Abhishek Rawat : First of all you're welcome for making you into a much better person as compared to the Dork you were in the Beginning.....Damn man we have soo many memories be it the Vada Pav from Swiggy xD, making those stupid deals with me and winning everytime or maybe roasting each other in which u lost every time.....I just cant imagine a day now without going to your room talking our shitty motivational conversations getting pumped about life, or maybe manipulating you to order food everyday xD..... I have learnt many things from you which will stick with me for the rest of my life.....You helped me a lot during the insti time which was quite a painfull time for me most days.People still think you dont help anyone and thats on your poor sense of humor xD.....I believe in you about that island dream just keep that Fire inside you Might Gaii and one day you will reach Kakashi.....I know i will stay in touch with you and we will keep having those stupid convos where we try to diss each other's theories on which characters we are.....Really Gonna miss roasting you and really gonna miss triggering people with you especially the hopelessly romantic wingie whos name shall not be revealed xD.....I really hope you stop being a cheap ass nigga and start spending some goddamn money ur rich af now.

Syed Zakiuddin : Chindi!, Island freak, Apna Sapna money money!. You came late in my insti life but what to say der aaye par durusth aaye. i would suggest to sarc to have profs account as well so that chindi can share his memories with mehra. You are very dedicated and hardworking man. I hope one day us wingies will go on a trip to your island. you have always been very supportive and kind to me. Love you! take care!

Yash Kothari : Hii Chindi khaata bhindi. Reso me to tu ekdum maggu aur seedha bachcha lagta tha. Insti saath me aaye tab pataa chala ki tu maggu to hai hi, but saath me utna hi fun loving aur funny bhi hai. Bhai NCC ke time kitne maze kiye yaar. Chats to hamaare insane hai hi but so is the bond that we share. Pata nahi kitni baar tujhe teddy samajh ke maara hai and you don't even mind. Yaad hai beech me 15 din continuous gym gaye the saath me, usse jyaada to hum dono se nhp. Yaad hai uss din tennis ball se kaise FootballI khele the. CS minor ke wo course me pass karvaane ke liye thanks. Kabhi saath me Akhil Sir ko milne challenge and tu Surat kaa hi hai to milte to rahenge hi.

Rohan Garg : Chindi bro! Tu mast banda hai, except those times jab tu ekdum idiotic baate karta hai (like that one time when you said you are better than me in TT). I will always remember you as the company-drohi who diverted to GS and robbed me of the opportunity to take more TT videos of you :p Milenge to zarur, tujhe ana padega (hopefully) convo pe, and we will have the showdown

Arjav Shah : Chinduuu! <3 "Apne island pe 'helipad' jaroor bana lena" ;-). From knowing each other not so well in 11th to being roommates to becoming great friends, we've come a looong way! I'm blessed to have had you there every time for pulling me up during rough times to always chaddaing me so much and telling me that I was doing fine xD We've bothered each other so much with constant rants...thanks for patiently listening to them. Your drive, grit and humility are contagious. I really admire you for always speaking your heart out and will always be proud of the way you've fearlessly admitted, and beautifully overcome your mistakes and weaknesses. Immense respect, Sir! "Kya be humne to JEE ke baad se kuch nahi padha aur tum to apne section ke topper ho. Chal ab treat de!"...Has someone unblocked you on FB yet? :P Postcards sambhal ke rakhna ;-). and do remember my promise - badi treat(s) jaroor denge ek dusre ko :-). Rhodri, Notes, Dam(n)p, Helicopter jokes, aur Mehra grill amar rahe! Can't wait to be invited to your island! Love, Aapke Baabey <3

Sriganesh N : Yo No-man! I have thoroughly enjoyed our no-holds-barred conversations & sharing & debating our (extreme) opinions about all kinds of issues, & the insults we throw at each other. And those north vs south India jokes. So much so that we have had to move to Telegram from WhatsApp. You provide a sensible view point to help me get over my dilemmas. You are very driven & equally hardworking, but not as smart though :P. I'm sure you'll make a lot of money, but realizing your goal of becoming a billionaire & buying an island is very unlikely. How could you exhaust all resources in Surat?? (u know what). Long live Schulz. It was an absolute pleasure being ur neighbour in 1st & 4th year. All the best

Rushabh Vora : Yo Supandi ya Arturo ya so called "Cream", too many nicks!! Sabse pehle to tu guju nhi hai and tujhe bilkul Gujarati nhi ati hai. It would have been great if tu baba ka roomie na hota, that way we wouldn't have been here 😊. You are very focused and hard-working. Mana ke aryabhatta ne 0 invent kiya but uspe sirf tera hakk nhi hai, TT me 11-0, poker me har dusre din kangaal, Mehra ki quizzes me again 0, APs 0 and now tinder pe matches bhi 0💔. Teri GPL, tere infi roasts (Damp, crush, and about all 0s) were too good👍. All the best for the Island and I will never stop being the type of friend that I am😊. Bangalore me hi hai to we will keep meeting (unfortunately 😊)

Vedant Ladha : Arre roll bhai!! (I think I'm the only one who uses this term lol) Teri lene mein bahut maza aaya yaar, it was really refreshing to see someone who takes it as sportingly as you do. I'm not even kidding, I attended some MT1 lectures not because I wanted a better grade, but because I wanted to see Mehra roast you. I admire how hardworking and ambitious you are, just don't go around punching walls tho pls, thoda chill karna is fine. Bhutan trip was amazing man, esp for you since you tried out so many things that you hadn't before (iykwim)😂😂 Baaki apna start up idea toh kaafi game changing hai hi, try karte hai kuch saalo mein 😊

