**Rajat Kadam :** Animesh Bro!!! Last 2 sem mai apan ne kaafi kuch jhela hai saath mai.. sabse zayada BT toh Product prep mai :P Tujhe mujhse padhne ki koi zarurat nahi rehti! I remember tu bola tha K-Dom padhade and then top karke aaya. You always know how to put up a brave face. Dedication max \_^\_

**Vatsal Khetan :** Bro, I wish you stayed in civil so that we could have spent more time together. Hope we stay in touch in near future. And trust me our talk during day 3 definitely made me feel relaxed subconsciously during the interview. Cheers to fun times we had , hope it's not the end

**Kushagra Kacholia :** Arey Bhai Bhai Bhai. It all started with "Sochta Hua Golu" at PwC and has grown into so much more than that <3 Over the past year, I have known you as one of the most hardworking, dedicated yet kind and humble human being. Placement prep me bhi kaafi baaten kari life ke bare me and had a lot of fun too!! Also, I literally have never seen another person who has cared about juniors so much and have helped them in any way possible. Mushkil samay me bhi hamesha apne goals pe focused rehke apne doston ko apne sath aage aage badhana koi aapse seekhe. Stay in touch bro, and haan anshul ke sath party karte hain mast is sab ke baad!! Wish you all the very best in whatever you do in life <3

**Debanjali Chatterjee :** Hey Animesh! One memory I distinctly have with you is 4th sem ManPro endsem prep.. raat ko bohot late electron beam welding (ig) ka lecture upload hua tha and wo agle din aane wala tha exam mein.. so infi give up hone ke baad bhi we stayed up till 4:30 am and finished not only that but also the previous yr papers. You are really talented (music + MI CG + dance bhi, last sem AIDS ke din pata chala mujhe!) and an amazing human being. So lucky to have a friend like you!

**Abhinav Jain :** I cannot get over this fact that you still remember and cherish those times of our solid mech lab :-o. I am happy to have such a humble and down to earth friend like you. Let's really go for a treat as soon as we reach back :-D

**Anshul Sambher :** Sir sir sir. Jitna aapke baare main likhe utna kam. PwC ke saare jokes aur masti jo hamne ki thi wo hamesha ke liye yaad rahegi bhai. Chahe wo Pranshu ko tang karna ho ya wo Kharghar waala joke. Lockdown ke baad ek squash ka match to banta hai ;) MAC lab ki bt ko kam karne main jitna mera contribution tha wo shayad kisi aur ke saath na ho paata. Kaafi yaadein rahengi sir. All the best for your journey at EnY and always stay in touch!

**Ayan Choudhary :** We met at the first solid lab orientation where I asked you bhai Gaali dene se pareshani hai kya? And you said are Ekdum bhasad macha do me bhi Kota se hi hu 🤔 udhr se chamak gya tha lab me chill maar lenge. And yes you've a chilled out attitude which made me feel less anxious during those vivas xD All the best man 😊

**Rahul Agrawal :** Are Singhal bro!! Kafi alag alag jagah machaya hai aapne, i can't even count lol. Apne to bahut random conversations hue hai, mere room pe, mess me etc. Hamesha tera in general enthusiasm pasand aata tha. Assignments dene me bhaav khaya ho to sorry :p (oh well, am I? :P.) Race car kabhi bani to test drive pakka tera :D. Itna suna hai tune merese pardes ke baare me, aa jana milne kabhi agle 5 saal me :P. All the best bhai! You will reach great heights. Stay in touch :D

**Mudita Rana :** Hey Animesh! Surely, seeing y'all come late and run extra because of me made me very happy 😂😂 Sharing the stage with you for the first time was a fun experience!! I still remember all the costume pains we faced 😭😭 it was a great time though. All the best!!

