Himanshu Bishwash : Remember I didn't hold my end of the bargain and didn't post?! Anyway, let's do that now. I have always respected your sense of responsibility and your commitment towards fighting for the things you believe in. It has been great working with you. You have been a dependable teammate and a good friend. All the best and hope you have a great future ahead of you.

Ashish Kumar : Hey Mentor, you helped me since the beginning of my IITB journey . At first it was for academic and sooner , i start taking advice at all matters. I remember the fresher's when you said you were there for my performance. Those pics are still memorable. And i am happy that i got to help you too and bhai-log that night..😂 i will never forget the scene which i and bhupesh bhai did at insti main-gate and i remember, you started calling me bro from that moment 🥰. P.S - Dont forget to invite me to your's and Bhai's wedding , I will surely perform (only if there is no glitch in music,like in fresher's)😂😂.

Twinkle Kerketta : Okay,so at last...I m here. Hey! How u doing, this whole thing..u kn, yearbook n all was not my initial planning. But,then again I have to tell u how grateful I am to meet you. I mean ,u can be bossy...no! U r bossy. But behind those iron man armour, u are this sweet, loyal and understanding friend.U were always there for me,despite me being selfish most of the time. You, anju and off-course ankita di...I have one of the most beautiful memories with you all... I will miss those late night gossiping, though most of the time,u guzz used to always corner me. You are someone,I will never forget... U r real MVP. Mentor and you are my Insti FAM... Thanks for always being there for me.
