**Bharti Arora :** My accidental mess partner. Thanks for listening to my endless crib on PhD selection...lab politics...my oh so nice guide...future worries... again, endless crib. You remain quiet, yet you kick Krutika's ass with you punches XD I hope your love stays forever :p Thanks for being such a good listener to me when I desperately needed one.

**Pranati Das :** Divya, I always knew that we have a natural bonding. I always admired you because you nicely balanced everything you do. Yes, those shopping days, late night deep talks on life and all, having great dinner times together, I hope, we shall meet in future and will do all these again and again. Because of you, I got other beautiful friends and well wishers for a lifetime. You have helped a lot like a sister whenever I wasn't well. I am blessed to have a friend like you. Wishing you all the very best for future, pursue your dreams no matter what happens and keep dreaming dear. I shall be waiting for our precious "us momentzzzz".

**Survanshu Saxena :** Hello sis! If anybody takes even your name, I got your image of laughing like hell in my head. Starting from 1st sem to the last time in campus we met, we both trolled each other 🤪 (Ur dialogue in end- Aeee Gooo). Thanks for listening to my crazy questions and your best answer (Leave it to God ♥) and also to the summary of telugu movies which you tell me only in the end that you have already watched. Still remembers the time we all roam, play truth n dare, late night pizza, restaurants, etc. All were awesome. Chalo.. Best wishes for your future life ♥, keep in touch and keep saying "Simulated bodiii fluid.." 🤪🤪
