Shruti Iwanati : Late-night senti talk sitting beside the footpath was the moment we became such good friends. Didn't know we have a lot in common in one aspect of life :P {you know what!!!} From group discussions to fighting over who will make tea, surely I will miss you. I wish we could upload all the stupid pictures, videos, boomerang we made :P Even years from now we will remember you as a shopaholic and the crush of millions !!! Love you didi <3

Kriti Kamna : Asha, remember those hair - do sessions we used to give to Madhu? Absolutely nothing could tame her frizzly hair! Anyways, I loved the way we use to rant over our 'love-lives' together and how pleasant you made my 1st year birthday! Thanks 😊 Wishing you all the success in the world! 🌟

Rashmi Ravindranath : I can't accept the fact that you are leaving insti so soon...when I am not😭..Thanks for everything. I don't know whom to run to when I want to speak my heart out or to find eatables now. My chai buddy always😭.Gonna miss being visiting member of your wing😭. Keep your fashionishta alive 😊. Come to insti often.♥

Kavya Bhandari : So many memories in barely just a year.. You're the best friend I was so desperately looking for 3 years and thank god finally found. When I think of my college, my hostel, you're the one that zaps to my mind, coz I've been my happiest with you. You've never let me down and I admire your no BS attitude. "Nah" to tere dictionary me hai hi nhi, eveready for every nasha and outing and walk. You're the daughter my parents never had :P and they thank you for teaching me to drink "chai". I owe the best time of my life to you and I know we might not always be there for each other in the future, but we'll definitely be there for the important milestones.

R Sucheta : You've been one awesome neighbor. From ranting about sem 6, NOT studying for those tattt quizzes, gossiping, planning birthdays (iykwim :P), late night snacks, online window shopping, etc etc to being a patient listener and supporting me :) You are one hell of a crazy and sweet girl. I wish I had met you sooner. Anyway, all the best and stay the same :* Don't forget to pack your Rajasthani snacks when you meet me :P

Aditya Saurabh : I can't forget playing 'psyche' with you. It was so much fun, as in poora intern to isi m nikal gaya, lol :p. Phr dumb charades khelna in Gullu wali building (forgive me, I am a terrible actor). Pata hi nai chala kaise itna time nikal gaya. I still remember aapka bhav khana :p, and 'Mitran Da Dhaba' nai aana after the movie (btw, accha kiya nai gayi, we were bored) & finally, energy building tak!! Really, kahan se kahaaaaan tak rahi apni dosti, surely aage bhi barkarar rahegi. Aapki design consultation bhi acchi rahi (just exaggerating :p), but haan kuch hame bhi sikha do. Pokkuluri Mohana Madhumita : Ashaaa! I have learnt a lot from insti and you contribute a hell lot to it! Can't thank you enough for being my hair specialist and I know you still think I didn't get the fashion sense xD. Be it pool party, walking near H15 discussing horror stories, memorizing your family tree at BnB we shared our sisterly love... Some day, I'll build muscle and will take you up till LCH from H15 on my bicycle <3 Sometimes we couldn't talk for weeks, but I know that our rapport is unbroken and I get to meet the same best friends we were. I just didn't want to miss out on your yearbook hence this..I know we'll be there for each other always! <3
