Saman Siddiqui : Hritwik <3 Design project ko fun banane ke liye thank you :P Acha hua bach gaye, age toh legit kuch nahi ata tha :P Woh late night (morning :P) giggle attacks toh yaad rahe ge hi, jaldi se milke sab party karte hai!

Saloni Deodhar : Hritwik, you are the most hard working convener I've seen by far :D its been great working with you, we didnt interact much after the tenure but thats just life, right. I hope you do well!

Sanjay Khatri : Roommate, I don't think apanne itti zyada kabhi baat ki hai lekin still alag level pe understanding and bonding hai apni. Just remember insaan best hai tu and bahoot mehnati and sorry woh first year me jo room me band kar diya tha for bed chori XD XD

Animesh Singhal : Hodor, Lallan Potato, Bihari, and what not bey XD. 1st-year se final year tak pata nahi kaise hamne kitna kuch saath mein kiya hai. Freshiezza, AIDS, Music council, CGs aur vo bhi same department ke XD, same parent company mein intern, ISMP vagarah vagarah. CG tenure was a blast with you. Couldn't have asked for better COs. You have been my support system when things were going out of our hands. The level of patience and composure that you carry is seriously commendable. Teri setting karvane ki treat pending hai vaise abhi tak ki aur jo FB live gaya tha tu uss din uske liye maaf nahi karunga XD XD. Laal batti ki sair kara dio ek baar and do send me lychees :P

Vedant Ladha : Arre lallan potato, you're one of the calmest and most level headed people in the team, except for when you drink 😂 Agli baar challenge mat karna logo ko bhand karne ke liye. Bag le jaana room se if we get the chance to go back to pick our stuff 😊 Magic juice e? 😂

Madhur Sudarshan : I always thought of you as this friendly face and cool senior, but I didn't even know that you were a convener till the day we were shifting the riser and saaman from NCC grounds to the music room lol. Had a blast with you in Surbahaar that year. Thanks for keeping faith in me :)

Pranav Pable : Your ability to stay calm during the worst of the crisis is one of many things which makes you one of the most amazing people on the campus. Playing in a band with you for hostel was one of the memorable moments of my insti life. I wish all the best for your future endeavors. You truly are an inspiration for me!

Pujan Biswas : "Aapko samjha kya yeh ED ka.." ♥ I'm happy ki humne woh conversation kiya tha bhai. Uss half-chaddi bacche ko itne mature and calm insaan mai badalte dekhna mastt tha. Tumhara wing toh epic tha hi and how can we forget the "khada hai..." song 😂 H16 ki jyada baatein shaayad yahan laana impossible hai 😊 CG banne ke baad bhi itna down-to-earth raha and guitar bhi mastt seekh liya. Intern mai toh AAPNE ALAG MACHA DIYA THA ♥ Aise hi aapke smile se machate rehna aur logon ko confuse karte rehna ki Bihar se nahi ho XD Yours, Bisso

Aditi Mahajan : Hello Hritwik(Lallan potato suits you better tho 😊). I remember meeting you for the first time at SOM as your co-CG, I literally messaged my friends to asked them "how's tha Hritwik guy 😊". Like everyone told me back then, you are one of the most hard working, smart and funny people that I have had met in insti. Thanks for being a wonderful co and friend. I will miss all our late night meets, food outings(failed experiments as well 😊), and trips together. Let's meet soon 🍷

Sarthak Sharma : Yo Hritwik!! Placement preparation group mai lene ke liye thanks xD yaar kaafi funn raha 2nd and 4th year tere sath jab apan itna interact kia :D MI days were awesome :) Dil ka bahut accha aadmi hai tu bro aise hi rehna :D Rajdhani wali bakchodi ke liye sorry xD this reminds me ki apni similar 1-2 food outing pending hai, asap karte hai :p Stay in touch bro :D and All the best for your UPSC prep!

Pranav Thakkar : Yo!! I truly made a great decision to have you as our convener, even though you weren't a part of the club earlier. From Music Club to Mood Indigo and beyond, you've proven to be a great leader. I'm glad to have worked with you and see you give your 100% each time. All the best for the future, buddy :)

Mrigank Mahajan : Hritwik, we first met through chemical lab, then became Co-CGs, and eventually Co-Interns. I had a really great time talking with you through our 12 canteen bournvita breaks, movie trips, also the nightouts spent to complete our project. I will always remember the day we had become CG, we were crazy excited & ended up doing no work the whole lab, and the TA judging us like anything. You should really consume stuff in limited quantity, remember magic juice and OC treat. I have never seen anyone more paraniod than that. I admire how you stay calm even in the most pressure situations, also being down to earth & striking a great balance across all horizons in life. Hoping to always stay in touch

