Sourabh Surage : bhai bhai bhai.. kaha se start kare, there are just so many awesome memories with you bro... starting from being roommates (and apne room me hi sari bottles rakhi hoti thi), and then you doing ##### things after getting high.. but I always respected your capacity bro.. us din bhi you were in hosh and I was totally out (when only two of us in your room with khamba).. I also remember your laughs in the meets and how you started shouting on people without any reason (hahaha).. that part was really funny.. and whenever we got out, you offered me beer everytime bro, I still remember we walking on reads and drinking (it was lit)... or sale itna machane ke baad bhi rote rehta hai... vo kum kar thoda

Pushan Bal : The very first person I met in insti, even before my roomie. We never got to have that treat in BBQ. I have enjoyed playing badminton with you. Just talking to you makes problems seem like nothing. You borderline disrespect your worries and that is how you have always motivated me to conquer my demons. Thank you for giving me those VIP passes, my cousin was really impressed with me :p. Stay in touch re, don't just drift away.

Siddharth Singh : Ranade, mere bhai! 2nd year mein jab first time Mary Jane try kiya tha tab tu aaya tha room pe. Mujhe to kuch hua nahi, but tu dost mil gaya! Tab se leke Goa mein tere maathe pe "Ch*tiya" tattoo karane tak kaafi respect badh gayi hai tere liye. How you never changed your views even after joining TF, makes you one of the few people from an IB that I actually respect. Tu genuine hai, jo hai muh pe bolta hai. Please aise hi rehna. Kaafi acchi Sunny memories hai apni, and Goa trip to baap thi! Scooty pe peeche baithke ek haath mein sutta aur doosre haath mein speaker bas tere saath ho sakta tha! Apan milte rahenge bhai, bolne wali baat hi nahi hai. P.S Tu mera runner banega, tune khud bola tha:P

Rishith P Agarwal : Kitna hi likhun yahan pe, koi point nahi hai... Apan hopefully milte hi rahenge and nayi memories banate rahenge... Pubg mein request accept kar liya kar laude

Hardik Murarka : Mere Mota bhai !! Ab tere baare mein likhne betha toh sabd hi kam pad jayenge. Being the first person whom I met to be one of my best friend , it was hell of a journey. Tu jaisa hai waise hi rahna yaar bass thoda chilaana aur ra*** rona kaam karde. Tune jitna help kiya hai usse kahi jaada padeshan kiya hai but yahi baate toh baad mein yaad aayengi. Arreh tera hi toh hostel tha toh mein kon hota hu tujhe apne room se nikalne wala. Ab toh Pune hi aana hai , hope ki apne milte rahenge aur kaafi nay yaade banayenge. P.S Treats kaafi pending hai woh toh mein nahi chor raha XD

Chinmay Kalra : Ranade sir!! Whenever your name comes to my mind mereko woh first year ka Bade Miyan wala outing yaad aa jata hai. Tune wahan aur McD mein infi machaya bhai 😂. And also, you are a really good baddy player, sad that we couldn't play against each other that often. Thanks for all those memories bhai!! Keep in touch

Mustafa Ali : Arre bhai ranade yaad nahi apan kb mile the mostly piyush ke through hi mile honge but apni Goa trip kaafi lit thi bhai. Bhasad daru peeta hai tu saale. Ek bar sath me baithe hai aur dekhte hai phele kaun dead hota hai. Milte hai jaldi apan insti me aur age bhi milte rahenge 🙏

Pujan Biswas : *apna handshake pehele* Bhai terese hindi mai utna hi baat kiya hoon jitna apne *coughs* ne press conference! Bhai ek do baar hug kiya tha toh kaafi dab gaya tha mai :P Iske alawa tera jo smiling face hai and those eyes, damnit, EPIC hai!! Swimathon mai hi tapak jaayega socha tha but you did it, just like the rest of the 4 years. TF se leke BCG tak foda hai bhai tune toh. Let's have more salutes in the future and please don't forget me. Jai Maharashtra! Yours, Bisso!

