If you could pack up a bunch of things from the institute to keep with you forever, what will those be?

Atharva Jaipurkar : Shreyash bhai, Tu shayad un kuch logo me hai jo dusre dept walo ko bhi padha sakte hai 😊 I remember tune meri endsem ke 10 min pehle faat se ek refrigeration cycle ka que solve karke diya tha, and wahi que exam me agaya tha♥ Tere sath gym me bhi maza aya tha! Aur daal pite dekh bhi feel aai thi 😊 Waise hi exercise karte rehna! Mast fit hojaega re tu 🏋️ Hope ki teri crush miljae tujhe aur malhar teko stalk karna chod de 😊 Take care man!

Ganesh Chelluboyina : Having nearly adjacent roll numbers, we'd cross paths frequently in classes, labs and crib sessions when papers would be handed out roll number-wise. Many times, we would exchange notes and solutions in the library. From our very first lab (ME113) to the last one (ME441) and all the ones in between, you made those dry labs survivable for me. Ever modest, hardworking and always a helpful friend you were. All the best!

Veerupaksh Singla : Areee chachha! Kitna sorted hai re tu first year se hi! Hamaara Bajaj ♥. Hamesha se polite and helpful hi raha hai! Final year me to apna interaction badh gaya alag hi! Aur tere subtle comebacks, pata bhi nahi lagta kab uda deta hai logo ki 😊. Stay Happy chachha, baat karte rehna!

Kushal Agarwal : Shreyas!!! Bhai tu kitna shant tha 1st year mein, and dekho humne tere sath kya kiya, final year mein aake logo ke darwaze todne laga 😊. Tere jitna sincere insaan nahi dekha jo final year mein bhi subah 8:30 ki class jata tha. Tere notes se toh aadhi mechanical dept pass hui hai. And tere subtle comebacks 😂😂. Buddhe ko pareshan karte rahenge and ha, Love you bro!♥

Sumanth Kandala : Likhaaaaaaarrrrrr!! Mujhe pehele se lagta tha ki tumhaare group mein Malhar Bhai ka raj chalta hai, lekin tujhe mil ke samajh aaya ki asli baap kaun hai! Thanks yaar for the "Gyaan" jo tune apne final year mein baata hai, inhi kaam aaya. Kabhi time mile toh VC pe bhi lecture rakhna :P. Zaroor dekhunga! And this goes without saying, but exams hue toh IE 504 padha dena bro!

Nautatava Navlakha : Chachaaaa! The one jo inhi kam bolega lekin bolega to sab chup baith jaayenge. Yaar kaafi polite and mast banda hai tu. IE ke courses ke liye last moment pe tere paas aana, first year se final year aa gaya, lekin you're the one person who's never been less sincere. Ab gym bhi jaana chalu kar diya hai, kitna machaoge chacha, always be the same guy you are! 😊

Bohra Ankit Narendra : Shreyas bhai...humlog ki pehchan intern season mein hui thi but tabse friendship bahot badhiya rahi hai...lectures mein saath mein baithna...chote chote conversations...kaafi random baatein...sab kuch yaad rahega. Mujhe late pata chala tu shayari bahot achi likhta hai. Tu bahot zyaada shaant, sweet, innocent and helping hai bhai...always responding to my doubts, always ready to help. Placement ke time pe coding ki baatein😄 and baaki sab prep bhi discuss krna...placement ka rona...sab bahot sahi tha yaar. All the best for future bhai...future mein bhi aise hi machate rehna and always be the same! Stay in touch!!

Malhar Jadhav : Yo Shreyas bhai!! Apne wing ka inhi joyful, passionate, helpful, hardworking, course notes supplier (savior). You really have a big heart. Mere jaise nikamme wingies ke sath tune projects and labs kiye (except for few because you had your personal interests 😊). It felt really good to find someone like you with whom I could connect so much. Won't forget those discussions about future plans, not so happening social life and strategy to make it happening 🤔. Thanks a lot for being there for me unconditionally during the placement sem. I really admire your passion for the things you do. I hope future mein tere notes ka distributor banane ka aur ek chance milega 😊. Aise hi machate rehna!!

Arpit Kedia : Placement waali raat ko beech raaste pe apan paagal ho gaye the, ki ho gaya finally, and koi toh hai saath mein aage. Placement aur intern mein kam hi log the apne jaise jo core non-core har jagah aajate the xD. Tandaiya Sir waale vivas unforgettable rahege xD. Bilkul all-round package hai tu, sincere, funny, soft-spoken, aur teri shayari ke baare mein toh ab pata chala hai! Koi na, ab job mein suna dena! All the best :D

Kartik Bilolikar : Shreyas, your ever cheerful and jovial attitude is something that I always look up to. I am glad that I could be a useful sounding board when it came to discussing all kinds of things |^_^|. If you ever think that I could be of some help at any point in time, I'll always be a door knock away :D! Best wishes for all future endeavors!

Nishant Sunildatta Ganvir : ik dost aisā ho ki mirī baat baat ko sach māntā ho aur zarā bad-gumāñ bhī ho The Baby Faced Assassin Shrey(aas)[ykwim]. First year me aaya dara dara sa aur final year me log tujhse ulajhne me darne lage. kya comebacks hai tere. Kya se kya ho gaya tu dekhte dekhte. Amravati wale logo ki baat hi kuch aur hoti hai. Life me tere se zyada cool banda koi ho hi nahi sakta. Ek tu hi tha jiske wajah se mujhe pata lagta raha ki quiz ya midsem/endsem hai. Aur tere notes ne to mujhe marte marte bachaya hai. Placement ke time bhi kaafi help kiya tu. Mujh jaise gawaar ki madat karne ke liye tujhe jitna bhi thanks bolu kam hai. Thoda life me aur chill karna sikh le, zyada tension teri personality ke liye thik nahi. Aur teri poems ke baare me kya hi bolu mai. Uss bandi ke pyaar ne tere andar ka kavi dhundh hi liya. Aise hi uske updates dete reh aur gym wali ko bhi mat chhodna. Tujhe bina ticket paper par wapas le jaane ke liye sorry rahega humesha xD. Bas itna hi hai jab bhi platform 17 pe train pakdega to 18 pe humesha rahunga mai (guru ke piche hi rehna padega humesha). Baki aise hi apna aashirwad banaye rhak aur tatto se dur rehna xD. Jai Vidarbha!!

Pune posting ho toh bhai se milne aate rehna. 1st yr main bas acads ke liye interact karte the. Tu hamesha woh black aur red wala tshirt pehen ke aata tha lol.
