Krishna Wadhwani : Haan bhai same school kaise bhul sakta hoon 😂. First year aur ITSP summer mein kafi time spend kiye! Thank you likewise bhai for all the help ♥.

Saurabh Kolambe : Yo bro! It was really nice working with you. Whatever small time we had, I really enjoyed mentoring you. Always keep smiling. You have a really cute smile :P. Tu Jab bhi lift me ya kahi raste me milta hai, har baar teri smile dekh ke achha lagta hai. Aise hi haste rehna. And aage bhi mil ke aise hi smile karte rehna :D

Atri Dutta : Will miss running into you every now and then in the Physics department. Racing se leke, ab tak, aage bhi. Thanks for the infi help for my conversion. Aage bhii machana, and keep in touch, okay?

Kenrick Pinto : In the last two years we've really become good friends. Billiyon ke saath bakchodi karna to uss din H18 main intern ke baare mein rona and poker khelna was really fun with you. I think the only regret I will have is not pulling that chappal wala prank with you in our wing. It was great knowing you and hope you do well ahead. Hope we stay in touch. Bangalore mein mil lena bro.

Sumanth Kandala : Bhai tere bina seriously Techfest boring ho jaata! Bahut maza aaya yaar saath mein competition niptane mein, set painting se leke participants ko judge karne tak :P. I'll miss our random and short meets in the corridors of the hostel! All the best for the future!! Machaate rehna!

Anusha Dubey : Hi Mrigank, Our tenure was really fun and also, that box 8 thing will be remembered for years by the council, insti par case hote hote bacha XD Wishing that you have all the success and never get into any box8-like situation again :P

Aman Sharma : Kyse ho DGSec sahab?! It's been so great to know you. You have this chill and calming presence one would gravitate to. Haan yar ek trip toh banta tha xD...guess that's one to look forward to! With that cool head of yours I'm certain you'll not only do great for yourself but everyone around:)

Shubham Gunawat : Mrigu! You are one of the kindest soul I've ever come across in my life. You were always there whenever I was at a low point and could've used someone to lift my spirit. You were always my go to guy whenever I needed any kind of help, thank you for being there. Also I guess you were the only guy who shared my love for kurtas 😂 Will miss you a lot.

Sukanya Kudva : Hi Mrigank. Yes, our paths have crossed briefly multiple times from Keshav's cousin's wedding and playing Connect that night to the recent Lukkha night. It was always nice talking to you. I still remember on the Lukkha night day, you had got so tired with organising and everything that you dozed off in the end. You have been a nice GSec (and thanks for helping me out with my DD application too). Oh, Kartik has a lot of names to call me. What you heard was probably his own version of my surname (dont rely on his pronunciations) 😂. Lets keep in touch:). Bye!

Kartik Patekar : Hey Mrigank! This last year, you have been my go-to guy for everything, from maggie requirements at 4 am to advice on placements. You are a very amiable person, we became good friends during 2nd month (XLR8, right?) and have stayed close forever. I have memories of some nice late-night discussions with you, of us working on projects, sharing food in canteen, fun in Elec labs, and you pulling my leg all the time xD. You are a very dependable person, and were a great GSec. You put a lot of thought into arranging the Valfi (The gullu guy was pretty slow:P), and you deserve huge credit for Lukkha night. We did go to BB that night, but your actual placement treat is pending. Gonna take it soon!

Saipriya Satyajit : Mriguu! it has been so great knowing you. You're a really strong person, I have always felt a lot lighter talking to you. I hardly remember a time when I have seen you not smiling. And I am really glad I got to meet the ever cheerful and smiling you. True, Gyros was really amazing, again I have to thank you for that, you were the one who recruited me 😊, remember?😂. Thanks a lot for helping me out during internship session, I was clueless many times 😂. And dear Mr GSec, I hope you achieve all you want in life♥, and we stay connected. Sorry for teasing you as jalpari during ITSP 😊.