Pushkar Saraf : Yoo aniket! I have a lot of friends. But there is a very small inner circle of close friends and you will always have a seat at that circle even if you don't want it or don't care :p . I wish we didn't drift apart after my branch change. I hope we keep in touch apna MPA gang. I haven't belabored the fact enough that your personality is amazing. Every time I meet you I learn a lot about how to improve myself. Lets meet soon!

Vihang Wagh : Ranadeyyy, meri jaaan <3. Tu toh mereko MPA ke time se hi cool lagta tha (aur tereko mai chutiya :P). Zyaada badala nahi hai 6 saalon me. Darr tha apni dosti bhi kaiyo ki tarah sputter ho hoke khatm ho jaayegi par kya memories banaye bhai last year me. Polo practice, Inter-IIT, Yogi ya tere room par raat ki bakchodi, H18 ke terrace par bitayi woh raate, Sunny ya Fuel me pee woh daaru, Lonavala ki "trip", bro Gabru Jawano ke saath rehkar fourth year kaafi badal gaya. On a more sentimental note, though we were always friends, you came back into my life at a not so good time and we made amazing memories. I will be forever grateful for that. Mag jadya atta kevha bhet tos?

Nutan Megu : hey ranade we recent ly started texting na bhool gai kya baat kr rhe the apan. but hhave to say all ur frens who are frens wd me love u so much.. kuch to craze hai unhe apka GC is head over heels for u . dharpure bhi i dnno kese lol

Tanya Mamgain : Heyy ! Talking to you is always fun ! And I am glad I got to know you:) I'll miss our breakfast pancakes 🥞. Sarcasm pe sarcasm to kam krne ka promise nhi kar sakti to just bear with me okay. You are a genuinely nice guy and I wish you nothing but the best. Stay in touch:)

Sachit Mehrotra : Can't tell if i am happy or sad about you being afraid of me :P. Aur dar hai kyu muje samajh nai aa raha, tumhari saari baap retro (read c****) ne toh kala ne aise plan ki thi k mai na rahu tab. Tumne aadha bi nai dekha tha. But yaar tumhari aur TF k liye hi bola tha jitna bi bola tha, galat cheezon pe kabi aada teda bola hoga toh maaf karna sir. Jitna ho saka as a baap achhi cheezon ko appreciate bi kiya, one of which was marketing. Record budget tha tumhara which will be very hard to beat, especially in these times xD. Abi darna chhod de chhote, cheers!!

Atharv Nandapurkar : Thanks be, and team ke support ke bina toh kuch nhi hota pata IFT ka. Haan, majak mein bhi thoda kam gaalia dia kr :p And tu toh dil ka kaafi accha admi hai re, and ik, kabhi need padi toh I can always trust on you. Good luck for your future and milte rahenge, mein toh pune mein hi hu ab. Mujhe abhi bhi nhi samajta, bc tu swimming kaise krleta hai :p

Itna pyar koi kaise kr skta hai sabko...har situation mein life ki tune chill maarna sikhaya hai..kitna bhi tension ho par teri smile sab gayab kr deti hai <3 kitna pyara insaan hai yaar tu, Chahe kuch bhi ho jaye, tere constant words - "Are didi ji chill maaro thoda, shaant ho jao, lo paani piyo / ya lo daaru piyo" <3 :P And plssss gullu ka vo dinner yaad mat dilaa..main sharam se chullu bhar paani mein doob jaegi XDD It should not be the point of reference yaaar, uske baad toh techfest happened in life...tum logo ke saath reh ke bachche se badi toh pakka ho gyi yaar. Koi itna chill and happy kaise ho sakta hain zindagi main :p dont worry about sunny, we will party soon and it'll be on me :) I wish we could have hungout more brooo, tf ke time 4th year main alag nashe main dooba rehta tha tu lol, kameene meko bhi cult meet ke beech itna brownies se pagal kar diya tha tune, but it truly was a memorable experience bro. I hope we stay in touch and you stay happy as always :)

