Apoorv Srivastava : Bhai Bhai Bhai. Next level insights dene wale, Sansaar k samast gyan ka bhandar, Hrithik Roshan k samaan tez wale, IITB me ho kr bhi Stanford MIT k bacchon ko janne wale, Ayush Puri ko mera sat-sat pranaam.

Kushagra Kacholia : Puri bhai tum hi iklaute dost ho insti me jisse kisi bhi bare me kitni bhi gehri baat kar sakte hain. Hostel me ghanon tak stairs ke neeche khade rehke brahmand ki idhar udhar ki sari baaten karna, exam time me sath me padhai karne ka wada karna aur sath me poore time bakchodi hi karte reh jana, aur infi baar zabardasti tumhe khaane pene leke jana, yeh sab baaten bahot yaad aayengi. Hamesha har chiz ko haste hue zindagi me lete raho, Maths me bharpoor interest barkarar rakho aur humse hamesha touch me raho!! Sath me ek adh trip pe bhi chal lo kabhi ichha ho toh 😊 Waise toh aapko luck ki zarurat nahi, because hard work trumps luck, par fir bhi keh hi dete hain - good luck for everything that is to come!!!

Animesh Singhal : Fellow BC mates! Remember the mass assignment copy sessions by hijacking LTs? Infi labs mein partner, kitni bakvass kar rakhi hai hamne :P. Teri ajeeb harkaton se vo boring labs nikal jaati thi jaise taise :P. Aur sabse epic toh vo photo thi ham logo ki mechanical workshop ke baad jab sab gangsta look deke hatiyaar leke khade they XD. Maza aaya yar Puri tumhaare saath, yaad aoge :))

Aayushman Mishra : Aur Puri bhai! The best memory has to be the whole of the 2 months we had together in pune! Subah gali dete hue office jana, Shaam ko gaali dete hue beer peene jana. Devesh ki taang khichna, India ko infy cheer karna bhai kya nahi kiya sath me. Contact khelna aur wo god mahabaleshwar trip humesha yaad rahegi :). Tum to machau hi ho machate rehna. Hope to see you again 😊

Aditya Patki : Puri bhaiya har lab ke god the, yaar agar tu na hota toh pura group ka kuch nahi ho paata. Kasam se hum gawaro me se kisi ko bhi MATLAB bilkul zero aata tha. I will remember all our second and third year labs. Aur woh last man-pro lab me saath me ghisne ke liye dhanyavaad. Also, you are one of the most sorted out and dedicated guys I have met. All the best bro!!

Rahul Agrawal : Puri bhai, the real stud! Bhai bahut sorted ho tum, tension nahi dikhti kabhi chehre pe, random arguments(or as kushagra says: alag tangent :p) deke conversation khatam kr dete ho tum bhai. But maza aata hai har baar vo sunne me. Courses to bahut kre hai apan ne saath, but MDesign ki H3 wali meetings (tumhara 3D vizualisation bhai /\) and 724 wale lectures best memory hai. Kafi aise hi cheerful stud rehna, calm composed and logo ko adams ke solution batate rehna :P. Touch me to obviously rehna hai, baaki Moin sir ke kisse sunate rhunga jaane ke baad xD. (Tumhare noncore me shift hone ka dukh rhega bhai merko :P.) But jo bhi kroge, macha dena :D. All the best /\

Diwakar Yadav : All hail Puri gawd! Sbse stud and handsome hokar bhi itne chill rehne wale bande insti mai. First year mai hamesha mugne se lekr final year tk ka safar. <3 First year mai bacho ki tarah tum mujhse ladne lag gye the video ko lekar. :P Tumhare opinions jitne katil hote hai utne hi tum ho and tumhare saath discussions karna. Tumhari ghar se laayi hui puri sabji aachaar khana. Brooo aisa end hoga humari insti life ka socha nahi tha. Please mujhe bhul mat jaana. Love you loads and Thank you so much for making these 4 years so amazing. <3

Shubhankar Mihir Seth : Puri bhai, aap alag hi swag wale bande ho. Pehle mujhe lagta tha ki ek dum hi hardcore mech wale ho, pura time reference books hi padhte rehte ho. Fir jab apan sab saath mein baahar jaane lage, tab galat faimi dur hui. Aap toh humesha hi mere drinking partner rahoge, jitni aap loge, utni hi mein bhi lunga. Baaki aapki bindaas baatein badi yaad aayengi, alag hi nazariya hai aapka duniya ka. Aur aap toh Bombay mein hi ho, toh milte rahenge. Hyderabad toh ho aaye hum, ab Dehradun aur Benares bacha hai. Aise hi mujh jaise clueless bachon ki madad karte rehna!