**Aayushman Mishra :** Abey saale yaha bhi CS ko CG kardiya tune. Seeing you from the second year as the guy who stole darshil away i have admired you so much throughout insti life. Seeing you tensed while submitting the CG forms is one of the best memories i have as i knew at that instant that Mood indigo is going to get a gem. AOE me dev ko pel ke harana abhi baaki hai to jaroor milenge

**Ayush Puri :** Bhai labs me meri bakwaas jhelne ke liye kaafi patience chahiye , almost har lab me humlog saath me hi the. I don't know how you handled it. Also milke himank ki tang khichna, sab bahut yaad aayega. Tum un logo me se ho jinko maine hamesha positivity spread karte hue dekha hai, infi enthu hai bhai tumme, sab kuch interest ke saath karte ho, kabhi badalna mat isko. Keep smiling like you always do

**Aditya Kasture :** Animesh Bro! We both know how fond our memories have been, one solitary photo we have and that says it all. Ek kissa sunaunga par jo shyd tujhe naa bataya ho. Baat hai tere first gyra ki. It was 2/3 days to the event and as usual we were on the ropes. First time lead lete hue I was irritated at a lot of things and kaafi daant raha tha logo ko, many of them for no reason. You were one of them. Sync naa aane ke liye I was blaming people but subconsciously I knew ki tujhe kuch bolna sahi hai because you were giving it your 100%. Still I did, but not once did you ever lose heart and you have kept on improving. Wintess farewell just says it all. Extremely proud to have you as a fellow starboy <3!

**Atharva Jaipurkar :** Yo Animesh! Kafi maza aya tere aur Jatin ke sath hangout karne me, raat bhar H5 me baith ke Age of Empires khelne me! Mastt banda hai tu, very helpful and hardworking! Guitar bhi acha bajata hai 😊 I remember going to the gym with you 😊 Hope ki tu faat se wapas fit hojaega! Aise hi machate reh!

**Nautatava Navlakha :** Yaar, one of the cheerful and most social person of insti. Kaafi mast hai re tu, though apni first year ke baad zyada baat nahi hui but jab bhi baat hoti thi, It always made be absolute happy ki we can continue to talk jaise kal hi baat hui thi. Abhi yearbook scroll kar raha tha, to got to know you play AOE too! Abhi milenge to sabse pehle yahi karenge! See you soon! 😊 P.S: Civil group se nikaala isliye sorry, but hey! All of this are now a part of memories right! 🙏😊❤️

**Pranav Thakkar :** Yo!! I miss coming to your wing and saying hi to all the cute kitties already. I love your enthusiasm towards being a good senior towards our juniors, it's rare. From the Robotics course to H5 mess timepass to resume deadline pe edits, we've done our fair share of random lukkha xD it's been great having you around as a friend and as my convener. Stay the same!!

**Achin Parashar :** No words can narrate the feeling I have right now!♥ The constant support you provided, be it for Intern ke pains to life ki random khichki (😂), you were always just a door away (literally 🚪) and always got great advice. Most modest person I met in insti.😂 Not gonna lie but was amused when you asked for my reviews on your Flipkart ki Placement wali PPT, and then wo 5am wali Snipping 🤡🤡. Never knew when the wing ( ya mein bolu LYCANS 🦋🦋) became a family. Stay the same, ever!♥

**Arush Gupta :** Yo bhai! I loved our discussions too man! Patel ke ghar waala yaad hai? Maza aaya tha uss din tujhse baat karke yaar; I really love your way of thinking and how you intuitively grasped a lot of things that were going around you, so quickly; thanks for putting up with my bullshit yaar; I haven't been very warm to you, but you've been so polite throughout; maaf karrdena yaar. Definitely looking forward to more. I remember the first time too! Tune black hoodie pehni thi (Surbahaar ki, I think...?). Arre apne teaching sessions! Maza aaya yaar, jaise taise bhi 'padhai' ki apan ne xD fir mai Eraser bajaane lag gya tere guitar pe, and uske baad padhai nahi hui xD

