Pranil Jain : Ek time par bht close hua karte the apan, fir saala nazar lag gai. Kya maze kiye hain bhai apan ne, aaj bhi yaad aata hai sab. Genius toh tu hai hi, machate reh. I hope we meet soon and relive the best of times we have had together. Take care.

Vardhil Mehta : Guptaji! Apan shayad Darshil k through 3rd sem me pehli bar mile the (solid mech k liye). Jyada interaction to hua nahi apna but jitna hua us se ye to pata chal gaya ki tu bahut calm aur relaxed rehta h. Coding machata h tu bas ese hi machate rehna. Jate jate bas itns hi kehna chahunga "Hey Jude, Don't make it bad. Take a sad song and make it better."!

Raghav Goyal : Saynit!! :) Thanks for helping me during tough times bhai! Legit uss time paise ka infinite pain tha, and i still can't believe ki tune 2 min nhi lagaye sochne and you gave me that big an amount! meant alot to me bhai! tu infi chill banda ha life mei and legit infi smart bhi!! stay the same bhai :) take care! stay in touch

Naveen Kumar Yalal : "Naare takdeer!.." iske baad tera wla hai, Teri existence apne Zubin ne mandatory karwaya warna kaha tu nanga ghumta hua creep hi rehjaata. IQ thodi zyada hai teri isliye thoda swag toh dikhata hi hai, waise mere texting ka gyaan tujhe de kar meine tereko kuch toh sikhaya."Kaisa gaya uske saath?"yeh constant question tha tera. Bahut rant suni hai tune meri and discuss kiye, it helped a lot. Par tune uss content ko kaafi exploit kiya mess mein sabke saath. Ab woh tujhe ISIS mein sikhaya gaya hai bachpan se toh aadat thodi badlegi dhoka dene ki. Regularly nahakar kapde pehen liya kar, please. Kise pata tha tu bhandh hoke FIFA alag hi level khelega. Untill next time rival.

Abhinav Jain : Inter IIT Tech, HPSC, Kdom lab... supervisor ji ke ashirwaad ke bina kya hota hamara. Bro, tere bina insti life would not be the same. I am baffled and humbled by the level of your knowledge in reinforcement learning and more than that tere jugaad, woh work permit ke liye insti se bonafide student ka certificate kaise aaya tha ek din mein meko abhi bhi nhi chamakta. All the best for the future, and please hamare Kdom lab ke supervisor hone ke naate treat dete jaana meko aur Mrunmayi ko (Siddharth ko bhi bula lenge). Let's stay in touch!!!

Anumay Ashish : Sanit bhai....#God peoples.. kabhi zyada baat hui nhi hai apni but han har woh chote mote discussions me apan ne maze to kiye hai. Aap wing nhi aye aur hum swapnil se party bhi nhi le paye... khaer woh toh le hi lenge... Frankly aap kaafi machau aur modest dono ho and keep that just the way it is, stay in touch

Drish Mahnot : Apni kya hi senti ki zarurat hai, apna adventure is pretty much starting but it's been a great start man, can't think of anyone else I've liked so much in such an unbelievably short time. Kaafi smart, kaafi sensible and very likeable personality. Koi alternate reality me hum salary split kar rahe hote. Think we got a better deal than that :D

Vedant Ladha : You are easily one of the smartest (yet extremely chill) guys I've met in insti. Talking football with you has always been fun, mainly because of how poor Arsenal has been over the last few seasons. xD I remember us spending 5-6 hours going from one building to another just to reg for CS minor, pata nahi utne time kaise jhel humne ek dusre ko xD. PES khelna hoga kabhi toh batana, ab lag nahi hoga :P

Chinmay Kalra : Sanit!! Mere Pakistani bhai 😊 Introduce toh hum Pranil ke through hi hue the, when in our first year we all used to go for outings together. Aur bhai tere se zyada smart aadmi insti mein maine nahi dekha. First year ke baad we couldn't meet so frequently, lekin jab bhi milte maza aata baat karne mein. Tu mast aadmi hai bhai..stay same and keep in touch!!

