Bhavy Meghwal : Text ka jaldi reply kiya kar warna log baat karna chhod denge. And please don't say "sab bta du tereko"

Tanya Gupta : How do I tell them I don't need 700 characters because I have the one that's you xD I know, laaaame af. Hanging out with you I'm this carefree, fun and honest version of me and makes me forget everything that's going wrong in my life, coz I'm either always laughing or giving you a look for making some random annoying comment 😊 Watching movies in the h15 common room, the civil department trip, you sending me guitar videos and us watching chichchore in convo are some of my favorite memories. Thanks very much (for joining yearbook, not thanking you for anything else coz that would be an insult to this friendship no?) and all the best for your future! Okay. Bye. Don't stop being a draamebaaz♥

Yash Jaju : Idhar aao na bhai logo ko likhna hai

Raghav Goyal : I was just thinking..its been what? 9 years already! can you imagine? I dont even think I need to write something here..! we've had our share of ups and downs, from being with each other 24x7 to talking once in a while now.. a lot has changed! but I still love you like anything! You mean the world to me bhai! Thorha effort maar liya kar baat krne mei bsdk ;_;! Stay in touch! all the best for everything ahead! you're an ore of talents- dram, writing, music, ye sab khatam mat hone dena bhai! :)

Vyanktesh Nagre : Bsdk daru pike control me raha kar. Ulti karna aur ladkiyo ko pareshan karna shobha nahi deta tujhe. And please nanga paani bharne mat jaya kar yaar. Aur gpl ke baad logo ko purple gand ki tasveere nahi bheja karte. Baki maa chudaye, IMAX theatre aur IMAX screen ka antar pata karle.