**Luv Nainwal :** The most machau freshie to Sophomore of H5, you've got that all! Enthumaxx, Cult-King, Acad Gawd, everything ticked off that list. From a noobie and a dancer, H5 moved to an army of Starboiz. Nothing but a result of top-class fundae, senti and fire in his eyes. One who'll leave his everything behind but can drag you down for busking if it crosses his mind. There was so much to learn from you and I had so little time. Will you still take out time for me after your 9 to Nine? :) From you motivating me for convener groundwork to me sticking around until the hug after "Bhai ho gya!". Through all ups and downs, together. <3 Do you have a 100 words for me? Coz I've only three, "See you, soon!" :')

**Yash T Rajan :** I think 90% of our times together have been in lecture hall, the 6 of us, a night before the exam, trying to complete the syllabus, and grinding our heads over one of Himank's many many doubts (I still have a video of one such session :P), I have always admired you for being able to manage so many important responsibilities together, and still coming out in best shape possible. Aapke guitar skills ka to fan hun main waise hi. Hope that the dedication, hardwork and honest efforts I have seen you putting in your work on various instances, helps you reap multiple rewards and accolades in future. Agar ek aur exams hote, to chalte 3.30 baje notes xerox karaane ek baar aur <3

**Aditya Patki :** Animesh bro, apan ne sabse jyaada baat kari thi man pro lab me, you used to get all those chips and biscuits to help us through the three monotonous hours. That was really kind of you man xD. Uske baad shayad apan mostly mess me hi milte the to talk about fun ke fundaes. Thanks a lot for all your suggestions man. Tere jaisa enthu waala banda rarely hi milta hai. Keep it up and all the best!!

**Kriti Kamna :** Animesh, from freshier year AIDS to MI parties, I have never had a better dance buddy. I hope you never let go of your simplicity and keep smiling through all the years to come 🙌

**Umang Chhawchharia :** I do remember how we met and I do remember all of our conversations (which, now that I think about it, always happened in the mess :P). Dude I always appreciated your quality of listening to others and then following what's best for you. I can clearly see that you will achieve a lot in life. I regret not hanging out with you enough but abhi kaafi zindagi bachi hai. Looking forward to our next session :)

**Madhur Sudarshan :** During my freshie year you were by far the most outgoing and easiest convener to reach out to. Your enthusiasm and work ethic really inspired me back then and continue to be the standard to strive towards if I were to try to be as machau with PORs and people skills as you have been. **Hritwik Ranjan :** Yo brooo! Apan ne first year se itna kuch kara hai sath me, ki koi ek memory highlight kar hi nahi sakta. Dance buddies, convenor buddies, MI buddies...Can't imagine to have worked with anyone else apart from you in MI (and obviously our team proclaimed mother :p). I ll always look for you whenever I ll have a secret to share. Although drunk advices lena band terese, Sunny wali advice bhari pad gayi muje :p (still, treat assured). Thanks for helping me out whenever I needed, work, personal or otherwise. Hope teri kismat thodi kharab ho aur tujhe Delhi posting mil jaye :p. See you soon!

**Kunind Sahu :** Heyy Animesh! You really are a GAWD person, acads me machau, Cult me machau, Mood Indigo CG, you're are seriously machau goals, you're really hardworking and mai aur kitna bhi likhu, wo kam hi rahega. I really wish ki life me bhi aise hi machate raho! And I'm pretty sure you will! :'). Aur please to be a machau like you, uske liye tips aur tricks time to time dete rehna xD

**Vedant Ladha :** Bhaiii, easily one of the nicest people I've met in insti :) I don't know anyone who has tried so many things in insti, I really think that you've done a great job at making the most of what insti has to offer. Music (11 instruments, is it? 🤔), dance, dram, MI, SMP etc. (I'm sure I've missed out a lot of things here). Intern prep with you and Mundra really brought us closer together, so did one of the team meets we had post MI :P. Thanks for not complaining once about that shithole of a room I had in H4 (Guess you didn't have any other option tho 🤔). Also, tera chashma todne ke liye sorry yaar, bahut random tha vo 🤔 Bachi hui senti agli team treat ke liye ab. 😊