Anshul Sambher : Puri bhai! Aapse zyada chillmax banda maine shayad hi dekha hoga. H3 main kaafi info masti ki hai hamne. Tumhare wingies ke saath to alag hi feel aati thi bhai. PJ god to tum ho hi saath main acads bhi machate ho. Ab FinMech main finance ke fundae baantna aur machaaana bro 😊 Mumbai main hi hai to milte hi rhege. All the best for the future!

Ujjwal Kumar : Aur puri gawd kya macha rhe ho. Maybe kaafi saalon baad jb ye dekhoge tb bhi shayad mai yahi puch rha hoonga. The most sincere of our wing, the most knowledgeable and most honest. Bhai wing me sbse pehle tumhe dekha tha 1st day hin kuch to padh rhe the :p Sbse jaada movie enthu, ghumne enthu aur canteen partner. Aur bhai placement sem toh was lit. Honestly kaafi kuch seekha tere se. And thanks bro for my placement, sbne help ki but that day brought happiness coz of you. From insti ki bakchodi to goa trip to varanasi, bhai you are an awesome friend and especially jb lodu tere saath rehta hai ;) I am 100% sure bhai ki you will reach amazing heights in your life. Always be the same-hamara Hrithik Roshan.

Nishant Jannu : Puri bhai, jab beti ne aapko introduce kiya tha- tab laga tha ki ye khule khule reference book chaatne wala maggu kaun hai (ye toh sab chup chup ke karte hai na?). We've done most of our courses together - the pain was easier to cope with when we were up against it together. We've agreed to disagree on most of our conversations- from time to time jab humare andar ka philosopher jagta hai. Bohot maze kiye hai bhai mech toli me, core shift ho jao wapis - thoda group ka balance restore ho jaye?

Upwan Swami : Ayush Bhai, Itna gyaan kaise sambhal lete ho prabhu! Mechanical ke hoke bhi har department ke ek-ek course ka gyaan tumhe hai. Har bimari ki tablet tumhare pass mil jati hai. Dusro ki madad krne ko sdev tatpar (MA214 chod ke), Upar se wing (sorry Insti) me sbse Handsome, Ek aadmi me itna sb ek saath humne pehle kbhi dekha na suna hai. Aur ab toh Meetha khana shuru kr do bhai kafi saal ho gye hai. Milte hai aapse kbhi Banaras ki galiyo mein !!

Vaibhav Kumar Singh : Yo Bhai...pehli mulakat mein he samjh gaya tha kitne studd ho, jab tumhara ice breaker he ye tha ki girl friend hai kya😂. Kafi mehnati and serious the tum first 2 years. I remember binge watching anime and tum padhte rehte the😁. Meri padhne k aadat tumhare vajah se he aai otherwise to limit se jyada chill ho gaya tha main. But third year mein to bhai mast ho gae the apan dono he. Kafi seekha hai bhai tumse, sleep related teachings nahi le paya😂😂. And yaar we both know hum dono ka he kisi aur k sath roomie rehna impossible tha😁. Finally yaar, Best of luck for everything, I know ki you can do whatever you want when you set your sight... Aaise he machate raho hamesha💖💖

Priyanka Lakku : Hey Ayush!!😁 How is life? Intern period was so much with you. Room me bakchodi being the best one😁 We hardly agree on anything but ig it makes me more interested to talk to you(I can know the other perspective). Some of the heated discussions led to me hitting you(So rude😂). You're very smart , very practical, patient, cool and a friendly guy. Tera dance bhi mast hai😂😂 And kaafi chidaya bhi tha merko. I know you'll do wonders (world needs your smartness) and all the very best, smart guy.♥ Keep in touch!! 😁

Vatsal Khetan : Puriiii, foosball khelna, politics discuss karna, mess me cringeworthy discussions karna, I'll remember all of these things. I hope i beat you at foosball one day. till then stay safe and finmech me machana ♥♥

Vibha Srinidhi : Puriiii! I've never met anyone like you😂 I'll always remember our convos, teasing you endlessly, world cup matches, the walk back from office to hostel, mediating your intense fights with Priyanka, tagging you on fb and you untagging yourself continuously 😂 and the mahabaleshwar trip, remember we both went till the very end of the waterfall. After intern, insti mai bahut rarely dikhta tha tu :P and placement toh phod diya! All the best for things ahead and stay as amazing as ever!! :D

Luv Nainwal : Ayush Sir! _/_ Aapse first year me mila. I still wonder ki koi itni bakchodi kaise kar sakta hai? Phir BC karke chale gye aap lekin yaade kaafi reh gyi. Bohat hi sorted aadmi in individual aspects and not in life :p Kya alag level wing thi aapki, maybe the 2nd wing where I would have liked to hang out after mine (obvio :p). Freshie year se Final year me polt tak kaafi enjoy kiya hai and how we used to constantly try to prove each other Machau. Citi se leke FinMech ka din.
