Rachana Meena : haa.. aur bataoo?? Aapki daat nhi bhul skte, apki daat k bina shayad ham itne disciplined bi nhi hote kabi. NSS meets were super fun XD XD It was amazing to have you as a Head. Aapke jitna NSS enthu wale bahut kam log dekhe hai, the belief and passion you have for the cause is amazing, and it definelty kept us going. I was personally quite inspired by the same. Kafi nayi chize ki apke sath tenure me, thank you for trusting. Being a sophie jise kuch nhi ata tha, have learnt a lot from you. Thode kam serious ho jao bas. Ek EO reunion bacha hai , please execute karte hai vo! Hope we stay in touch, cheers! XD

Tanya Gupta : Brooo! I clearly remember we first met in that Autodesk session for our RPD course, where we bonded instantly and watched Tom and Jerry on your phone! Remember how I freaked out I was after it started showing up as a suggestion on my phone despite us watching it in yours?😂 I was convinced they were tracking me (Yeah I know they do, but knowing and seeing proof are two different things :P) Gonna miss sitting with you in class or meeting you randomly in insti and catching up. DD year and placements and future ke liye all the best!

Kavya Bhandari : From being confused by your weird unreadable expressions in our initial AA days to bonding over relationship troubles and numerous after-party nights at energy, somewhere we became great friends. Let's see, our highlights - let's go mall hopping, let's start a book club, no let's start a jamming club, let's have all the cocktails at Havana. I loved working with you during my tenure, and I've always enjoyed your company. Going to miss our group of 4 NSS AAs, you taking digs at Yash's PJs, somehow we just fit in so well.

Asha Kumawat : 2nd year intern day1, we met for the first time and didn't really talk na? And then 2 Saal baad abhi, kya kya nhi pta apan ko ek dusre ke baar mei :p (psyche mei aese hi thode na top aate). You are probably the coolest BC I know (lol). Movies (<3), games (bhot Ganda khelta tu sab par koi na), treat (and mini treats), kafi happening raha apna friendship. I love this dialogue of yours "yaar nasha nhi krna and then thik hai ye last hai iske baad bilkul nhi" and then crossing all the limits (lol hmesha). I'll remember our fun times at Energy, Gullu, Canara ATM(lol), canteens and you ignoring me outside LCH (lol whatever your reason is) :p. You hating Maggie & Aamras is unbelievable.

Anupradiksha Rajan : Yo co-intern, intern mai mujhe apne pg tak hamesha chodne ke liye thanks. Aur HAL museum wale trip me mujhe yaad rakne ke liye bhi, although uska koi fayda nahi hua😞. Aur intern me tujhe pata hai Mene aise hi pareshan Kiya koi secret ke liye, Lekin maza aaya. Tu hamesha mujhe infi serious aur mature lagta hai. Aage bhi machana, All the Best!!!

Aryan Aryan : Ek pal me waqt badal gaye be! To tum the wo! Faaltu me hi main Kriti amma ko blame kar rha tha😞. But ig that prank will make the Ooty trip memorable for everyone😂

Devesh Garodia : Bhai, long it took for us to realise that apan same city se hai :p, from being the Maggu of the wing to being the Machau of NSS :p, we saw you. Stay Happy, Lots of love to NSS :p Wish you happiness and milte post lockdown

Sigireddi Yamuna Devi : Prank call to mast karte ho, and finally bhut time ke baad achievement bhi hogya, but aage dekhte h na aur kya kya karte ho XD