**Aditya Dev :** Dude, you are the only person in insti that I know off who has maintained the freshie level enthu up until his 4th year. Kudos. You get urself involved in so many things and still find time to spend with us unlike some others. We have been in so many things together. Guitar, fitness, goonj, surbahaar, AD, gaming nights, catan, wing wale jams, plakments, and most importantly a goa trip where we almost died. You put your heart and soul into whatever you do and still get back up with the same level of energy. Stay like that. Also such a pure soul. Please don't play with the MCB 😊

Life ki do sabse badi achievements saath mein dekhi h bhai. It seems like yesterday when you called post mains to amp up the JEE prep. Phew that paid off big time. From first year mein ninad ke saath timepass to second year mein summer ki struggle se lekar MI tenure se lekar placement bt tak we were somehow involved with each other. Thanks for the last dash of motivation on Day-3 . I know I let you down that one time and I owe it to you. Never let anybody give shit to you, you're way better than that

**Shubhankar Mihir Seth :** Hey Animesh, it's been great getting to know you over the past year or so. I'll always remember the crazy time we had at the trampoline park (where was it?) and the insane amount of case prep you did (I'm glad I was a small part of it). From having you as a co-mentor, to seeing your determination and resilience at Placements, and then realizing how talented you are at AIDS, you've left me amazed at every turn. Keep going, take care and stay in touch!

First year ke superheroes se final year ke Om Shanti Om tak sab badal gya buss tere around jo happy vibes aati hai woh nahi badli. Jo nahi jaante tujhe acche se usse toh bohot bholo lagta hoga tu but andar se chalu hai ekdum 😊. Tujhe tire waala case karwaane ke liye ek hafte tak papers apne saath leke ghuma tha mein har jagah. And tumhare saath video toh definitely banta hai boss, jald hi banayenge

Chahe koi bhi problems aye, I know ki tu sab kuch face karlega. Okay studboi? Tujhe bahot belief hai, but just be easier on yourself <3 You know ki you mean a lot to me. Kuch cheeze hai life mei jo sirf tu samaj sakhta hai and I can only share with you! Thanks for being that person jo pyaar se mera rona bhi sun leta hai and samjha bhi leta hai. Thank for choosing what was right over what was easier and thanks for fighting for our friendship :) Woh kabhi nahi bhulu gi <3

**Atharva Vijay Kanakdande :** Every life advice, every party, internships, every bit of inspiration, every 'thoda zameen pe aaja' moment, and 3 straight MI years, thanks for everything! Really owe you the greatest time of my IITB life! Machaate raho zindagi me bhi jaise idhar 4 saal me sab kuch achieve kar liya, makes me very happy to see you run that extra mile. I seriously would be one of the happiest people to see you nail it every time wherever life takes you! You, me and naman make the best trio when it comes to bitching, kaafi sessions pending though :P Andd, 'red blue green' sab aapka hi tha chahe duniya jo bole :P To many more trippy trips and a lot more happening experiences together in life, yaad rakhna hamesha

**Hemil Kothari :** u r among few guys to whom I have shared my secrets, and tere saath bitching karne ka infi maza aata tha, exam ke time tere saath padh ke me fresh bhi hojata tha. infi chillazz aadmi hai tu, tune zakir ka show nhi dikhaya yaar. vo imagica ka roller coaster ka tera pic epic tha 🤔. first year tere saath infi chill mara hai, but uske baad moka nhi mila itna, bhulna maat and touch me rehna, all the best for future endeavours.

**Abhinav Dhakras :** Bro I'll never forget that video 🤔. H5 ka sabse bada raaz hain woh toh. There are very few people who are so sentimental towards their work as well as the people around them and you are such a person. So always stay the same enthusiastic person you are coz bhai doosro mein bhi enthu aa jaata hain.

