2020

Drish Mahnot : It started from a common football group, you always seemed so calm and composed on the ball. Really loved your ability. 4th year me finally we properly connected, and it was always so much fun! Thank you for the immense help in my placement prep, I'll never forget that. You were the first one jisko "treat" di thi post placements, sadly we could enjoy only 3-4 times after that. Honestly you have a 10/10 personality you're someone I really appreciate! Stay cool forever bro!

Anup Itale : Potdar!! Kiti machau porga nighalas yaar tu..hats off..from securing two interns in a span of 24 hours..to coming out of nowhere to my room to prep me for Standard Chartered interview to becoming PM!! I owe you a lot yarr!! Fundae det raha ani stay in touch mitra..bhetuya ani lawkarach

Mudita Rana : Agar meri YB entry "Yo Mudita!" se start hui toh pitega tu :)) pots, mera meme dealer, only you know and share the same love for dogs like I do. Woh insta spams are def the best ♥♥ IC nahi hota tu toh jaan bhi nahi paati tujhe. Thank God that happened 🙏♂ please apni capacity badha de, it'll do you good 😊 and rr Kam karna toh bolungi hi nahi cuz woh hone nahi wala😂😂 you're welcome for showing you friends on the 8th floor of h16 🥰 the way you handle things so calmly is really inspiring. Except, of course, girl problems xD kitne bhaashan sune honge tune uss topic par 😂😂 chal ab MasterChef resume karte hai. C u in a bit. Love, Chubbs 💖

Mukul Jangid : Bhai mere second year mein pehli baar dhang se mila tha tujhse aur tabse tu saath hai♥. Tere room pe ghanto pade rehna, infy bitching, last day padhai, karaoke nights, midsem ki cycle ride, Bangalore ka stay, random discussions, Tere mood swings aur RR😂 ke bina college life mein fun hi nahi aata. Saale infy selfish hai but gaali dene mein majaa bhi bohot aata hai tujhe (Mera gift Kiya hua key chain tod diya ek din mein😞). Baaki koi rahe na rhe tu humesha touch mein rahega bharosa hai mujhe. Also memes kabhi band nahi hone chahiye 💜

Naveen Kumar Yalal : Nigga boi, "Bhai sutta dede" tera constant rona after coming from PO was sure not fun, but jab sutta mil jaata tha toh share karna was fun. Mom jokes terese nahi honge, koi aur genre seekhle. Foosball accha khel leta hai, kyunki football mein kuch ukhadta toh nahi terese toh idhar aake haath se khel leta hai jismein tu expert hai hi. Har baar kuch comeback nahi hota toh bas "Bhahut funny!" bolke apne aap ko studd maanleta hai(lol). Accha hua tune meri naukri lagwa di, one reason less to make fun of you. Aisehi machate(sadte) rehna.

Chitrangna Bhatt : Yooo Potdarr, Energy itna bhi bura nahi hai yaar XD finance and placement discussions to chalte rahenge, how is all the weed doing :P

Bohra Ankit Narendra : Bhai thanks for all the help during placements. Jab bhi tension yaa kuch rumour sunta tha...immediately tujhse puch leta tha😂. I've seen you work during PM tenure and that was amazing!! Prep karne mein saath mein mazza aata tha. All the Best!! Aage bhi aise hi machate rehna! Stay in touch!!

Akash Sharma : Bangalore me football is way fun with you buddy. Same intern to same job (hope we should have fun in that as well) ...kaafi machaya hai kaafi machaoge 😊😊

Risha Agarwal : Sunny chale kya? 😂 Sunny and watching the Hush was spooky and fun! Placement case day was not 😂 Bohot talented hai tu, and I know you'll slay everything you do. Still hate you for ditching me during the IE course though. Stay in touch!

Neil Dalal : Potdar!! *fake punches* Goa trip toh epic thi. Hopefully next time mile tab tak teri capacity badh gayi ho. Jaldi Shaggy ko milne chalte he vapas , connect khelte khelte. Chal byee ab, zyada likh diya mene.

