**Ananya Sarangi :** Finally tumhara account mil gaya. Logon ka 1st conversation batein hota hai. Hum dono ka argument tha for "Orissa/odisha". Mera 1st year tere aur shweta ke kripa re harwaqt yaadgar rahega. Hum sab ke bus wale discussion, on spot PJ banana aur rohit ka pure wala love tere liye. Ho tum famous as an efficient worker, hard working DPC and department ke chahite tata fellow. Par ab tak fellowship ka treat nahi mile mereko. Famous as Puneekar. Kabhi future mein pune ghumna ho toh paka contact karungi tumhe for tourist spots. Tumhara self-discipline bahut hi inspiring hai. Best Wishes for your future!!

**Prathamesh Antarkar :** Lived every single moment of the life at IIT with you. You are an inseparable part hereafter. You always have been the silent inspiration for me. We are connected by many terms : the roomies, Marathi gang, Aswad party, mess, we the unnis bees of CTARA, floor mate in new hostel and now BAIF. Hope this journey of being together never ends.

**Nilesh Vadgave :** First person I met in ctara! I must admit that When literally nobody was there for me! You were there. Whenever I felt inferior, weak ...you were there to remind me my strengths! You really gave new meaning to the word 'trust' in the whole tenure. Aajkal itna care kaun karta hain! Jab sabne sath choda..you stood like a caring brother. This is beauty of your personality! The way you handle idiot people is awesome!! Sara MNG sath mai kiya humne..! Jara gussa hona kam kar aur jab hota hain toh gussa chupaya mat kar. Aage bhi sath rahenge aur kuch bada kar ke dikhayenge!

**Satish Dulla :** Sameer! First fellow from our batch. U r an inspiration in managing activities. CTARA's fast bowler. Thank u so much for ur services as Placement Secy. Hats off to u man for bringing NGOs for us. I remember those talks we had in ur room..... Wish u all the best for ur career ahead
