Electrical Engineering

Irina Merin Baby : Anusha... you are so sweet, cheerful and dedicated... a very caring friend... A genius for whom nec opened a profile... I miss our friends circle fun, corridor chats, ATSP days... You were my companion for placement tests and ppts... Wish you all the best dear #MyEE1Buddy

P T Cherishma : We met on the very first day at IITB during the orientation program I guess.. I will miss all the fun we (me, you, Mahera, Phalguni, Amrit and of course apni Swastika 🤪) had during the ML course project discussions even though u and me weren't in the same group 😂 and also all the fun we ppl had at Mood Indigo 2018 😊!! Stay cheerful as you always are.. Never let that Smile on your face fade away 😊😊 Wish you all the best in your future endeavors 😊

M Arun Kumar : See the irony, we work in the same floor yet we meet very rarely but when we do, it will be lasting for hours together. Nuv first year lo pandagaki pampina pulihora and sweet chala bagunde nenu krishna evvariki share cheyakunda tinesam, a tarvata ma batch vallu pandaga vachina prati sari nannu book chestunde me inti food kosam, next time Mumbai ki vaste malli try chesta maybe nuv Japan lo untavemo. Also the only movie we have been to was really a joker:p), let's hope next one(if any) will be better. All the best for your future.