Himanshu Goyal : I truly don't know what to say. 😂😂 Are you an arch rival or a trusted ally? Prashit Jain : Aur Mehra ki r**d*, Supandi, Namuna, cream kitne naam lu aur tere but bhai sachi mai jitna maza teri lene mai aya hai utna to aur kisi mai nhi and fyi no you are not better than me in tt and you are not smarter than me. Still bhai tere jitna selfless banda nhi dekha maine kabhi, thanks hamesha help k lia and stupid doubts clear karne k lia. Tera overconfidence tt mai ki hara dega muje even when tune pure 3 saal mai bas ek baar haraya ho muje ya tera exam mai full marks lane ka(still mujhse kam hi the tere). Placement sem mai tera gs ke lia itna rona, diwar pe maarna, apple seeds wala idea(which i was rooting for btw) and finally hone k baad gpl🥰 lena!! Apan milte rahenge Bangalore mai!

Abhishek Singhal : Hey Chindi bro!!, Yaar apni ache se baate to same lab group se hi start hui. Apna lab grp was not perfect but yaar labs tere bina jhelna bahut muskil hota. Bhai tu end moment par kya sahi hypthesis likhta tha. Aur saale kitne natak karta tha kaam karne mai(meri handwriting kharab hai :P) aur Mass transfer mai AP lane ke baad bhi mass ki calculation kadam se karwata tha. Aur tera extra effort viva ke time, jo hame hamesha marwata tha(remember KVV Viva :P). Sudhar ja aur hamare pass abhi bhi tera video hai Taj treat wala, Bangalore mai treat chaiye. Aur Bada aadmi banne ke baad hame bhulna mat aur thode paise kharch bhi kar lena!!

Vipul Ramtekkar : Namooona!!! Yaar kisko chidhaunga mein and kisse compete karunga ab xD. Chemical was soo much teri wajah se. Classes mein kya mazha aata tha xD. Tera dedication and hard work is next level and Goldman mein toh hona hi tha, meine toh sem ke start mein hi bola tha and end tak bolte raha even on day 1 ke raat ko bhi! Hazaar baar bulao toh ek baar aata tha but it was so much fun! Saare outings mein bohot mazha kiya hai. I hope tere island ka dream complete ho. I hope that we meet in near future itna plan toh kiya hai dekhte hai aage kya hota hai. Stay the same, and keep in touch!

Ayushi Panghal : Hi Naman, I still remember your manager interviews, I had to fight with my cos to have both you and Kushal in marketing. I believed in the both of you from the very beginning and I'm so glad I did. You guys were not only fulfilling your *POR* duties but were fuelling my dream and you guys made me so proud. Your simplicity, humility and zeal for doing things is contagious and I have seen you grow so much throughout the tenure. With the kind of person you are, I am sure you'll do great things in life. So many treats and talks pending with the three of us, happily looking forward to the times to come. I'll always be a text away, lots of love, ayu. <3

Kushal Mittal : Namun! Yaar it's been a fun journey alongside you. Tenure mai infi seekha and machaya apan ne and it wouldn't have been possible without your dedication and zeal to achieve the impossible. Your perseverance is amazing man, i am fortunate to have gotten a chance to work with you. Thanks for tolerating me and my "habbits" i know it must have been difficult for you and constantly ranting about them too :p Kuch random philosophical chutiyaap discussions se leke tere life goals tak hamesha mazaa aaya hai tujhse baat karke :p Apni bhutan trip lit thi, thanks for planning it out when i was sleeping instead of helping you xD Looking forward to meeting you, never give up on your dreams <3

Yash Kadam : Chindi bro..... insti me tere jaisa koi nahi tha yaar, helping others by not helping! Charan kaha hai aapke? I was the most trusted lab group member 😊 Kafi tang kiya hai tujhe maine, and I'm not sorry for that 😊 Tera extreme stressed and angry phase aur ultra chill and carefree phase, dono dekhe hai maine. Tere saath anime aur movies dekhna hamesha yaad rahega mujhe. Most memorable day: your placement day. That day was a literal roller coaster ride for you man. Hats off to how managed through that day. But in the end, teri hard work aur determination rang laya. Mujhe apne island pe invite karna mat bhulna, and add a little hope in your life. Renrakuwotoriau!

Shashank Kumar Sahu : We were enemies in the 1st year jab tu Bhaau ka competitor tha FR ki post k liye 😊. Left wing me tera aur Bhaau ka SOP box aka roast badhiya tha. Kya sapne dekhe the tune 2nd year me slim hone k 😂. M accha trainer hu to mujhe blame krna band kar. "It's not me, it's you" 😊. 2nd floor k corridor pe endless faltu k discussion humare... Tera IE minor complete krne k motivation ka secret safe hai, not many know that side of you I guess 😊. All the best for your future. Tu definitely accha krega with the dedication you got. Also, 250 rs. G-pay kr dena kyuki tu patla to hone nhi wala. Pura bharosa hai tujhe 😊

Raj Gautam Kumar : Chindi!! IPL(Insti Plays Ludo) organiser. It was fun with you and Kothari to organise it. Yaar summers me tere wo billionaire banne ka plan 😊 I hope jaldi bane tu. You are so dedicated to your future, jab bhi baate karo kuch plan kar raha hota hai. R**** r**** kam kar de ab. Stay in touch!!

Bidish Ghosh : Abhyuday tenure se pehle to apni kam hi baat hui thi - you were pissed at me for being a bad CR :P but apna Sameer Hill trek kaafi awesome tha first year me. Looking forward to vacationing on your island in the near future! :D Keep up with your dedication and hard work man
