Jaideep Singh : What comes to my mind when i think of you is fevicol. Mechanical language me jikso binder kehte hai. You have kept many of us binded. And as always, dosto ki importance unse door jane k baad hi pata chalta hai. Probably isiliye second year mera itna nostalgic raha hai. Thank you for everything. And yea, you are good and good heart and good person and all that. Obviously. And you are very understanding too. Specially that.

Aman Srivastav : A cheerful, energetic and helpful person even for last minute stock solution. I feel at the loss that we didn't get in touch much before. Any way it feels great to have you as friend and hopefully we will have more time, for you to know more about my mistakes ;) so that I become more afraid of your messages in night. BTW Laxmi offer is always on!!!!

Mayur Zadbuke : Hey vartika, you became very important person of my life within a short period of time. So from the person whose number i saved after months to the person to whom i talk everyday now, we came a long way. You know all the secretes of me that noone knows. You never gave me any gifts but insti gave me the best gift in the form of you as my best friend 😊. "Coffee" ka dose agar jyada ho to pls call me and i promise i will pick up the call this time 😊😂. Thank you for making my lockdown interesting 😊. Wish you great success in life and i hope i will be in front row to see 😊. And yes whoever i will meet in future but you are and always be my best girl♥.

Padigapati Mallikarjuna Reddy : Hey buddy, how are you? I have to say that the impression on you keeps on getting better whenever we talked. I think it took lot of time for us initially to get in touch with each other. Yeah, I do remember you stealing some of my beer but I didn't know that it was your first time tasting it. You are one of the most chill and friendly girl I met till now. Thanks for inviting us over when we came to IIT kanpur. The hospitality provided was awesome and I miss the big pani puri we had. Your house was superb and I still wonder what you guys do in that big house. I wish I was in college for 2nd year too so that we could have got in touch more. Nonetheless, thanks for the memories.

Sandeep Kumar P M : Hi Vartika, we never talked much. Most of things I know about you is only the opinion of others. What I can say is that you're very friendly and intelligent. All the best for your future. Hope next couple of years will be different for 'Us'. 😊

Ashish Pandit : Most beautiful and cheerful soul in the Department. The only Seniour I tagged in fb posts. All the besttt...
