Swadha Sanghvi : Yo Bakhsh!! Stud rang convener ke taur par mile the and ek dum coolest senior ban gaye with time. Rang sessions were always lit because of people like u! Aapki UIUC ki treat bhi baaki hai! Milte hue jana

Shantanu Thada : Mech ka OG DR1 and Cryo king! You have proved that whatever goddamn thing you take up in life, you are gonna absolutely nail it!! Department gossip karne me infi mazaa aata thaa yaar. Aur waise apni abhi bhi band nahi hui hai XD. I wish you the very best for grad school!! Baaki toh UIUC macha hi dega! Looking forward to visit you in the states too! <3 Stay in Touch bro! Convo pe jaldi milte hai <3

Aradhya Agarwal : Hi Bakhsh! I've got to start by thanking you for always being so approachable and helpful. And I still remember jab hum log, apse and Goyal se convener groundwork karne aye the and after 20 minutes it had transpired into "Life ke fundae ka session" (those were your exact words :P). Thanks again for all your advice and support (especially during this year's dp campaign, oops let's not go there :P). Will really miss you in the club. Taj treat is pending :')

Also tera research ka rona sunke dil ko bahot accha lagta tha :)) reminded me that I am not the only one whining about it. Have a great career in research mate and enjoy your life at Illinois <3 Also yeah feel free to whine again because boy you are gonna and there is an old saying that 'you either drop the research or live long enough to become reviewer #3' Wish you the best :D

Aniket Ranade : Are hello re. Mast insaan ho yaar aap. Socha tha iss saal hostel mai hi rahoge saale 18 valon ne scam kar diya yaar. Milte rahenge

Razi Ansari : BEST MENTOR EVER 💙!! Freshie year se hi kaafi inspire hota aaya hun aapse. Koi bhi decision Lena hota tha to ek baar aapse zaroor puchh leta tha, aur aapke suggestions infi kaam me aate the. Thank you for being very helpful and informative!!!

Ashutosh Kumar : Heyyyyyyyyyyy Bakhsh! (Imagine this the way I say 😊) Aapke saath start ke encounters(Convener grndwrk and Rukhsat retro) ke baad toh aapse darr hi lagta tha aise kaafi serious bande types lage the aap but phir club ka Freshie hone ke wajah se by-default aapka coordie banna pada 😊 and phir I realised mere CG kitne machau hai _^_. Like really one of the most inspiring and jinke liye respect feel ho waise senior ho aap. Har jagah machate ho aap. You have been very helpful all through insti life be it club related ya koi bhi fundae lene ho. Humne jo US ki club-trip plan ki thi woh karte hai kabhi. PS-Aap KD OC bane hi nhi!!!! Insti ne apna best KD miss kardiya 😊

Nandan Prince : Bakhshish Preet Singh Mangat, my first friend in Insti. There's no need to write anything for you but felt like sharing. You're one of those friend to me jisse mai kabhi bhi kahin bhi milna chahunga in future. Even though you're not as good painter as I am and you don't have any sketching skills like I do but phir bhi dost hai tu mera aur humesha rahega :P :P :P. Kabhi bhi apne aap ko mere se kam mat samjhna :P :P. I've always enjoyed your company, mazza aata tha session me tere sath, though I never liked the gossiping side of yours but everything else overshadowed that. Bas itti si baat thi. <3

Sarthak Sharma : Liability Bhrata Pranaam _/__ Emoji wala idea rehne dete else 10 saal baad jab hopefully aapki padhai over ho jayegi aur aap ise kholke dekhoge toh bhaari regret hoga xD MMC jaise mahaan sanghatan mai aapke sath karya karke mera jeevan safal ho gaya. Humne Covid jaise kayi missions ko successful banaya hai and aapki kushal karyasheli ke charche sab jagaha hai. Apne US wale dope plan ko yaha mention nhi karunga else aapko dusri party ko clarification dena hoga! Travel vlog ko bhi nhi xD MMC ki group performance hokar rahegi! sath mai Sir Jesselnik ka show dekh kar apne guru ka aashirwaad zarur lenge! apna lifetime MUBI ka joint acc ban gaya hai !Baaki baate apni wali YB par <3 Aapka Anuj <3

R Sucheta : Hey Bhakshhhh :P Sorry for being a horrible coordie and jumping off to Team Web :P But nevertheless, creatives forever. <3 Baaki toh you are a very funny, cool and smart person who also takes care of my bestie <3 :P And who likes stupid anime like one piece XD Hope the group stays as energetic as it is now :P And all the best for your PhD!

Bhuyashi Deka : PM <3

Sumukh Vaidya : Hello sir! Apna kafi interaction nahi hua, but I did enjoy a lot jitni tujhse bat hui. You're a chilled out and hardworking guy, and kaafi respect for that. All the best for the time ahead!

Pranav Thakkar : You seem like a stand up dude, I wish we would have had more interaction. I love your dry humour on social media and you seem like a real man of culture. I remember this one time when you, me and Kunal Jain were the only three sophies at a cult awards meet that lasted till 7 am xD all the best for your future!

Sai Aneesh Suryadevara : Bakhsh bhaiya!! Seriously our wing is really lucky to have such a machau mentor like you.....gonna miss those late night chitchats in our wing...you are such an inspiration and thanks for all ur advice😁....hope to remain in touch😁.. All the best for your future!!!

Raghav Khandelwal : Hi review meet moderator! Still remember that gw and that meet! 😊 But kaafi help ki he apne hamesha hi. It's always fun talking to you. Infi discussion kiye he apan ne specially for those club issues 🤔. Just one thing thodha kanjosi karna kam karo and kabhi tho treat de diya karo. I wish us din hote to probably thodha jayada bol pata😁. Baki life me to aap machaoge hi as usual ♥

Sanket Agrawal : Jitni baat tenure main nhi kri utni tenure k baad kri hai xD :P
Thanks for helping me post OC sem and post placements too xD And mar ja for
being the worst reactzoner and seenzoner ever.

Ganesh Chelluboyina : I first met you by accident at the start of final sem in
Atrey sir's office, and we had a friendly and lively conversation. I've felt since
then that I should have known you earlier in insti life. Thanks for being so
approachable for advice and help, both as a senior and TA! All the best.
