

ANKIT KATARIYA
Mechanical Engineering

Yearbook
2020

Arpit Agarwal : "Dosto", "Jai Hind Dosto" yeh shabd room ke bahar sunte hi samajh jaata tha jeevan ke agle kuch kshan bakchodi mein katne wale hai. First Day of College, Amway Products!! You really suck at course selection- I cant stop laugh imagining ES class as a sheer waste of resources, and the EN course you took despite prof's warning. Your intern's description and that guy(DREAM FIRM) were hilarious, however it proved useful to both of us in landing a job! Had fun preparing for placements, going to gym, eating healthy food(infi salad).. Congrats on being selected for IIMA and I think the tables will turn now- you will be the one giving me interview tips!!

Ritesh Kumar : Jai Hind Doston. Apni pehli mulaqat H5 me Nahata ne karwayi thi 5 min plank bet se. Then seedha H18 and uske baad ki stories shayad hi yahan likhne layak hain. Tumhara workout motivation bohot epic and inspiring hai xD. IIMA me macha dena and hame yaad bhi kar lena, itne memories bane hain kabhi na kabhi yaad to aa hi jaayenge hum. <3

Tanya Gupta : Our conversation has to be the highlight of my week! Jaldi se shaadi.com pe profile bana, coz feminists are coming your way 😂 Yearbook pe daal rhi coz I never want to forget this xD