Harsh Jain : Hey Sanit, You are undoubtedly the smartest person I know here and also a great mentor. Thanks for always be there to help in problems related to anything in the insti. Stay the same cool and easygoing person you are . Aur ha, party due hai apni abhi bhi 😊

Divyam Bapna : Dheelu!! First year me ig mai tere room pe bas ek baar aya that jab Patel poore floor pe sabse pooch raha tha ki kisine tera laptop dekha kya. Maine usse pucha sanit kaun h pehle ye to bata, lol. I hope Amsterdam me teri nanga rehne ki aadat chhoot jaye. This goes without saying, PARTY HARD :P!! I'd appreciate agar mera motto tu bhi apna le, which looks like is probably gonna happen. Udhar bhi machana and mujhe updates milti rehni chahiye XD. I wish aur time mil pata insti me...!!

Mohil Patel : Sanit tuje mila to first year se he hu, but proper closeness to 3rd year me he aai hai. Tuje kaha kaha ke thak gaya me but tune kabhi shirt nahi dala, pure time wing me shirtless ghumta rehta tha. And kitne baar kaha tuje FIFA install kar le khudke laptop me par nahi khelna to mere laptop pe he tha. But jo be hai maje bahut kiya hai tere saat, badia bakchodi marta rahta tha wing me. Thoda cricket khelna sikh le, and football me passes accha hai but bhaagna be padta hai thoda. Courses kamm he rahe hai saathme but logic for CS me end-end me padke and adwait se samaj ke paper likhna ka maja he kuch aur tha, i guess wo pehla course tha jo itna leniently liya ho mene, all thanks to you.

Shah Zeel Sanjay : Sanit Bhaiya, arre sorry, Sanit wo Ashish ke hospital ke liye dodana and then late night BnB me dinner Karna hamesha Yaad rahega. It was my first time at BnB. Thank you for guiding whenever needed. And aage BHI pareshan karunga if required 😊. Aage Jo kaand karo wo batate rehna time to time. Waise bhi Mentor treat toh lekar hi rahenge! All the best!

Nilay Pande : Sanit, tere dad ko tere insti/concert/Himalayan trek ke karname pta nahi hai. Is sabke saamne toh mai pakka shareef hi hu xD. Yeah man, I will always remember the random long discussions, tu, mai and Shreyas ki pizza parties and jab jab tu Kapish ke room mai aata tha xD. Tu kitna aalsi hai bc, thoda effort daal de once in while. Waise vo teri strength bhi hai in a way. Also nanga ghoomna bhi kam karde life mai, ab hogaya graduate tu. You are really grt and chill guy who doesn't take things very srsly. I really like your outlook in life. CMU ka letter has finally been confirmed to be authentic xD & I have never peaked in a stall. Ye sab tum logo ki fantasy lag rahi hai. Touch mai rahiyo bhai.

Shubhankar Mihir Seth : Sanit sir, I remember clearly how I know you - you were the machau kid in the tut batch who had all the answers XD. And we really cemented our bond the day we went on Mumbai food darshan. I really cherish that day - Vada Pav at Dadar to DiBella and Sardar Pav Bhaji , and of course symmetric mountains and moving half-ellipses. From that to our TGIF treat and SMP, and all the labs in between, it wouldn't have been half as much fun without you. I've always been in awe of the way you go about achieving your goals quietly in the background, while being super chill all the time. I'm sure you're going to take the world by storm, and I hope our paths keep crossing. Till then, take care, stay in touc

Sahil Saiyad : 1st year summer was the most peaceful summer of my insti life I think. All that I remember is just chilling with you guys in the wing most of the time and listening to those extremely absurd stories of sumit. That night when you, pranil, smit and sumit were drunk af and you puked everywhere in the room and then took off your shirt and started cleaning the floor was so crazy dude. I wish that our cat wouldn't have died. I hope you're still not an Arsenal supporter. Stay in touch and have fun in the weed capital.

Shreyas Chaudhari : Gupta ji, thank god ki tum ED partner the, warna solanki ke sath kya hota 😊. Labs me maja to tum logo ke sath hi aata tha. Mast entertainment ho jata tha especially solanki ki marne me. Lacture hall se hostel tak random talk ke sath kaamki advice and suggestions bhi diye h tumne. Chill hoke aaram se machana koi tumae sikhe, ese hi keep it up. Ab to badi party deni hogi 😍!!!

