I will always remember you coming daily to my room ranting about food, acads and "khane ka kya karna hai". I hope you go from RIL to NIL(Neema industries limited :p). Ps: Thoda rona kam kar and stay in touch always.

Himanshu Goyal : Neema bhai! ♥ You was there with me at my lowest (That CL 678 presentation) and I am happy that we will work together (hopefully). 😊♥ Course on wheels, iitne saare assignments, placements sab nikal liya jab tu saath mai tha.. I guess Reliance bhi jhelne layak ban jayega. ♥♥ Indore trip ek aur baar karte hai, and iss baar merko salon mat leke jaana. 😂😂♥ Love you bhai 😊

Akshay Bhamare : YO Neema Sir!! Ham log ek hi lab sub group me the tab se jaanta hu bhai tujhe. S1 me bhi bahut saare course aas paas baith kar nikale hain. Bahut sahi banda hain tu, have always enjoyed discussions with you- be it on boring ChemE courses & labs, intern, career, placements. bahut hi down to earth, friendly, hardworking, thodasa tension lene wala :P, cool, mast aadmi hain tu! Keep in touch bro! Best wishes for a bright future <3

Alok Kumar : Haan toh Ankit Ji Neema!! Kya tareef karun mai aapki. From second year onwards wing ke constant entertainment ka responsibility aapne le liya tha. You provided the much needed content for distraction from otherwise monotonous insti life via your weird actions,overheard gossips and skewed(screwed?) perception about the world. But inn sab ke beech aapme ek faakiri toh thi apne aap ko lekar. Wing ke random talks and duniya daari ke chinta karte hue bhi aap kaafi focused rehte thee (slides padne par _/_..attuut nishta). Summer of '18 would have been boring without you. I will forever miss the aunty-que pair of you and Single constantly judging me. Hope to see you as owner of NIL empire soon.ATB

Tu hamesha apne goal k liye bohot dedicated rehta and you always work hard to achieve them. But life ko kafi seriously leta hai, thoda chill marr. And yes how can i forget, tune hi naam karan kiya tha mera which became my identity. Thank you for everyth

Would've loved to finally get that treat from you before you graduated (BnB ka pizza doesn't count :P) but koi nahi, jaldi milenge aur Magnum pe charcha karenge! Wish you all the best for your life post IIT, stay like the relaxed and dependable person that you are, machau mentor! :))