**Ram Bub :** Hey Animesh! kaise ho app? Yar apke liye toh words hi kam hai mere pas. Although I joined Mi horizon on 1st Dec (sabse last coordie) didn't realised apna bond kitna jaldi bana. Apka MI days me motivate karna yeh kar lenge, Guitar shop ko bulwane Mi me macha denge, hamara MI street Compi machana! I really made memories with you. Mera MI coordie experience with you was awesome. N uske baad apka har step pe support karna! MI me concert pas dena (bandiyo ki entry karwane me help karna 😊- dance Fest) . Apke sath kam karke ke baad feel ayi ki yeh senior hamesha apni help karega aur saht dega. let's meet at Coordie Horizon treat😄 Thankyou For everything Animesh.. loads of love! Machate raho!😊

**Saral Mittal :** Animesh Crexx... hamesha feed m ek baar to mil hi jata h :p The 'Perfect Machau Senior'. Dance, Music, CG Tenure, etc. k beech one thing I (probably everyone) always idealized was your never-say-die attitude. Insti ka pehle performance hamesha special rhega especially the 'Rockabye Baby' was a forever moment. First year se ichha thi Insti life m har baar saath fight maareng, saath celebrate karenge, par thodi alag fights pick kar li :'( MI katane ka hamesha regret rhega. Finally jab free hue, to sab band ho gya. Kuchh aur choreo, kuchh aur fundae lene the aapse. Aakhiri video reh gyi apni saath m, jo ki agar aapne soch li h lagane ki to I m sure ki lag hi jayegi <3

**Ramkrishna Lanjewar :** Bhai H16 ki itni raate baato me chali gyi jaise modi ne desh chalane ka kaam hame hi dediya ho xD ...aur meri sone ki bimaari theek jitni tune fight maari bhai mai kabhi nhi bhul skta ♥♥... Aur apni khatara cycle phak de bc...har baar ka bhana tere hi weight ke liye bani h koi aur baith gya toh tut jaayegi 😊... Bhai tu naa hota toh mai hockey me naa hota ♥...bas bhai life me bhi machate rhe aur multiple streams of income bna de jaise insti me machaya h ...all the best bc 😊

**Namita Soni** : Yaar kitni saari memories hai,AIDS k baad se baat start hui thi,uske baad tera aur aman ka kurkure na khane k liye lecture,fir vo random VC,walk krte hue kai baar pura insti ghum liya hoga,tere ghar k rajma chawal ♥ (dinner kr k aayi thi me fir bhi pura kha gyi😂)bikaner ki kachoriya(tu HN le k chalne vala tha ek baar😂)yoga room days,tu sunrise dhaba pe khana(tu tang ho jata tha k me paneer kyu nahi khaati 😂).Train vala incident,kitna maze se station pe gaane ga rhe the apan aur train chhoot jati😂last year hospital me kitne time baad mile aur 2-3 hrs baatein ki,h15 ka vo jamming vala photo😂aur bhi infi memories hai,bola tha saale form me bangalore bhar de preference. Per milte rahenge <3

**Desai Darshil** : Pro tip de raha hu bhai sun le, kabhi koi ladki ko aage se bollywood movie style propose mat karna. 10/10 does not work and ends up with your friends getting caught by the campus police. Next time, simply ask her out on a date. But then again, knowing you ye bhi fail hi hoga. Jokes apart, tu badiya aadmi hai bhai. 2 years of roommate-hood with you has helped me grow in several ways and for that I thank you. Also bhai, accha lagta tha dekhke ki mech ki magai me koi mujhse bhi zyada chud raha hai. You are one of the most hard working and sincere people I know, stay the same! Until next time :)

**Bidish Ghosh** : Animesh man, how can you always be beaming with energy? Its unbelievable, and I'm totally jealous of the same. I still remember you slogging your arse off during your tenure as Music Convener, and saath me MI ka kaam sambhalna. Yours is a trajectory that many IITians aspire to have, and I hope you keep achieving newer heights in years to come. Apna enthu barkarar rakhna, janta xD P.S. if I remember correctly, we were cult mentors together - and boi was that an exhilarating experience!

