Kesha Tamakuwala : Gccccc, no wait I never call you that, Gauuraaavvv, it's been super nice to have a poetry partner, a safe space where I can all the random bakwas i write and where it is kindly read and understood. I wish we would've bonded a little earlier, but I feel like I have entered the dark side now :P. Let life jitter you a little less, you are an amazing person, give more people a chance to know that, of course we will stay in touch because my random bakwas is going to keep flowing!

Pragya Valay : Hi Gc, bahut baatein toh nahi hui, par jitni hui achi hui. Easy recipes provide karne ke liye and ache ache gaane apne status ke through recommend karne ke liye thank you. Milenge hum aur bhi aage <3

Harshita Verma : Yo, well I can't really match your standards (cause mine are higher :P) but it was an honor sharing almost the same roll number, okay bbyee :P

Aadarsh Parashar : Dear roomie (ex), thank you for introducing me to good music. We didn't talk that much, but I think that was intially. We talked enough towards the end, when I think we both matured a bit. I will always cherish our playlists on Spotify, and I wish we keep on adding to it in the coming years. Tu engineering kyu kar raha hai, go on hone your passion and be an artist or something. I'll come to see you drum or buy your painting, whatever you decide to do. Peace.

Kunal Nitin Dighe : Yo GC. TT khelne ke liye humesha peeche padta tha par aaj tk hara nhi paaya. Bhulna mat bhai.. :)

Dhruvin Mehta : The only thing more intense than your epic mood swings is perhaps your dedication towards competing a task you started only five minutes ago! From the first department trek to the coffee and dessert fueled music sessions, group projects and gaming sessions, we've come a long way. Here's to hoping there's an even longer road ahead to walk together!

Akash Deo : It was great time with you in our lab. In short time we had lots of discussion and i come to know your talents of making excellent image in ipad and also taking beautiful pic with just phone. Any way Expensive-expensive gadget k malik ho k khud ko garib kehna baand kardo 😊. It was short but memorable time with you.

Prakhar Kumar Singh : GC bro... We did infi random in insti, one that comes to mind is the time when we played Fifa for 8 hrs straight in first year and missed a quiz. Let's not stop doing gaming nights after we graduate... All the best for future bro!

Fatima Salehbhai : Yo. Just a text away if battery not dead. Menon se bhi jyada main Teri dost Hu. Aur main pareshan toh Karti hi rahungi.bye. ly <3
