Amarjyoti Nayak : Hello Shaquib! For three years you were my roomie. And I consider myself fortunate to have a roomie like you. Your behaviour was matured and not something that really disturbed me. Sometimes we talked a lot and sometimes were completely silent. You were not the roomie who denied cooperation. You were always there to cooperate for the good. And, I also liked your sincerity in work and calmness. I wish you the best life ahead. Thanks.
