Patel Sayan : Aur? kahaan mara raha bablasaur?

Allen Bose : One of the very few people in insti who gets me completely. Thanks for all the support you have given dude. Starting from first year I don't have an account of how much you have helped me. All those FIFA matches and the gossips we shared, man I am gonna miss it. Your jokes, fights with sidhu and sayan, these were the stuff that made our wing lively. And I am never gonna forget the I M samajdar vala treat (lol). I know for sure we will be catching up with each other once in a while fatso. PS: I was, am and always will be the better FIFA player

Veerupaksh Singla : Bhauuuuuuuuuuuuu! Babylasaur! Kya KARENGA mai tere bina? Gossip kaun SUNAYENGA? Logo ki bitching kaun KARENGA? Har baat pe ROYENGA kaun, aur fir khud se solve kaun KARENGA? Meri bt kaun SUNENGA? Apan ne milke kya kuch nahi kiya. Aur is sem jo tune bahar jaane ko kataya na, uska hi badla le raha bhagwan ab sabse. SMPC treat chahiye mereko, itne rone sune hai tere. Aur rona kam kar, tu rota hai to chaar logo ko inferiority complex aata hai gadhe. Yahi dosti bani rahe. YMCA ♥

Vedarth Choksi : Bhauuu! Teri ownership bohot zyada hai. E-Cell chalana mushkil ho jata tha tera bina aur ye tereko pata bhi hai! Apan ne kaafi parties me sath me hi naacha hai feel leke 🥳. Tere intern ki Fifa aur street food stories dekh ke jal jati thi 😂. Anyways kaafi machaya tune abhi (As expected). Insti life bachale re Bhauu! Ab sab tere hath me 😊. Also, waiting for your sister's wedding!

Navoj R : Most annoying person I have ever met! And probably the most hardworking guy too. SMPC treat baaki hai teri. We have blocked each other on messenger countless times. Lol. :P. I admire how u end up getting involved in every sub group. But tu bhi bhut rota hai yaar. Kam roya kr. Baaki agle saal likhunga. :P PS: Teri crush ka naam bata de pls (equivalent exchange rule)

Rashi Gupta : There's so much to say about you and 700 is a tiny limit...But well, tu content creator h toh km words main bhawna samajh le dude (iykwim) 😊 Lemme get the chance to get out and fir apan jaaenge na treats pe 🤑 Cheers to all the bakchodi we did as Events/CR + fokat main Design 🤓

Praveen Saran : Team ka sbse jyada hardworking and sbki BT sahne wala insan. Mereko to abhi bhi nhi smjh aaya tu itni BT kaise sah leta tha. Have a lot of respect for you. Apna color wala discussion yaad hai? 3 ghante waste kiye the dono ne baithke:P. Placements ke time to infi pareshan kiya tha tujhe but I guess uska compensate SMPC ke time tera rona sunke kr diya. Lol. And yeah I really miss those random late-night walks. Baki to Mumbai posting hai to milte rhenge :))

Kushal Agarwal : Bhau! Teri kitni bezatti karu samajh nahi aata. Itni BT deta hai tu, din bhar rota rehta hai. Muh fula ke baith jata hai, gandi si shakal har baar dikhata hai, har samay busy rehta hai, kabhi treat nahi deta.. But pata nahi kyu tere bina man bhi nahi lagta hai♥ Incidents nahi likhunga but you might be the only person jiske sath mai dil se khana share karunga. Tu na hota toh mera kya hota. Ab jaldi se didi ki shaadi ki date decide kar and flight ke tickets bhej, warna naak katwa dega tu 😊 (PS: YMCA)

Sriganesh N : Bhauu! Aap bahut sweet, friendly aur kind aadmi rahe hai. 2nd year me IEOR ka midsem yaad hai jab tu exam khatam hone ke baad enter kiya XD Itne sare PoRs lena aur har por ko bahut ache se nibhana, ye first year se karte aa rahe ho. U were probably d perfect candidate for SMP co. Aur Manch ke liye bhi aap bahut sare valuable inputs diye ho. It's still funny that u used to sit in my room after lunch bcoz ur room was up in d 3rd floor. You're always a pleasure to talk to. Aage bhi tu life me phodta rahega. Wish you lots of success and happiness in life..

Kosuri Sandeep : Yo mote!!! I really had a poor opinion about you before met. But I got to know you have a diverse knowledge in many a things. Your anticipation for Org. Color had come true only because of the work you had put it. Though your suggestions for asking some XX girl for salsa or prom weren't successful, they kept the hope on. Discussions with you regarding entrepreneurship were so insightful. You are a kid outside but a mature adult inside. How can you be so lethargic being a doctors prodigy? You will surely be missed. Milte rahenge!!

Rachana Meena : ye sab nautanki abi nhi. Pelhe pending treats uske baad sochte hai. Abi ek saal aur 'rona' hai milke :p

Harsh Jain : All rounder , content king, humble , down to earth & kaffi jyada senti rational. EnB co , consult project, work project etc etc. Itti sarri chize hai tere sath. Kaffi jyada time bitaya and kaffi jyada sikha. Legendary & respect max. Tere sath haar discussion kaffi insightful & peaceful rhta tha . Phir wo Ymca 😊. You deserve everything & I know ki tu kisi fortune 500 ka board member/ceo types bnega. I still today take inspiration from you & stock mae to fundamentals Infi strong hai(thanks for cipla). Milte rhna , bulate rhna & khat rhna! 😊

Meko wo placement party mai sambhalne ke liye thank you :P. Saale itna rota hai, toh itna kaam uthatha kyu hai XD but humesha help karne ke liye ready rehta, I guess that is why everyone adores you! Sarthak Nijhawan : PPM ji (we've always preferred abbreviations, u see :P)! I've never seen such a quiet, soft-spoken, calm & composed person in my life. U might be the only one who gets shocked & surprised to know that u've made it to something bigger & greater. Ur humility, incessant drive to learn & innate ability to connect with people is telling & inspiring. Heard a lot about u before, but never had the opp. to meet you until I interviewed with u in-person. Once again, welcome to the eternal SMP-club bro. U're that 1 constant that every team needs - so, never change! Wish you 3 the best for the tenure ahead. Would love to see you accomplish great things in the future (& am sure you'll). See you around dud

Mrunmayi Mungekar : Hellozzz! From MI coordie tenure, you were always this shaant sa ladka...but it was only later that I realized how quiet and calm you can actually be in any damn situation! Like Hats off to that and thoda hame bhi sikha dijiye :-P ! I am pretty sure DGM is going to be a big hit! So as I can't stress enough, hope to stay in touch with the busy DGM!
