Sonia Rani : Oye Pandit. I thought of you as some serious sa student when we were in coaching but tu toh kya hi nikla. I am glad that we met. We became friends in first semester and from then you were the person I became most comfortable talking to. The thing I like about you is your straight forward behaviour towards people. I wish I had that too. There are high and low points of anything, we had ours too. But all I can remember now are the good memories. How we used to fight and waiting for the other person to call first. But it was always you first. That does not mean I love you less, but I can keep things in myself for a little longer time. Also, you are a poor pandit. Huh.the word limit reached!

Amrit Prittam Nayak : I know I have a major hand tujhe bigaad ne mein, but I will do it all over again if I am given an opportunity🤔. No matter how hard I try to hide, you always knew whatever I was going through. We separately created hell lot of memories in quad, trio and oct (you know what I mean😄). The best thing about you: You never gave up on me. Actually, that's what defines you. All the best for all your future endeavours. I will miss your short term maturity though. Last advice: "Thoda kam kiya kar jo tu roj karta hai".😂

Neeraj Kumar : Anu, you are the sweetest among all, or should I say chocolaty Boy!You bought smiles on our faces every day. We love messing with you because we love you: we surely do. I will remember reading together, going to R-City, especially breaking your glass door, which we still don't know who did. Kudos to you for tolerating me. All the best for future endeavors; stay in touch.

Harishankkar GK : Such a gentle person you are..u have always lent help whenever needed..thank u so much for that beautiful marriage gift..it always put a smile on my face whenever I see it..u have that never give up attitude in you..all the very best for your future!

If you remember "Hamari ladayi" when we were in the first year, I was very sad for many days at that time,you know after all these things I really like you a lot and that I do not know why ;). I know you are a good person but sometimes being selfish of yours hurts me. you are the person jiski vjy se hmare assignments hote the:) And one more thing I would like to share, your Indiana selection, I was so happy to hear final call for you, I could not sleep that night. Hope will make good bonds with time, Will enjoy in Indiana too. Keep smiling and rocking !! (word limit ^-^

Avari Roy : Annu!.. Buddy! I remember that umbrella flying incident.. and after every class if I see you with a cycle, I be like "Mujhe leke chal!" and you be like "Tu itni moti hai carrier p fit nhi ayegi". You are the sweetest buddy of our class.... such a nice person. I will miss your innocence so much.. And also will miss your trying to make bad jokes and then "Arey maine hug diya yaar". You have such a nice heart, follow it wherever it takes you! and be this way always.. cute, innocent and happy!

You have been a great friend, although a naughty kid, you are wonderful, inside and out, know that many people like me will come and go, but never let anyone disturb that pure, caring, hardworking Anurag. Our friendship was like summer and winter, we could never fit together, but there was always this connection, atleast to me. I am sorry for all the crazy things I did, forgive if possible, and stay connected. You're, and will always be a good friend to me. 💙

Nehal Sadmake : Yo bro! First time tuze dekh kr aisa laga tha "ye hd se jyada padhne wala balak hain". Tere se bat krne me dr lgta tha bro. But later on, I realised you are down to earth guy. I remember your lame jokes and you as a doubt clearer. You were not much active in sports but ypu were always there to cheer us. Everyone has imperfections but the way you work hard to overcome that is truly inspiring for me. Surround yourself with good people who appreciate you. All the best for your future.

Pattisapu Divya : Title: KLA ke kadve sach. Content: On any day, you could see Anurag notoriously adding questionable animations and content to his weekly presentation, followed by mischievous laughter. Then, he would relax for lunch where he'd shower his companion with his opinions about south indian food. Half his sentences would start with 'DU mein naa' and the second half would start with laughter, his laughter at the joke he's about to say. In all seriousness though, it was always fun hanging out with you! You're so full of energy and friendly. I'll miss you very much!
