Himanshu Bishwash : Whenever I need help to impress a girl, you will be getting a call for me for sure! Thanks a lot for helping me shop, buy gifts, come up with ideas and for being my street-smart friend :P You have been my food partner, the first person on my call list when I wish to get out of the campus doldrums and have a quiet meal. Thanks a lot for being an ear to my rants. I hope to stay in touch with you and explore more and more of Mumbai whenever we have a chance.

Shivam Sharma : IIT mai we were friends even before admission. Remember that uncle during orientation, jo humpe bahar hasss rahe the. I still remember, latki shakal and muje baar baar guuse se bolna ki tu kyu nhi tension le rha, that was our first meeting. Tu itni favourite dost hai, tuj pe gussa, or payar dono aata hai. Nautanki. Tere pe gussa kiya, sorry yaar. Best thing is , dono Mumbai. Remember, Manu ki party ka dance. Tere pe gussa kiya Sorry yaar. Archana apna bhai hai. 🤔

More Shubhali Jalindar : Remember our 1st conversation? Mech-spot round, Mein tere "Aap" n hindi se impress ho gayi thi. we were lucky ki aero me mile. Tera black clr ka pyar 🙌 U r positive ray for me. Thnks for motivating n inspiring me enough to believe on myself. U were my strength in this yrs. we were there for each other in good or bad times. tu kisi ko agar dil se apana man le toh friendship nibhane ke liye jaan daal deti. I still remember, sry cake. After every bad dream, I used to call u, chahe wo 3/4 baje ho, then hug karke sone ke liye ana. tere shopping karenge karke 5hrs baad khud ke liye kuch le aana. Will always miss that. Jab bhi man kare tab call kar lena will always there for u. All the best for future n lv u alw

Got to learn a lot from you. Abhi tu Mumbai me hogi, to mere ghar jaate rehna ok. Aur ek cheez yaad rakhna, do what makes you happy. Don't let anyone dull your shine or ruin your day. Make yourself a priority. I love you and always will♥