Krishna Wadhwani : Yo Sanit!! Inter-IIT and Mitran ki outings memorable thi kafi as they established our bond 😊 You are very likable, smart, easygoing and cool. Aese hi machate rahe life mein!! All the best and will need to keep in touch 😊.

Parth Solanki : Gupta jii!! Yrr mereko yeh to yakinn h tuu optiver me machaa dega per mereko terii fikr h ki mere instructions k binaa jii kaise payegaa tuu xD. Labs me milne k baad apni dosti badhti gaii. Tere jitna chill hone k baad bhi itna machane waale kaafi kam log hote h. Apan kaafi labs me saath hi hote the and usame apni viva me harr baar lagti thi xD. Prof jab terii maarte the mazaa to aata thaa woh dekhne mereko xD xD. Peticular woh man pro lab me apan ne infinite bakchodiyen kii thii be 😂. Ab tuu bhi bas aise hii chill rehnaa aur machaate rehnaa. Tereko stay in touch kehne ki zarurat naii h kyonki meri harek story per kuchh na kuchh chutiya saa reply toh de hi detaa h tuu xD. Ab bass jab mokaa

Kapish Singh : Abe Nepali tu hai!! Nepal m tu rehta tha...Tereko kya gaali dene ka mann krta hai mereko....But Tu aadmi achha hai kaffi.. Apni fight of the century bachi hui hai... And usme tu kaffi pitne wala hai XD XD.. Bhai terese kaafi cheezenn seekhi hai implement karunga life mai... Shirtless ghumna kaam krde toda... Teri random stories sunkar kaafi maza aata hai.. Toda alas krna kaam krde or sabzi khane lag ja... Sath me milkar daaru peeni hai be.. Contact mai to apan rahenge hi.. Humesha aisa hi rehna... Bs shirt pehenna seekh le.. Baki teri weird stories to humesha sunne mai interested rahunga...Contact me rehna varna bhot maarunga..

Arpit Kedia : Itna laid-back rehke bhi tu itna machata hai, acchi baat hai, par kabhi infuriating bhi ho jaata, hum itne efforts daalke kuch nahi kar paate :P. Machine design mein sabse zyada ideas apan hi toh pitch karte the :D. Woh recycle bin ke liye pura wing aaj tak chidhata hai, but I have learnt my lesson xD. Tera happy-go-lucky attitude kaafi infectious hai, exams ke pehle Naman ke saath entertainment hi hota tha, padhai nahi. Tu har jagah machayega, Optiver ya grad school. Keep in touch, and all the best!

Arush Gupta : Bade bhaiya, Saadar pranaam You're one of the kindest and most understanding people I have met. The openness with which you ask questions and hear other people's views without any judgement is just amazing. The world would be a lot nicer place to live in with more people as thoughtful as you (copy-paste kiya xD but bcoz i genuinely believe that) Dimaag kaa dhai waale saare incidents yaad hai mujhe xD Our discussions helped me sooooo much, not kidding. Thanks so much for all of it yaar. Touch mei rahe bina kuch nahi hoga mera xD Hamesha rahunga <3

Harsh Chandak : Hi Sanit! I think we met for the first time way before Zurich. You probably didn't know me at that time. We were doing a project under Shiva sir. I remember during a group meeting you were speaking and I was like what is this guy speaking (It went all over my head). You are really smart but also chill at the same time. It was a pleasure to meet you in Zurich. All the interactions that we had afterwards were also fun. Stay happy and all the best for future! :D

Rohan Potdar : Chotu, dus baar samjhaya hai papa se aise baat nai karte. First & foremost, tera manufacturing course project presentation was amazing; mehnat tapak ke dikh rhi thi bhai tujhse 😊. Jokes apart, 'kaafi decent' and chill banda nikla tu toh. Mech mein hoke RL ka kaam balance karna isn't easy; kaafi smart bhi hai tu! I know saying all this will just feed your heightened sense of self-importance 😊, but dono ko pata hai TT god toh mein hi hu! Mere 2 Cavin's kaha hai? Sunny, wing ki bakchodi, nighter before exams, nashe(mentor kaise bann tu?) humesha yaad rahegi mujhe. I know you'll achieve everything you wish to do, bass T-shirt pehenne ki akal aa jaye toh sahi rahega :) Milenge firse, nashe karne