Ram Bub : Hey Hritwik!! Ap toh ekdam mast aadmi ho! Bahut sahi, I joined MI kafi late. Mi ke site se name dekhke sidha apko ping kiya tha(1st Dec), N then OAT me mila tha apse, Apne mast baat boli thi Take a deep breathe sab ho jayega! jab labour nai the n Night arena ka kuch nai hua tha. Apke awaz me shanti mehsoos hoti 😊.I loved working under you, apne bahut kuch sikhaya hai, N most importantly apka moral support n wo pata hona ki apse kuch bhi discuss kar sakta hu! I remember apne bola tha "Night Arena-One man Army hai tu" I really felt proud for it-all credits to you! N apke liye infi respect hai!! Load of love ❤️. Yeh junior hamesha apke liye rahega. Stay in touch Always!

Kaushal Kishore : Hritwik bro!! 'Aaj free hai? chal haranadani chate hain' :D. Kudos to our outings in first year. I still doubt if u climbed sameer hill. I have our cartoon photos we clicked while testing your new phone camera features, will post some day XD. The way you stood firm during the placement time is truly appreciable. I wish and I'm sure you'll achieve great heights in life. Take care!:)

Himank Jain : Ranjan Sahab, first year se hi kaafi swagger rahe ho life mein. Right from start, I had a huge respect for you. That respect even grew after the placements season. I know I was the one who was forcing to have a backup but never actually wanted that. That incidence really made a great impact on me how to never settle for things you don't deserve because you deserve much more than that. There is so much to learn from you. You got a dream and I believe you will get it soon.

Kavish Rathod : Hritwik, you were the one who introduced me to the music club, one of the first seniors jisse mera kaafi acha interaction hua. Yaad hai woh chemistry lab ka corridor jaha we met jab aapka CG ka result aaya tha :P One of the most humble and down to earth person I have met in insti, there was never a tract of ego in you whenever you interacted with your juniors. Stay the same happy and sweet person you have always been. PS: Woh H10 ke saame waale bus stand ki conversation yaad hai, us time kaha socha tha ki esa ho jaega aage :P :P

Adarsh Rathi : Hritwik bhai, yaad hai our first interaction? - Me taking your seat in PH class of first year, well sorry for that. Since then, we never actually had an argument, thank god :p. I believe you are a great friend and you have always shared your honest opinions on any topic or at all the advices you have given to me. I really had fun doing case prep with you, as I was assured you actually care for your friend. Remember our visit to the brabourne stadium. Dance and Moodl to bahut hi macha diya bhai tu. Keep up the hard work and all the best for ahead! Keep in touch!

Anirudh Mittal : "You helped me twice in a month, dude!"[still have this SS from freshie year. Can I cash it for a treat when we meet next time?] Hey Ritik (that is how it is going to be forever)! If it isn't clear from all the other YB posts on your TL, you're insanely chill!!!!. I am really planning to prank you with something terrible expecting you to go to insane and then you'll be like smiling like nothing happened. Viral ho jaayega pakka :P Horizons was very fun because of you! Resume review karane toh bhejta hi rahunga :P I have this happy feeling that we will continue meeting after graduation also. IAS banane ke baad yaad toh rakhoge na? <3 #GettinGoodAtSenti

Harshit Handa : Ranjan bhai ♥, apna 1st interaction yaad he, jab wing ke common room me bihar pe comment kar raha tha, and then pta chala tu bihar se hi he 😂. Freshie year me jab me confused tha and tune coin flip karne wala gyaan diya tha, vo sahi me best tha 😊. Apne Daman and Alibaug ke trip feel maxx the 😊, 1-2 trip aur marne the. Late night canteen, HN me cycling (jo ki random logo ki uthayi thi 😂), dance, wing ki bakchodi humesha yaad rahegi ♥. Har field me tune apna more than 100% diya he, be it placement, intern season or tenure. I am sure aage bhi tu infi machaega, all the best, and touch me rehna ♥.

Atharva Vijay Kanakdande : Hritwik Ranjan ka naam pehli baar suna tha Horizons 2018 ATM me and what a journey it has been since then. MI 2018 was the best time for me (after 2019 of course :P), thanks a lot to you! Thanks for being there always and trusting me in all the things that I did and most importantly getting me into MI '19 of course :) Baap-dada jaldi hi hogi, tension mat lo :P As said by animesh, laal batti wali gaadi me pakke se ride chahiye. High regards for those guts of yours (Day 1 ke baad placements kaun ditch karta hai :')) Machaate raho zindagi me and keep inspiring. Stay in touch always!