**Shubhanshu Gupta** : Apna machau dost, BC se lekr CG tak, CG se lekr dance tak aur waha se job tak sabhi mein machte ho sir aap.... A person with a kind heart, caring attitude and always ready to learn anything new and yeah a guitarist too ♥. I wish we could spend more time together. Mast insaan ho bhai tum. Apne es bhai ko bhoolna mat aur milte rahna. Wish a wonderful life ahead bro 🙌. P.S - Jaldi hi bandi milegi bhai tumko 😂. Bhabhi se milana jarur 😊😊

**Neeraj Sohani :** Hey there! I must say, I don't think I've seen anyone more hardworking and patient than you. I've watched you grow right from ABCD'17 to AIDS'20 and seriously I'm amazed and grateful that I got to be a part of it. You don't know how proud I've felt whenever you went with your "never gonna give up" attitude and achieved whatever you wanted. That one week teaching you guys is one of my fondest memories and an experience which I'll always keep close to me. Stay happy and stay blessed! <3

**Kavish Rathod :** Yo Animesh! We first met in Symphony's Introduction session, didn't realise uske baad itna jyada acha bond develop ho jaega. Uske baad second year me MI, when I was confused a lot you laid down the facts and helped me decide what to do. It has been a long journey and I thank you for all your help and guidance. Aapke jaise full enthu waala bande bohota kam hai, it is you who made me explore different things. PS- Keep posting your new series of songs on insta :D :D

**Mohit Deshpande :** Brooo! SilverScreen treat pe mila tha mujhe tu pehli baar, waha pe tune apna intro itni baar diya tha ki mujhe bhi yaad ho gaya tha (hockey, dance, guitar, film etc etc wala). Phir h16 ki council aur waha warden nom se bakchodi aur solaris. Uske baad itna time spend karna ni hua kabhi (except the DSLR fundae) but milte hamesha rahe hai hostel me apan. Macha toh bohota zada liya tune life me..all the best for the future and stay in touch!

**Himank Jain :** Singhatiya, kaha se laate ho itna junoon aur jasba life mein haar cheez mein! I am so happy that you are back to your original self and don't give a fuck about what others think. Cheers to those non-stop night-outs studying together for quizzes, midsems-endsems, LCH valli short nap just before exam :P, your occasional roast which you pretend as it didn't bother you. You are sweet honest confident genuine individual. I hope this stays with you forever.

**Anirudh Mittal :** 11:30 PM, 31st May 2020 | "You have to push yourself at IIT"~Animesh symphony (Nahi change ho raha yeh toh). Fun fact: You were my mentor for some band competition I signed up for in freshie year. But still it all started from when I signed up for HumorFest. i was low-key disappointed I didn't get Hritwick because I knew him already and I signed up for Horizons because of him. But, well, it turned out to be one of the best things in my insti life. Uske baad se toh crazyyyyyy hogaya yaar Animesh. I never imagined I could be such good friends with a senior. :) When you see this 10 years down the line and feel like remembering college, do remember that you were Anirudh Mittal's favourite senior! <

**Vinod Mewa :** Sir sir sir!! Bhai kitna dedicated banda hai hai tu...Music+MI+Dance+CPI+... aur pta nhi kya kya...insti ko kisine achhese explore kia hai definitely wo tu hi hoga bhai🙏 and mujhe tujhpe 100% trust hai ki ek din tu six pack abs jaroor flaunt karega bandiyo ke saamne :p Bhai ko yaad karte rahna! All the best brother, keep rocking!