Mukul Jangid : Saale dhokebaaj room badal liya do saal baad. Waise sahi hi Kiya mein tujhe 24x7 adnanga ghumte toh shyd nahi dekh paata. Bhaiya dimaag toh tumhara bohut hi tez chalta hai (dono kaam ke aur mastiyo ke liye). No doubt you are one of the smartest person I've met in my life buss kabhi yeah nahi samjha ke pure din laptop mein tu dekhta Kya hai. Woh meta elec waala exam aur roota hua laal chehra toh mein kabhi nahi bhul paaunga. Jitna pareshan kiya tumhe English words ka meaning Puch Puch ke unn sabke liye sorry. Baaki toh kaafi maaje kiye tumhare saath specially cake shop waale SE baat aur tumhari izzat utarne waala video 😊. Aasha karte hai ke wapas mile jald hi.

Arjav Shah : Kashmiri! I'll fondly cherish some of the best & craziest times we've spent together - starting from the 1st & the last salsa night I ever went to xD I still wouldn't have the courage to ask that (unknown) group out (0/0) but am proud to have convinced you (0/1) :P Freshiezza (with Ladha - photo se hata dein? xD) & lakeside were lovely, so were SoBo & BnB ;-). You're one of the sharpest people I've met! Love that humility & curiosity you possess :) You're gonna do wonders & keep me updated with your loads of continued (silent) machana! Here's hoping that we execute our 'dream' trip plans & all the food outings I wish we'd gone to! P.S: I'll eagerly await your PhD application, Sir! <3 :P

Sarthak Khandelwal : Bro! I will always always remember the crazy Suburn story you told us that day, it was something else XD I remember the time we randomly went to Mitron da Dhaba, thanks for taking me there for the first time. Even though our interactions were brief, they were really fun! Take care man, send me pictures of Tomorrowland! ;)

Nirbhay Wadiwala : Sir infirandom cheezo main mile aur usse zyaada random cheezo ki baat ki.. I hope this continues well into the future

Shubham Gunawat : You know just how tough it was for me write this, for a couple of reasons. First, you know me so well that you'll know when I'm bullshitting, and second, it's hard for me to accept the fact that you won't be here anymore. You know how you've been a constant in my life for last four years, you have listened every little weird thing I told you, believe me you just don't find a listener as good as you everyday. I will miss our overnight discussions on H13 roof top and I'll miss our constant outings on Mitra, Sunny and mimi Punjab. I just knew that whenever I needed a voice of reason, who I'm going to turn to. Believe me, there isn't anyone who knows more about me than you do. So whether you lik

Anirudh Mittal : Hello psuedo room baap! CS 419 se aapke piche pada hoon main and aap humesha smile karke hesistantly help karte rehte ho! I really think aapka IQ measure karna chaiye; kaafi high hoga. Abhi toh infinite fundae lene bacche hain. Amsterdam main sirf kaam hi karoge na? :P Let's hangout some time? <3

Trivedi Karan Paresh : Yo Sanit! Kaafi cheezon pe naye perspectives mile apne saare interactions me. Gotta hand it to you, you have the ability to engage random strangers in interesting conversation. You also have a reasonably good sense of humor but it becomes repetitive after a point :P As big a Tendulkar fan as you are, I still have to say Lara > Tendulkar (deal with it). Touch me rahenge bilkul, apne life ke interesting kisse sunate rehna (they're one of the highlights of our hostel life). Peace, brother.

Gaurav Verma : Dheeeeelluuuu!! Meri zindagi me jitne log maine abhi tak dekhe he usme sbse god aadmi tu he yrr. TT me teri fast wali service bhai, aur tere biscuits and cookies aur specially vo nutties yrr. Mughe aache se yad main pura akele kha gaya tha vo packet. Baki yrr dheelutu tu padhta kab he aur kab itna macha deta he yrr , bahut jyda IQ he yrr tera. Aur mtlb mughe yad IE 504 ke course me tu mughe humesha bolta rhta tha ki are verma chill kar bhai ho jayega pass. Baki tere sath joint fukne me bhi bahut maja aata he.