Trivedi Karan Paresh : Hey buddy! Tbh, you were kind of a dick (:P) in the 1st year; played music really loud on your laptop while I tried to sleep, were impossible to make small talk with, and stuff. But surely, we grew a lot closer 2nd year onward. I recall how you ran out of our hostel room when you saw the snake emerge from the LAN casing. That was hilarious. It was always fun playing football with you. Working in the placement team was also a pretty awesome experience, knowing how you always had my back. It's funny how we haven't gone out on trips and stuff as often as one would imagine. But I guess, we had more than our fair share of fun in the hostel! I'll surely cherish these memories for years to come!

Prem Agrawal : Bhai kbhi to sudhar ja, khud ki baatein mere naam pr bolta rehta h 😂 Exaggeration krne wala insaan (Fuuuuuuuuuck). AC/DC krte time sabse jyada khush insaan 😂. Bt life ki baato ko leke utna hi preshan. Saath me infi BT khayi h placements me. Tenure me infi mze kiye h apan ne be it Goa ya random treats. Last sem bhi infi saath rhe the and khele h. Baaki baatein trip pr kr lenge yr, meko kuch yaad nhi aa rha aur 😊. Stay in touch ♥

Akshata Dalvi : Blackiee.. I am amazed at how we have had the heart to heart conversations and the most awkward ones with equal ease. Those deep life shit talks while walking in insti are very close to my heart. I am in awe of your strong sense of responsibility and how you always aim for the sky and manage to reach greater heights. 😊😊 Witnessing your epic drinking capacity graph at Laxmi/ Sunny/Gurukripa, eating waffles on Bandra streets, pranking you at khau gali, randomly walking and playing connect on the Versova beach, mafia nights and TP at Snehi's room are the moments I will cherish forever. 😊 You have been the best co I could ask for. Stay the same! May you achieve all that your heart desires♥♥

Adarsh Attavar : Blackie!! kya mast time tha insti, especially IC team. Kaafi RR kiya h maine tere samne and tune mere saamne, and yes all secrets under a tight seal :p. Teri wajah se mujhe cancer hone walla h toh mere parents tujhe hi blame karenge :). Jokes apart, kaafi Acha h tu bro, and jaha p bhi h, hardwork bohut karta h. Placements m bhi record tod diya, aage Jaake kaha kaha machaoge dekhna padega. Take care broda aur next time pimpri chinchwad aake call karta tuze :)

Luv Nainwal : Potdar bro! Kya transformation tha yaar IC to PM tenure. Like respect level crossed ten times. HCC start se final tak ki journey kaafi awesome rahi yaar tere saath. National Finals me apan to bas enjoy karne gye the <3 Cavalry wali treat me kitna bhand naache the yaar. Seeing you grow so much as a person is inspiring. Kitne bakchodi se kitna serious mode switch :o Road trips me aana yaar. MI ke time PO me chocolates khana yaad hai and Jali ke sem ex pics xD Snap me random pics to Goa memories to Sunny nights kitna acha time tha. Stay in touch, bro!

Sanit Gupta : Blackie mere sutteri. Sasta toh bahut hai aur tere main kya change aayi hai from the freshie who only cared about football. I have always enjoyed spending time with you chahe woh last minute exam prep thi, football matches the or trips to sunny. Murg mussallam bahut due reh gaye yaar humaare. And I'll always remember jab powai lake ke side baithe mast gappe maare the with beer summer main. And woh yaad hai tujhe? "Sir ye toh bahut zyada ashleel hai". Treats tere jitni kisi ki due nahi hain, sharam aani chahiye tujhe. Don't think for a moment ki main bhul jaunga. I hope aage bhi we are able to hang out chahe jitna bhi infrequent ho. Daddy hoon tumhara touch main toh rahenge hi.

Mohit Deshpande : Bro axe ka deo mat use kiya kar :)
