**Mudita Rana :** Lappppoooooh 😭😭 senti kar diya post se. Taking up the fresher's performance was one of the best decisions in insti life, and I have you to thank for most of it 💛💛 tu bohot mast Banda hai, it's always laughter and good vibes around you. Inter IIT me jab din ke 12 ghante saath me rehte the hum sab tab pata chala how invested you are in that performance, and how deeply you care for the people you love. Itni calculations kabhi nahi ki jitni humne start ki red/white formations, some nights ke liye ki 😂😂😂 having you around in December made the whole journey more fun and special. iss sem tujhe convo pe dekhkar bohot accha aur alag hi senti laga. Dec ki shaadi ke laddoo ka abhi bhi wait karrahi mai. Nahi mile, toh "abbbeee saaallee" 😂😂😂💛

**Puneet Kaur :** Heyy! I met you in Bangalore when I shifted to Mukul's PG. Thankfully, tu uske jaisa nhi hai xD Bahut bura lagta tha tujhe itna chill dekh kar intern ke time 😊 mast dance karta hai tu and it's really nice and good talking to you ♥ bus rides to the mall, Domino's and the weekend trips to Kerala and Nandi hills were fun 😊 agle saal Bangalore aana and pls acchi movies hi dikhana 😊😂 stay in touch ♥

**Mukul Jangid :** Lapoorv meri jaan mere kofte video kab shoot karna hai 😊. Chillar practice mein mera first impression toh bohot kharab pada tha tujhe but phir bhi pta nhi kaise tune last 2 saal jhela hai mujhe (specially during AIDS). 4th year mein aake thoda seekh kya gya tu sochta hai apne guru se aage nikal gya 😊. Koi bhi major tension ho toh sabse pehla call aapko hi jaata hai ♥. We share same fears and precautions mentality buss mein dikhata kum hoon. Teri di hui gaaliyon ke bina saari trips adhuri reh jaati. Ek saal aur yahi hai toh jab bhi yaad karega aa jaaunga (with few delays maybe). Humesha yaad rakhna tere liye Korean mein likhna seekha tha meine. Shakal dono ki kharab hai dono single hi mareng

**Aman Malviya :** Tujhe maarne ka bada mann krta hai... Gyra me aata hi nahi tha, kitna padta hai bhai.. Gyani purush, hume bhi thoda sa dedo...bhala ho jaega humara bhi... Apna video banega bhai... **Parthasarathi Khirwadkar :** Yo Kishore! Pro dancer and artist! You are the life of the party dude! Tere bina koi bhi party or treat complete nhi ho sakti. Watching you enjoy dancing has also made me interested in trying it out. I have never met a guy with so passion for dancing. Unfortunately, I never saw your live performance 😊. First year se apan ne kafi maze kiye. Remember "Muhammad Ali", our digital calculator? Also, tere rants about profs and acads were epic! 😂 Exam me hugne ke baad sara stress profs ki bitching me nikal jata tha 😊 Final sem me raat me TT sessions were super fun! I wish that we could have one more treat together. Keep the passion for dancing alive and stay in touch bro! 😊

**N Jagadeep Sai :** Keep on drawing... Keep on dancing :). Next milne pe collection dikana.

**Mohit Deshpande :** apooooorv ! bhai intern aur banglore ka stay adhoora hota agar bhau ki videos ni dekhi hoti. tera aur arpit ka kutto jaise hasna kabhi ni bhoolunga me. tera korean cheezo/logo se obsession, roz roz sweet corn khana, ghatiya movies, trips pe chutiyo wali harkatein, TT me tujhe pelna, aur poori bakar ke bina kaise nikalta wo time. 1 saal nikal le insti me aur phir milte hai <3

**Abhijith Krishna :** Eyy Tondus OG... Yaar we still have a year.. Looking to dance more with you, and strengthen the Tondu clan. I still remember you sitting backstange and fixing all those lights by yourself.. Literally you were the most hard working OC I've had.. You're an amazing guy to be around with

**Harshwardhan Mourya :** Apoorv boi, kaafi shant swabhaav ke lagte ho tum, kaafi humble. I still remember kaise quiz and aids ka kaam hote hui bhi tu gyra ki practice and choreos karane aata tha.. khatarnaak hi manage kiye wo toh.. 2nd year gyra toh hona bhi nahi tha tere bina😭🙏. Boi, Thanks for that, tenure safal kara diye😊. Tumhari dancing skills alag hi level pai hai, plus wo bollywood gaano pe expression, katai zeher. Aise hi machate raho

**Nand Lal Chaudhary :** Mottuuu!!! I'm not gonna miss you kyunki aap mere sath hi pade rahoge pure saal. I have never seen a hardworking guy like you and I always admire the way you see things. Aapke sath kuch bhi karna humesha fun hota hai and there's always a new learning experience with you. I love the way you dance and aapke killer expressions sachme kills me XD. Aapke rone dhone ke bina saari trips adhuri hai & I'm really sorry for that day (I hope aap humesha seat belt lagaoge). Ese hi kill karte raho ! Best OC ever <3

**Neeraj Sohani :** Tere lie likhna is difficult, cheezein YB k lie too personal ho jaengi ^\_^. Apoorv Kishore you've really helped me a lot in taking care of the problems I've had these past couple of years. Thanks for listening to me rant and for not giving up. You're a great person, always ready to help, duniya ka bojh uthane k lie hamesha ready <3 but sometimes you need to stop doing that and take care of yourself. Seriously, koi aur nahi hoga jo aadhi neend me mere lie proper canvas pe ek poori painting banane k lie ready ho jaega xD Thanks a lot for that and I just realized we owe you a treat. So jaisa pyaar sa tu hai, waisa hi reh bhale hi duniya kitna bhi pain de ^\_^ I'll miss you. Love always, Neerja <