Abhisek Sahu : Mrigu Miya! Adaab! Apke saath kaafi saari yaadein Judi Hain. You have the capability to make even the most serious things funny by shaking your head like Beyonce 😂. Humare Dept Ka khayal rakhne ke liye shukriya Gsec sir. Machate rehna ML mein 😊

Zote Ajit Sanjay : Mrigank bro! Bohot dedicated aadami ho Bhai aap. Touch me to rahenge hi, what's app stories Jo daalte rehta hu Main xD . And all the best for your future _/_

Neeraj Kumar : Mrigank, first time when I came to meet you, I was a bit nervous. From the first meet, it flew away like never existed. I was fortunate to work with you. The trip to Kothari-Garh and, of course, RASP meet, will be forever in my memory. We were lucky to have you as GSac; being a friend is the luckiest! Stay in touch.

Adane Sahil Ravindra : Mrigu boss! We have come a long way together from the first year kids (ps. paani de na). I respect people who wish to constantly improve themselves and accept feedback always (eg. 'sleep smarter'). I remember the GSec discussions that you had with people, you did those not because you had to but because you cared about what we said. Your support was extremely important during placements. Always a good person to talk to about anything on my mind. I remember you saying to me once during ITSP that, 'tujhe leader banane ka bahut fayda hai.' (your most imp. contri to itsp? xD kidding) That discussion still means a lot to me and acts as an assurance for me. And yes obviously, touch mai rahenge

Sowmya Ravichandran : Hey Mrigank! It was fun working with you last year. I think you did a great job as the DGsec and I've always liked your work ethics. Despite being batch mates we have never talked much before and I wish we interacted earlier. Best of luck for your future and do stay in touch :)

Vaibhav Singh : Thanks, Bro for being closest to me in H18. I loved talking to you about everything; placements ke hacks ho ya bitching EP, Bodybuilding inspiration ho ya life ki senti. Everything clicked(UP _^_). H8 me bhi you were always ready for competition or challenge(machax quality), which gave us some winning moments(RIP Van de Graaff) Bro, you are one of the most helpful person and the one who always keep smiling. Aese hi rahna. Sareen ki lab ho ya hair grooming/experimenting sab sath-sath. Our bonding grew sem-by-sem, even we were in different wings, but it kept growing, and it will keep on growing. PS: I am missing your Alexa!

Nirbhay Wadiwala : Bhai from your extra pathetic PJ's to the laughter on your face indicating how satisfied you are cracking them, I couldn't be any more surprised to find a person like you...

Pratik Prabhakar Wasate : Mrigank bro! You are one of the most calm and positive person I have met in the insti. You and Vaibhav really helped me to get through the Placement season. Will miss the late night senti talks. All the best for future and we will definitely stay in touch.

Keshav Janyani : Mrigank.. you are a wonderful person.. seem tough with that body but you are very approachable and fun.. you always help out people when they are in need.. your GSec Tenure was amazing.. I hope we meet soon for that treat of yours :p

Lokananda Hari Vasabhaktula : I won't forget those pranks on Kenrick you set up. And the time you blamed one on me. You are a really cheerful person. Hasste raho.

Ananay Garg : Mrigank bhai <3, tu hi hai EP mein jo mujhe tbh insaan lagta hai.. Bro, tu kaafi memories ka part hai. Woh humara legendary productive week - ML, IP yaad rahega. Bro tu tha jab meri internship lagi thi :p. Lucknow ke tunde kabab, waah! Apan toh touch mein rahenge hi bro.. A real people's person hai bro tu.. Bro, tu waise kaafi yaad ayega <3

Aayush Anurag : Bhai tere body aur power (Haanth milata hu toh sahi mein feel hota hai💪😊) ka fan hu, from the first day I met you. Kaise kaise karke Minor ke courses complete kare hain dono ne. Hamesha smile karta reh jaisa karta rehta. Baaki tumko message karke kabhi kabhi hasane ka try karunga. All the Best.

Luv Nainwal : Yo Mrigank! Yaar same place se the phir bhi ku nhi mile yaar hum? 😞😞 Hum to insti ke pehle hi mil liye the yaar. Kolkata ka experience yaad hai. Kitna chill maara tha wahan xD Freshie year me kuch time mile the, then randomly walking towards the LCH to Placement office. Har baar conversation lekin kaafi mast hoti thi. Yaar, kaafi mast aadmi ho aapke charche sune the kaafi. Insti aakar aapse fundae bhi kaafi liye if you remember out chats. xD Wished to have experienced some with you. Machate rehna life me.
