Apurv Tiwari : Steedyyyyy! The best TA any prof can ask for. Mujh jaise aalsi insaan se bhi slides banwa diye tumne. 😂 My favourite memory will always be a cute curly haired kid sneaking in my room aur zor se BHU karke darana, and that I actually got scared every damn time lol 😂😂 And always remember, Steddy is just eddy because $\text{steddy} = s(\text{teddy}) = d(\text{teddy})/dt = \text{eddy}$.

Sparsh Goyal : SSup Sarthak, Kya mast bande ho yaar aap. Hamesha haste rhte ho. Thanks for being there by my side whenever I felt alone and depressed. Aap nhi hote toh pata nahi Third year kaise nikalta. Thanks for everything. Stay the same- Hamesha khush. And bhul mat jana apne junior ko

Nikunj Mohota : Will miss those MI, StanC, placement and sunny wale din xD. Especially that one last meet in sunny (with the senti). Until next time somewhere in Bangalore.. And I hope you get to visit 'JPM' sometime!

Anup Itale : Hi Sarthakk..apna intern ke liye travelling wala struggle to kabhi nahi bhulunga..especially wo din jab baarish bohot ho rahi thi and auto me paani aa gaya tha..aur tere alag level ke fundae jo mai kabhi implement nahi kar paunga :P..stay in touch buddy..machaate rehna!

Kriti Kamna : First of all, get me my steel water bottle back, chor kahin ka. 😬 Thanks for all those hidden gossips during Internships and hope you nail the future! 🙌

Yeh line jisko chamkega usne tere saath enough time spend kiya hai. I have never seen someone strive as hard for all the things he/she wanted to achieve. BB wale ka 10 litre expresso pee ke fight maarte hue hardly hi kisi ko dekha hai. I have also seen you break when you don't get what you wanted (or when your cooler friends ditch you). I have been an audience to all the "love interests", all the heartbreaks and everything in between. Some people say ki tu bahut randi rona karta hai. I would say don't listen they are rude, they are petty, they are right. Lmt

Akshata Dalvi : Bro.. I cannot forget how terrified we both were when we discovered that we had to work together on the same team and two years later, here I am, writing on the YB of the person I admire the most. 😊😊 It was a pure delight to work with you and no one can match your ability to connect with strangers instantly. I am in complete awe of how you have preserved our team bonding over these 2 yrs. I will always cherish our HO treats, PO hangouts, goa trip, birthday celebrations and hours-long discussions(though you should take my advice sometimes😅). Having witnessed your dedication and sharp wit, you are headed to a massive success no matter where you go. May all your dreams come true ♥♥

Arjav Shah : Hey Sarthak! It is lovely to have known you from Kota and yes, it was nice to meet you here again! :) Of course, the only outing we've had - HN was lot of fun! (With Sahoo, right?) Wish you all the success in future and take care! :)

Ritik Madan : Until last year, hum dono ke interactions were almost always some kind of bakchodi related (elections being the biggest one :P) but I'm glad I got to know you better in the last year. Gossips and panchayati me you have always rated amongst the best. Perhaps this is what made you close to our wing XD Hopefully milte rahenge and apne discussions toh chalte rahenge Modi ji ke ashirvaad se :P Keep smiling like you always do and all the best for your future :')

Adarsh Rathi : bhai sarthak, gossip ki dukan had a really great 4 years with you. I think our mess discussions were so offensive to some people but god, they were so good, funny and i so much enjoyed it. Tu bhai bahut efforts maarta hai, kabhi kabhi extra cool bhi banne ke liye bhi :p. Football ka tere se bada fan nahi dekha hu mei, mujhe tere first year ke karname yaad hai abhi tak. Bade log mei tu hai and kuch hi dino mei jyada paisa kamane lagega, CFA ke baad, mujhe bade log bolta hai bc. One unique thing about you is you gel in well with everyone, no matter the situation. Lab group mei ye applicable nahi hai though :p. Anyway, it was fun. Bro, you are genuinely a good friend. Keep in touch All the bes

Chhavi Verma : Yo Sarthak, NSO me itne bat nhi hui thi apni but MI ke time and then coffee club ke badme apan dost bane. Bahut maje kiye hai coffee club me and aage bhi krte rahenge. Intern time pr help krne ke liye thanks but luck hi kharab tha mera :(koi nhi. Aise hi mast rehna and yaad krte rehna :) Good luck !

Bohra Ankit Narendra : Yo Sharma! Bahot zyaada interaction nahi hua tha apna but jitne bhi hue the they were all good. I can undoubtedly say one thing...agar koi jugaad karna ho insti mein toh tu pakka kar sakta hai!😂 You had definitely worked well during the tenure. The good thing is tu almost humesha hasste rehta hai, even when there are some targetted jokes you take them lightly and thats awesome! All the Best for future. Stay in touch!
