

NISHANT KUMAR

Energy Science and Engineering

Yearbook
2020

Santnam Bakshi : To my roomie at IITB. You were one of the best roomies anyone could ever have. You tolerated me keeping so many things in the room. I changed up the room with a Bunk bed, and you tolerated that too. Over the 5 years, many times, you were up for a late night movie plan. I really felt the loss of my roomie, when I was living in a single room on exchange. Keep in touch dude !

Gaurav Chaudhari : Bhaaaaaaai! Devmanus hai yeh banda. Roj maggi ka bhog chadhaunga me! <3

Aadarsh Parashar : Bhai bahut accha insan hai tu, ekdum settle life me. Koi pain hi nahi hai. Kaafi inspirational banda hai tu. Tujhse kaafi seekha ki kaise chup chap apna kaam karna chahiye and baki duniya gayi bhad me. Macha dena
