Anugya Singh : Hi Bhavesh! AIR 2, is there anything else needed to know you?? I think not. I still remember those big posters of yours I used to see in Kota and then meeting you in person. You are one of the seniors that I have respected from the bottom of my heart and I can't thank you enough for all the fundae, pep talks and the walks. It really meant a lot to me to shape my insti journey into something meaningful. You're very sweet, kind and helpful. Stay the same :) All the best for your future endeavors -Anugya
