package ho aap. Playing volleyball with you in the centre and me at the nets was lubb, and yess, saari matches yaad rahegi ♥. Last sem me DoTA ki character skins dekhne me maza aaya tha 😊. Placements k baad wali Goa trip was fun, and subah wali road trip with your left-tilted steering wala vehicle was both thrilling and hilarious 😂. Aise hi music banate rehna aur mujhe bhi tips dete rehna. Bangalore me touch me to rahenge hi, and all the best for your future endeavours! 😊

Anmol Singh : Nachaniya! Starting from our freshie group dance, you've always been a great fun person to hang around. Yaar terese literally insti mein sabse zyada relate karta hounga mai academically and now i wonder whether this is good fact for us or a sad one😂. Anyways bro luckily our last year interns brought us even more close and ab dekho hume, kaafi khatru maze kiye hain yaar humne saath. Nandi Hills! Bangalore! Lonavala mein waterfall mein maze! Marine Drive tak cycling! But sabse mazedaar to late night (rather early morning) taash sessions humare😂. And haan abhi to chai banana bas chalu hi hua hai😊. Love you Sautele♥ (PS... tu galat engineer ban gya😊, music composer ban bhai tu to 😂)

Debanjali Chatterjee : Yo Harshwardhan! So true, we caught up at the perfect time right before lockdown :D Tum kaafi interesting lagte the mujhe, right from second year. And your sound mixing skills are just wow! I really like your simplicity and of course share your love for walking (one last time raat ko insti mein walk kar bhi liya humne, thankfully :D) Stay the fun person you are, all the best for your future!

Shubham Anand : Bhai I think we had a good time together, though not much 😊. I found you way too chill and easygoing which is not easy to find these days. Keep up your good work in music and keep making remixes and other cool stuffs. All the best for life ahead 😊