Ashutosh Kumar : Hiii Loveeee!!!! I really wish hum thoda pehle mil liye hote but nevermind, Thanks to Dev 😊. 5th sem mein those struggles with explaining how things work to you, your random TF gossips all of a sudden & phir end mein tut karte baithna, tumhara randomly bich mein sona aur phir hamare struggles to wake you up...Phewww!!! Sorry for missing your birthdays 🙏 & I mean your logics & arguments, har problem ka solution mil jata tumhare paas, aise random topic pe tumhare sorted views, God knows how. (Thanks muje bhi life ke kuch sahi suggestions dene ke liye) But seriously hats off to your enthu and your welcoming nature, you are one of the nicest person I have met. PS- Ek baar toh bahar chalte hai na

Anmol Gupta : Yo Mote/Ranade! BnB was indeed our first meet, when you were thinking about Techfest vs Swimming Team (from what I remember :P) Uske baad se I've really enjoyed all our interactions till date! Tere jitna jolly aur poore time mast rehne wala insaan aur koi nahi dekha maine insti mein :D Elections time pe aise discreetly information aur influence nikaalne ke tere attempts XD Sad ki kabhi case nahi kar paaye saath mein, but ab toh milte rahenge anyway! Machate raho :))

Ishita Shah : Tu amazing hai. And you make sense almost always :P we need to get streetfood and cheap booze and have a looong discussion. Thanks for debating with me <3 I know we'll stay in touch, I just hope teri posting Bombay ho jaye. Also, thank you for always being so supportive. See you soon! <3

Zindagi me swimming karke itni exercise karke bhi tera weight kam nhi hua kyoki haathi tu utna hi khana khata hai laudu.... Aditi Mahajan : Hello Ranade. I remember the funny first time when we met😂 I was going out with a friend and you joined us(yes, you were not invited bc😂). But it turned out to be a super fun outing because of your quite decent jokes😂 and annoying cute harkate. My favourite memory of us would be that lake side walk wala din :) Stay the same fun person and keep giving me happy vibes. Also, graduation aagya but teri treat wala right time nahi aaya abhi tak😂 Stay in touch and meet me soooooon💛

Shubham Jain : Hi Ranade!! It was great to know you. I will always cherish the time we spent at water polo which finally led to earn us a position. Though we couldn't spend much time together but from little that i know you are a kind, helpful and a person with gifted natural talent :P. Best wishes for your future endeavors!!

We met for the less possible time(Thanks to that fucking Yogi). but aapse itna motivate hogye ki, smaj m aaya ki relations kaise rakhna h. You are always difficult to understand too. It was a pleasure knowing you. You're great at everything. Stay confident always. kabi kuch suggestions chahiye tho you will be my POC, itna tho besharam hokar puch sakta ab. xD All the Best Aniket Ranade.

Anusha Dubey : Kisi bhi topic par (iss duniya ka ho ya out of this world) aap apna argument de sakte ho, lekin strongly opinionated hone ke baad bhi dusra perspective kaafi achchhe se samajhte ho, ye mahanta bohot kam dekhne ko milti hai aajkal sir 🙏 (lemme know if you need an english translation for this 😊) Goa trip to amazing thi hi, but you were a great help in letting me survive this lockdown. Apna gyaan hamesha barsate rehna aur Mumbai me milte rehna! Tujhse aur Mustu se sath me milne ke liye I just can't wait, seriously wish apni thoda jaldi mulakat hoti to Mustu ko jhelna thoda aur aasan hota 🤔

