Saloni Deodhar : You're the coolest, kindest cock thirsty guy I know. We've had some major "deep" conversations over alcohol in sunny, and even more over chai and sutta. Thanks for the Beck's Ice introduction and for being great company on so many occasions its hard to keep track. Inter IIT was honestly SO MUCH FUN, thanks to you. Keep blowing flutes & lets meet in a month.

Prathamesh Patil : Nikal pehali fursat me nikal

Abhishek Tandon : Kya faggot rahega be

Bohra Ankit Narendra : Rao...the person whose transformed the most from first year. First year mein we always used to go for breakfast and dinner saath mein, cribbing about our NSO coach and random talks. Your reading speed while preparing for exams is just amazing. Your flute skills are unmatched! But yaar tune bahot baar ditch kiya hai..i would have loved to spend more time with you. All the Best for future endeavours! Stay in touch

Mohanish Verma : Convocation mai aajaana rao, saat mai pic wingies k saat ek pic jisme 12 log ho 🤔😁
