Ayush Puri : The most sincere guy I have met in insti is you. Never change being fearless and never stop taking chances. Bas thoda chill karna bhi seekh lo 😊

Kirtesh Ajay Gadiya : Gawd of our department. Do you remember our pact of coming to CEA seminars in near future? Just enjoy in California!

Somansh Chordia : Of course team Shunya yaad hai, I don't think anyone can forget those days 😊. You are one of the few people in insti I look up to. The simplicity, sincerity and dedication with which you do any job is amazing. And tu bohot humble hai. Haan ice cream toh mujhe bhi abhi yaad aayi. Us garmi me it meant a lot 😊. Bas aise hi hamesha ki tarah machalte rehna. Will be looking forward to watching you do great stuff. All the best 😊

Bhishma Dedhia : Initially knew you as Premu and Prabhat ka "Shunya" vaala dost but was lucky to know you in the latter half of insti life. Mess mein baithkar apne lambe discussions kaafi yaad ayenge. Had fun ranting about GRE and dissecting the grad school admission process in 7th sem XD. Bahut machaata hai tu and grad school mein bhi machayega! US mein paryatan ke plans banaate hai :p Keep in touch!

Onkar Kanthale : Civil ke GOD !! VIDYA VINAYEN SHOBHATE yeh vichar tum per 16 aane lagu padta hai ur knowledge of the subject is commendable !! muze 4 saalo me koi ek course yaad nahi aarha jiska doubt maine tumhe na puchha ho and koi ek mauka nahi yad aarha jab tumne koi chiz batane se mana kia ho !! Jindagi me SADAGI agar kabhi pehli bar dekhi to wo tumhare paas, STANFORD me bhi aage rehna bhai, Best wishes

Ujjwal Kumar : The coolest DR1 of insti. Bhai you are a true stud max. Jo bhi bakchodi bolo sbke liye always ready n still somehow exam ke pehle sb padh ke ready. Kaise bhaiya kaise itna macha lete. True panda hai be tu infyy sona, mast yoga krna aur phir wing me aake rona ;) Aur bhai wo mirzapur n banaras trip was lit and saath me goa 2 baar n lodu ko ditch krne wala trip :p Btw wo tere subah jogging ditch krna was worth, finally last sem me to almost har din baddy khelne gye the, to ab bolna mt ki maine giveup kraya. From DR1 to Stanford, bhai a true inspiration to all. Agar Prof bna to tere under PhD krne wala, mna kiya ya resume manga to maar khayega BC. Aise hin phod dena Stanford jaake bhi. All the best Pandu

Upwan Swami : GAWD. Wing ke sbse mature prani. Tumhare fundae clear hai Bhai. Jaise Insti me machate aaye ho, Stanford me bhi jari rakhna. Nobel vagerah mil jaye toh bhi gareebo ko yaad rakhna !!

Shubham Jain : Hello Sir, the title of GAWD is irrevocable!! You truly are an awesome, disciplined and hard working person. Not to mention a budding artist xD. You have managed your acads, shunya, health (sports), research, etc. without much hassle!! Your concepts in core subjects have always be crystal clear, even though i managed to sail through courses i used to forget them, and didn't understand them much thoroughly, if you remember i sometimes used to ask possibly very silly question to you :P. It was always great to have a discussion with you, whether be it related to research, future plans, etc. Hope you achieve (well i know for sure) your broader goals and lets meet again in the near future..

Ajay Kumar Agrawal : Team shunya made us to connect....u r really a hardworking and dedicated guy...Civil subsytem leader of team shunya...it was good to work with you...haan me jitna chaahiye tha utna contribute nii kar paaya team me..but still I tried as much as I could...all the best for future bro...hope we will meet again somewhere in academics..

Vaibhav Kumar Singh : Yo Arijit/Ronak Bhai, 1st year mein log kafi confuse hote apan dono mein 😊. Kafi sincere ho yaar kaam k leke. Tumhara organised work dekh k lagta kaam aaise karna chahiye agar karo to. And jiss cheez mein part lete(sketching, football, tennis, volleyball, running 🙏) pura effort dete and machate, truly a GAWD. Bhai sketching to seekh he rahi ho, ab Didi ka mast sa sketch banao. Air masti karte kuch bache hue time mein, baad mein to Stanford mein machaoge he, baki bas yahi hai, khush rahein, satark rahein, savdhaan rahein, main vida leta hun♥♥♥

Vatsal Khetan : Agar tera branch Change hogaya hota, idk mai pass kaise hota. Thanks for being the maggu and DR1 of the batch, and dealin with me knocking your door 4-5 times the day before endsems. Bhai US jake bhul mat jana :(

Priyanka Lakku : Hey Ditcher :)♥ The guy who is up for the plans but ditches when the moment comes 😊 Tune jitna bhi kataya ho, I have a huge respect for your dedication and never giveup attitude. I thought DR1 toh pdta hoga bahut and baat nhi krta hoga but yaar kaafi fun person hai tu. Bas thoda chill kr.Terko tang krne me maza aata h. And wo gana (Mary something 😂) jo lab me sunaya wo kabhi nhi bhulugi. Keep up the good work and slay as you always do. I know you have big dreams. Hope you achieve all those. Remember marine drive toh chalna hi hai. Stay in touch and bhulna mat Stanford jaake♥♥♥

Pattisapu Divya : From knowing nothing about you in the first year workshop to knowing a great deal about your goals and your interests, I'm surprised at the transition as it was so smooth and so leisurely and fanned over 3 years. We technically did take a common course this semester however short the sem was or however few classes we attended xD. May our first impressions grow on us (Pride and Prejudice reference, please return my beautiful book) and we become better friends and stay in touch! All the best for your PhD at Stanford _/_