Shubham Goyal : Hello Ranade , sorry bhaut marne ke lie but tune bhaut maze lie he to we are fair and square (inverse :P) , though i always thought tere pass itni shield he lagti to nhi hogi tere :p , sabse machau bakchod launda he tu , ro ro ke png fir bcg :p kaafi smart talk krta he and we all were very proud jab tumne marketing itna machaya <3 gaaliya jo galat kia uske lie bhi khaye ho , TF ke lie senti rehna. and swimming seekhane ke plans par paani fir gya , yeh saal ke TF me tere room ke scenes kaafi lit the and we found out ki garam pani ke saath buddhe sadhu ache lagte he :p mumbai mil gya mujhe to milte rhenge

Election ke wajah se mile, but kisko pata tha ki udhar hi Hostel 5 ke bahar baith ke log har random topic pe discuss kar lenge. Kaash thoda aur time hota, toh Goa se laya hua aapka saara shipment hum log khatam kar paate. Waise bhi abhi toh aur bohot parties honghi, jisme aapko nachwayenge, main toh barati hu hi. Aditya Dev : Straight forward as fuck and maybe the only zero bs person i have met in insti. Kaafi cool as well to top it off. Dude your knowledge from gaming to economics to literally anything always amazes me. Also, what you even talkin about. Was trippin balls that day. Party karenge when we meet pakka. Best of luck to you too man.

Sahil Dixit : Simply can't put into words how you have impacted me and changed my perspective towards life. When we first met, I had thought that you were the polar opposite as compared to me in many aspects (which might be still true), but getting to know you was a blessing in disguise. Getting to know you shattered my inner boundaries and forced me to think in different ways I had never thought possible. Cherished every single interaction we've had, and loved how our talks ranged from completely philosophical to trash gossip XD. Hope our mutual "content ki bhookh" never ends :P

Rohan Kaushik : Arre bhai bhai, kahan GNLU ke dard liye chal raha hai abhi bhi xD. Vo chhod, I'm more surprised we were able to make it back to insti considering that auto ride through absolute wilderness. Pata nahi kya rasta tha vo xD. All that aside, bohot cheery bakchod hai tu bei, and I hope you stay the same. All the best man! <3

Bhadri Narayanan R : Moteeee :D I am literally writing this entry with a death note from you on messenger XD Our dynamics is so weird that it's often confusing to people around us. Sometimes, I wish I could be friends with that sweet person who says a 1000thanks instead of this sack of disappointment :p You always made the best as well as the worst points, jokes and comebacks in our team, but sure made us happy everytime (except for the times you landed me in trouble). P&G was hands-down one of the best summers ever with our amazing PPO predictions, daily discussions, fights, gym, parties and wonderfulPPTs. We could write a book on your placement strategies. Oh.. Abhishek Singhal : Hey Mote!!, Tujhse to mai pahli baar manager banne ke baad hi mila but uske baad you were integral part of my insti life. Tera best part hai ki tu jo bhi feel karta bol deta. Tenure and meet teri wajah se funny bana aur kitne taane marta tha bhai tu compi ko. You are really helpful, Apne interview se ek din pahle bhi meri prep karwai aur JLR ke interview se pahle bhi. Iske liye thanks yaar!! Bhai aise hi machate reh aur stay in touch.

It's so sad that I got to meet you at the end of my second year, wonder how life would have been much fun if I knew from the start of my college life, and I wish in very few cases. But saale humesha Randi rona karta hai faaltu me :p Yes, kaafi connect hua tha tenure me and the post tenure beer session was really amazing! Kaafi raaz bahar aaye the uss din xD. H5 mein tere saath cricket khelke bohot maza aaya. Kaafi sahi banda hai bhai tu! Sad that our interaction reduced drastically after the 1st year. Keep smiling as always man!

Mahajan Devavrat Shailesh : Actually want to write a lot, appreciating your personality majorly. But as far as our recent conversations go, I think our journey is just starting. So I'll just list some of my favorite moments with you. In Hyderabad, in an otherwise mundane and monotonously boring internship, I really used to look forward to having weekends at your place because they were really exciting. Secondly, during our lessons with Ashu. I can now say that they were an utter waste of time with respect to studies, but I must say it was absolutely something I would look forward to during the end sem preparation :P
